Morton Village Gets PO

PLAINVIEW—The new post office here will be located at the Morton Village shopping centre on Old Country Rd. near the Methodist Church, it was revealed last night by Postmaster William G. Mollitor. The new centre is being built near the corner of Joel Place, facing Old Country Rd. Ground breaking is anticipated within a week, according to Emil Morton, the builder, and the office is expected to be ready in 180 days. Confirmation of the selection of the Morton Village centre as the site for the branch of the Hicksville Post Office was received from Washington.

Korean Relief Needs Workers

HICKSVILLE—Lieut. Leonard F. Urschel, Chairman of the American Relief for Korea Campaign, here, said today "We have obtained the very welcome help of the Boy Scouts, who will accompany each driver, when he makes his house to house canvass. However, we are still sorely in need of drivers, cars and pick-up trucks, to help in an intensive door-to-door collection". Anyone in the community, who can give only a few hours on Saturday morning, June 12, can contact Urschel at 15 Gables Drive, Hicks, 4-3074 or A. Carl Grunewald of 31 Violet Ave. at Hicks, 4-0358.

Urschel added that posters are now ready and will shortly appear in all local stores. In making this announcement, he expressed his gratitude to those who have already volunteered and hoped that the "entire community will get behind this truly worthwhile cause to help a tragic country. The salvation of Koreans lies in outside help—your help. Please give your good, clean useable clothing when the driver calls. Please donated your time to help collect."

Hundreds will pause next Monday morning to participate in mid-Island community Memorial Day services and exercises honoring local men and women who have given their lives in the service of their country in all its wars. Veteran organizations are in charge of local observance and urge the widespread display of the American flag and resident participation.

Local programs scheduled here, in brief: HICKSVILLE—Parade assembles at 9:30 AM at Legion Hall on E. Nicholas St. and moves at 10 sharp. Marchers arrive at high school for services at the Memorial Mall starting about 11 o'clock. In case of rain, program will be held in high school auditorium. Rabbi Irving Grossman will be guest speaker.

PLAINVIEW—Parade starts at 9:30 AM on Bentley St. Formation at 9 AM on Bentley, Jamaica, Ontario, Amby, Westbury, Audrey, Virginia and Nassau. Proceed to firehouse on Old Country Rd. where services will be held. Spanish American War Veteran Timothy LeClair will be grand marshal.

JERICHO—Assembly of organizations at firehouse at 10:15 AM, march to Friends Cemetery for brief ceremony, return to Underhill Park for excercises. Refreshments will follow at firehouse.

LETHPAGE—Services will be held at St. Paul's Lutheran Church at 8:30 AM this year. Parade will assemble on Washington Ave. at the parking field at 9:30 AM and move at 10 sharp, according to Charles W. B. Schwarz, chairman. It will go north on Stewart Ave. to Bentley Rd., east on Bentley to Broadway School where services will take place in front of the war memorial. Lt. John Norris of Navy will be guest speaker. The parade will then proceed to the firehouse for a special program by the vamps.

Faculty Honors Leon Galloway

HICKSVILLE—Tribute to Leon J. Galloway, principal of junior high school, was paid by the faculty, wives and husbands of faculty members of the junior high, at Link's Log Cabin recently. The event celebrated Galloway's 25th anniversary in the community and school system. Dinner arrangements were by

Mrs. Dora Beames. Guests of the faculty included Dr. E. H. LeBaron, superintendent of schools, Mrs. LeBaron, and Mrs. Dunden, mother of the guest of honor. Galloway was presented with a 14 kt. gold watch and a book of thoughts from the faculty. Typical comments from the book will be published in the Herald.

Daylight Holdup

HICKSVILLE—Police are seeking two men who made off with \$120 in a daring daylight robbery of the carpenters and joiners local union office at 240 Old Country Rd., near the Centre Shops, at about 8:40 this morning (May 27). The two men, the one in a brown suit and the other in a grey suit, tied up the clerk.

DISPLAY OF AMERICAN FLAGS by business concerns is being encouraged by Legion Posts in Hicksville and Plainview. Here Plainview volunteers, left to right, Joseph M. Arena, Commander Al Schupp and Flag Chairman Burt Nessel, are installing a flag position. In Hicksville Jack Eihmann of the Firestone store at 114 Broadway is in charge of the project. He announces that the Explorer Troop will service flags for businessmen on Monday if storeowners will call HI 4-1504. Flags are to be displayed at half mast until 12 noon, then raised to top of mast and flown until sundown.

PARTICIPATING MEMORIAL DAY, Monday morning, in the Hicksville exercises will be members of the high school band and choir. Members of both musical groups, wearing their new uniforms, were pictured at a recent musical program held in the high school. The chorus is under the direction of Miss Harriet Spink, supervisor of music (at left with bouquet), while the band is directed by Norman Siep. All community residents are invited

to attend the Memorial Day program at the high school grounds on Jerusalem Ave. at 4th St. starting at about 11 o'clock. A parade to the Memorial Mall will take place prior to the ceremonies. Other participants will include veteran groups, firemen, school children, scouts and other organizations. (Herald photo by Frank Mallett).

Dear Jean:
Township beaches are expected to be officially open for the Decoration Day weekend. Residents of the township can obtain window stickers as they park for the first time, upon presenting an auto registration in the township. For those local people who have business cars registered outside of the township, Councilmen this year will personally issue a different type of sticker. . . . GEORGE DALTON gave members of Hicksville Rotary Club a report on his recent visit to Mexico last week at the meeting. He said the guest announcer in Mexico had trouble pronouncing the name of our hamlet. . . . Be sensible Memorial Day weekend to increase your chances of returning home alive and in good health, the Nassau Red Cross suggests. Since many folks hit the waves for the first time on this weekend, swimming precautions are the order of the day. If you get into trouble in the water, keep calm, don't struggle. Keep your hands under water, kick your feet and head for shore. . . . Final story hour at the library in Hicksville for older children takes place this Saturday, May 29. Summer program at the library will be announced at a later date. . . . Levittown Civic Council is planning a community-wide chest x-ray program July 22 thru 30 for all residents over 15 years of age. . . . Nassau County Young Democrats will hold a dance at Bethpage Country Club this Saturday night, May 29. State and county party leaders will be guests of honor. Tickets are available from WILLIAM DELEO at 10 Violet Ave., Hicksville. His phone is HI 4-1407. . . . Sixth graders of Nicholas School visited the Historical Society Museum at Huntington recently, accompanied by class mother MRS. CARPENTER. . . . Plainview Legion holds its regular monthly scrap drive this Sunday morning starting at 9:30 A.M.
Presentation of an American flag was made Wednesday night to Cub Pack 91 by WILLIAM FROHNHOEFER, commander, on behalf of the Wm. M. Gause Jr. VFW Post of Hicksville. LARRY BAROLETTI is cubmaster. . . . Hicksville firemen are working so fast on their house to house canvass this year, that there are indications they may conclude the drive in less than half the time of previous years, even though there are more houses today. . . . Effective the first of the month, or as soon thereafter as possible, DAN ALLEN has been awarded the garbage collection contract for the Glenbrook homes section. . . . Hicksville Dollar Days in mid-July were set at a meeting of retailers, Wednesday night. PAT BUFFALINO of Rogers 5 and 10 is in charge and there was a good attendance of interested retailers at the meeting in the C. of C. office, 75 Broadway. . . . Cub Pack 188 holds its regular monthly meeting this Friday night, May 28, at Dutch Lane School, Hicksville. Parents and others interested are cordially invited to attend. Mississippi Show Boat is the theme for this month. . . . The big challenge contest between the Emergency Co. and the Horse and Ladder boys will be run off this Sunday afternoon, starting at 2 o'clock on McAlleister Ave. off Old Country Rd. and a large crowd of rooters for the competing fire companies of volunteers are expected to be on hand. It will be strictly an "on foot" contest with no fast motorized equipment used.

Another Try On School Bus Fails

HICKSVILLE—The Board of Education continued to be divided 3 to 2, on questions involving junior high school student transportation, it was apparent at the regular meeting, Wednesday night.

Trustee Emil J. Szendy offered a resolution noting the fact that 7th and 8th graders in the area bounded by Old Country Rd., Levittown Pkwy, Arrow Lane and the district line are "less than two miles" from the school but have been receiving and are receiving transportation, that there are no hazards in the path along Old Country Rd. Therefore, he proposed that "all children be treated alike" and moved that bus service be made available to all children living a like distance.

The motion was lost, 3 to 2.

Trustee Richard School commented that if hazards for that Old Country-Levittown Pkwy area have been eliminated (by the new side-

walk in front of Old Country School) that such transportation be withdrawn. No action was taken on this proposal.

VISIT TO WASHINGTON: Seniors Report on Flying Trip

By CAROL JOHNSON

It was six o'clock in the morning on Thursday, May 20, as 98 high school seniors left Hicksville in two buses bound for LaGuardia Airport. Passerby couldn't believe that we could be so happy so early in the morning. Even the light rain that was falling could not dampen our spirits.

We arrived at LaGuardia at 7:05. A few minutes later a portion of the party took off in a regularly scheduled flight for Washington D. C. The balance left a few minutes later in a chartered four-engine plane. This was a first in many ways; the first time that our Senior Class flew to Washington, and for many of us it was the first time that we had been in an airplane.

An hour and a half later we were boarding our buses at the National Airport for our tour of Washington.

We paid a visit to the White House, Capitol Building and Smithsonian Institute in the morning. Since it was the anniversary of Lindbergh's flight, they had a special exhibit there and we saw the actual plane in which he made his famous flight. We then went to Schiele's Colonial Cafeteria, surprised even ourselves with our appetite.

After lunch we went to Arlington Cemetery and to the Tomb of the Unknown Soldier. We saw the changing of the guard at three o'clock. We then proceeded to Mount Vernon by way of Alexandria. We toured the old streets of this historic city and then went on up to the estate of George Washington. We spent an hour touring the

grounds and a few admitted that it was nice to sit down in the bus again. We headed back to the airport, not ready to admit that we were tired, for we still had to look forward to the return trip.

The about 10:00 P.M. when we were served lunch and milk. A bunch of tired but happy seniors sang all the way back to Hicksville. We really did things differently because two seniors went on ahead and met us in Washington. We had four chaperones who acted just like one of us. They were Misses Clark and Franke and Mr. Adams and Mr. Ruch.

We felt that no class could have as nice a time as we did because we were bitterly disappointed at the thought of no trip. This plane trip picked us up so much that one teacher remarked several days before the flight, "If this keeps up you won't need a plane to fly to Washington, you're high enough

all ready." The seniors of 1954 will be eternally grateful to our principal, Miss Mabel Farley, for not letting us down.

High School Prom is Gala Affair

HICKSVILLE.—Evening gowns for the ladies and evening dress for their escorts were the order on Friday evening, May 21, as the annual high school prom took first place over anything else in the student's lives. Before a crowd estimated well over 200, the youths danced to the music of Bill Corcoran and his Orchestra, featuring the voice of Bob Paul, baritone.

The gym was decorated with colored lights, white, pink and green streamers with here and there imitation snowflakes. Three years that have passed with such succeeding Prom has not lessened the thrill or the glamour, but has increased the gaiety and color of an incident which will live in the lives of the students as they grow older.

CURRENT COMMENT:

Our Memorial Among Finest

By Fred J. Noeth

MEMORIAL DAY exercises in Hicksville next Monday morning will be held at one of the finest Memorial projects developed on Long Island by a home town community.

Some of the background of this Memorial Mall, located adjacent to the high school gymnasium entrance at Jerusalem Ave. and Fourth St., might be of interest to the many new residents who will be participating in the brief but significant services this year.

The Memorial Mall is dedicated to the men and women of the community who served in two World Wars. A community committee, headed by Frank Sutter, was organized by the veteran groups in June of 1945 to develop a fitting tribute to the 700 men and women of Hicksville who went into military service from Dec. 7, 1941 to Sept. 2, 1945.

Many fine projects were suggested and proposed, hearings and mass meetings were held, but each in turn was found impractical for reasons which seemed pertinent at the time. We recall the proposals included development of the high school grounds as a recreation center including an outdoor pool, a hospital, memorial library, community centre building, etc.

On Pearl Harbor Day in 1947 the project was completed and dedicated. Funds had been contributed in the sum of \$10,402.57 to cover the cost of the bronze tablets mounted on granite and bearing the names of all who served, moving the World War I monument from the Rail Road station to the high school grounds, landscaping and planting.

Of the total \$3,475.70 represented the funds of local Civil Defense, remaining as the war ended. Another \$665.89 was the balance of funds in the Comfort Committee accounts and the remaining \$6,260.98 came from individuals and organization donations.

The cooperation of the school board in permitting the use of a portion of the school grounds as the site for the Memorial Mall has guaranteed the perpetual care of the grounds and its valuable plantings.

See you at the ceremonies, Monday.

In People's Corner

By ALLEN S. CARPENTER

The principal function of local government on the town and village level is to provide administrative services. These services are defined and limited by: (1) - Town and village law; (2) - County charter; (3) - Various state laws; (4) - State constitution; (5) - Various federal laws; (6) - Federal constitution, and last but not least (7) - Judicial decision.

These rules and regulations sometimes make it easy for public servants, to stall, to hedge, and to "pass the buck." These things that the "lazy or indifferent" public servant uses for excuses, are really only aids to the effective performance of his duties. For without these rules, without these directives, without these legal decisions, even the most capable of men would be unable to perform any administrative function.

When our councilmen and our supervisors, use as excuses, the only aids they have—somebody is kidding somebody. When our town officials openly admit that they are confused and baffled by their own rules and regulations, we are indeed in a bad way. Excuses are no substitute for performance. They, ostrich like, seem to believe that if they close their eyes and hide their collective heads in a hole so that they cannot see the problem, that they have frightened it away. They seem to honestly believe that if they ignore any problem long enough, it will get tired and wander away.

Perhaps if our town officials refuse long enough to recognize the seriousness of our shopping and

commuter parking problems—they will go away.

Should we agree with our town officials in their refusal to admit that "down zoning", traffic congestion, dumping areas instead of playground areas, too many gas stations, are real problems? Should we like gullible children stick our heads into the same dark hole with theirs, and wait for our problems to go away?

Do our town officials—like ostriches, really believe that if they refuse to "face up" to the problems, that the people will eventually see, with as blind an eye as theirs, that the problems are not really real—that they are only "make-believe"?

Perhaps we are being unjust to the poor fellows! Perhaps they can, with their eyes closed, see the problems as well as the next man, with his eyes open. But if they do see the problems, their lack of action can mean only that it's not due to blindness.

It can mean, that seeing the problems, they are indifferent or uninterested in the people concerned, or the only other alternative, they lack the ability and the confidence to plan and carry to completion any possible solution.

How long can our town officials go on believing that as long as they continue to succeed to fail—that the people will go on praising them and supporting them for the outstanding success of their failures?

HICKSVILLE GABLES:**Graduations, Proms and Sports**

By CONSTANCE GIBSON

Hicksville 4-1482

Here it is almost the end of May and with that Graduation aplenty. Foremost at this time is the graduation of the last term Confraternity students from St. Ignatius Loyola Church this Saturday, May 29. There will be a Communion breakfast for the graduates. Among the younger children, there was the reception of First Communion on the Saturdays of May 11 and May 22.

To honor the teachers who have given of their time not only on Sundays but everyday in the week, the Pius X Society of Confraternity parents is giving a testimonial dance on Friday, May 29. All parents are invited to attend. The charge is merely \$1 a ticket.

This year the Pius X Society is sponsoring a CYO League, complete with farm teams. These teams are open to children of all faiths. In Hicksville today there is a definite need for ball teams of this type and we are sure that the CYO league will be well supported by everyone.

While speaking of Little League, plans are being formulated to establish a League here. Again we urge all who are interested in taking part in this endeavor to contact us at the above number. Many have responded but we want more.

John Seith Jr. of 15 Gables Rd., Junior at St. Dominic High, escorted Miss Mary Jane Lavelle of Hicksville to the Junior Prom at St. Dominic. The prom, the theme of which was "Penthouse-Serenade" is given each year not only for the enjoyment of the students but also to raise money for the Junior sponsored Junior-Senior Banquet at which the departing Seniors are feted. This year the Juniors were fortunate to get five of the Lombardo players for their big night.

There must have been many a sigh of relief when Saturday, May 22, turned out to be a beautiful day. We know of five sets of Gables' parents who greeted the sun with thanks. These couples saw their children receive their First Holy Communion at St. Ignatius. The children who received at the 8:15 Mass were John Tils, son of Mr. and Mrs. John H. Tils of 20 Gables Rd., Thomas Howard, son of Mr. and Mrs. Thomas J. Howard of 275 Plainview Rd., Edward Phalen, son of Mr. and Mrs. Arthur Phalen of 39 Gables Rd., George P. Maguire, son of Mr. and Mrs. George P. Maguire of 21 Terrace Place and Lynda Pestone, daughter of Mr. and Mrs. Edward F. Pestone of 277 Plainview Rd.

Related birthday wishes go to George Maguire Jr. and his little brother, Brian, who were eight and

three respectively last month. The boys celebrated their birthdays jointly.

Congratulations are in store for

Mr. and Mrs. John J. Ketchum of 18 South Elm St. who welcomed a girl on Saturday, May 22. The baby was born at Nassau hospital.

Mothers Elect at Next Meeting

St. Ignatius Loyola Auxiliary of Christian Mothers met Monday evening, May 24, in the school hall. Mother Adelaide principal of the school announced the school play will be held Sunday afternoon and Monday evening June 6 and 7.

Starting June 1 students need no longer wear uniforms. School will close on Tuesday, June 29.

Mrs. Charles Montana, President, thanked Mrs. Weldon Cooper, program chairman; Mrs. Albert Service chairman of decoration and committees of the recent Marilyke Fashion parade for their cooperation.

Mrs. Beecker, chairman, and Mrs. May McNamara, co-chairman, of First Friday Communion Breakfast, asked for more volunteer mothers to help on Friday, June 4.

Guest speaker of the evening was Rev. Raymond J. Neufelt, director of Canna Sodality. He gave an impressive talk to the members on various ideals of Catholic Mariage. He expressed also the wish that a Canna conference group be

started in the fall at St. Ignatius Parish. Father Neufelt is well known as the author of the "Question Box" which appears weekly in the Tablet and he appears regularly on the T.V. program, Morning Chapel.

The auxiliary will meet again on Monday, June 28. All members should attend, as election of officers will take place. Door prize was won by Mrs. Frank Fink and dark horse prize by Mrs. Salmon.

Burns Ave P-TA Has Installation

Over 100 persons attended the installation of officers and Square Dance held by the Burns Avenue P.T.A. of Hicksville on May 20. Donald Abt, principal of Lee Ave. school gave a brief talk on modernizing teaching technique, before installing the new officers. He read a school child's soliloquy, which showed how an average child failed to pass the antiquated teaching lessons, but in practical application of these facts, came through with flying colors. This child was not from Hicksville. He stated that school principals are learning and trying new teaching methods and material, so that children can apply their education everyday situations.

The new officers are President, Mrs. Stanley Chaner; Vice President, Mrs. John Miller; Recording Secretary, Mrs. Howard Albertson; Corresponding Secretary, Mrs. William Brenner; Treasurer, Mrs. Burke.

After brief meeting was over, Mrs. Cunningham, Jr. High Physical Education teacher called the square dancing. Mrs. Cunningham proved her ability to people dancing. Mrs. D. Lathan, and her refreshment committee out did themselves with trays of canapes, potato chips and cakes.

Before handing over his gavel, outgoing president Mr. Fred Berkmann raised and thanked the organization and his committees for their splendid work and warmly complimented Allan Davis, principal, for his outstanding help and co-operation.

High School P-TA Organizes

By DOROTHY GUELPA

Parents attended a pre-organizational meeting for a Junior and Senior high school PTA in Bethpage. Mr. Bunce, moderator, opened the meeting with a message from Mr. Sechrest, H.S. Principal endorsing the formation of a PTA.

Mr. V. Miller, supervising principal also gave his support and backing. Mr. Sechrest was unable to be there due to an unfortunate tragedy resulting in the death of a family member.

The meeting was then turned over to Mrs. Mary Vanek, District PTA Chairman on the High School Education Program, who briefly explained why we have PTA's.

Mrs. Martin Aslorian, Asst. Director of the Eastern Long Island District of N.C.P.T.A. was invited to help form a planning committee to properly carry out the organizational meeting. Nominations were made from the floor and the following were appointed: Mrs. R. Mordhorst, Chairman; Mrs. H. Kessler, Recording Secretary; Mrs.

T. Hyers and Mrs. L. Carter, By-Laws; Mrs. E. Kranz, Nominating Chairman; Mrs. R. Tallman, Hospitality; Mrs. Calderone, Membership and Mrs. R. Germann, Public Relations.

There was some discussion as to the combining of the Jr. and High School P-T A. However, the majority of parents present felt that at the moment and since we have not as yet a full H. S. program, it would best serve the interests of parents and teachers to have a Jr. High and H. S. P.T.A. combined. Other parents felt the curricular, social and moral problems should be dealt with on separate grade levels.

A date was set for the organizational meeting which is to be on June 10, in the auditorium of the Broadway School at 8:15 P.M. Parents coming out to this meeting will be considered Charter members.

MOTHERS' BREAKFAST

Henningsen's Restaurant, Hicksville, was the scene of the Annual Communion Breakfast of the Mother's Club of St. Martin of Tours parish, Bethpage. Guest speaker for the event, on Sunday, May 16, was Miss Frances Hennessey, Chairman of the Social Studies Department at Fort Hamilton High School in Brooklyn. Miss Hennessey took her large audience on an armchair pilgrimage through Fatima, Madrid, Rome, Lourdes, and Paris.

Several fine solos were sung by Joseph Roberts, who was accompanied by Mrs. William Ahearn. The newly-elected officers for next year were introduced by Mrs. Giler Goss. Mrs. Nicholas Blondo, president, gave a short welcoming speech, and Mrs. Joseph Raab acted as toastmaster.

BENEFIT SHOW

Miss Dolores' Dance Studio will stage a benefit performance on June 4th for the Plainview Civil Defense program. The recital will be given in the Hicksville Masonic Temple on W. Nicholas St. and Miss Dolores said that her talented pupils and the lovely costumes

By HOWARD FINNEGAN

The final organizational meeting of the Hicksville Community Softball League will be held this Friday night, May 28, in the high school athletic office with Chester Jaworski in charge.

Fourteen teams have responded to the call and the biggest softball program in the history of the Adult Playground is anticipated.

Announced and additional team managers are instructed to have player-rosters and entry fees. The tab is \$35 with \$25 of that returnable providing there are no forfeits. So in effect the cost will only be \$10 per team. That money will go for trophy prizes that everyone will be competing for.

Funds for prizes cannot be provided by the Summer Playground program but are wanted and voted for by the contesting teams. The fee to assure that every team will be interested in making every game is a good faith token.

This is the last call!

The Herald has sought the news of the league and has kept abreast of the happenings for over two months.

Everyone is welcome, but the time is running short.

The schedule will be drawn up and published in the Herald next week.

There is mounting resentment in the community over the fact that while there are considerable areas in which acceptable ball fields could have been constructed, in the past months little or nothing has been done concerning this matter.

Since we are nothing but a hamlet most of the displeasure is directed at the one source of local government that we have — the School District.

Conditions on most of the grade schools are such that playing softball is impossible and this spring has seen a great migration of civic team, club teams and just plain persons wishing to bat a ball around to the high school.

Consider that Little League, PBC and other youth activities also converge on the same areas the situation is getting out of hand.

We counted over 400 persons on the high school grounds Tuesday night trying to gain some relaxation.

The community has come a long way towards a population of over 34,000. It is not unreasonable for taxpayers to want to play a little ball and enjoy the summer evenings.

There has been time to meet the situation. It is an easy thing to jump on everything that hasn't been accomplished and forget the many factors responsible persons have had to devote their time and energy to.

Despite many complaints we have felt that in time the other fields would be ready and people could utilize those diamonds in their own neighborhoods.

Let's be frank.

If the matter is pushed too much some people may stiffen their backs and just cry "padlock".

But by the very character of the word patience denotes that there is an end sometime and now that the time has come for Summer activity there are a lot of people pretty upset because there isn't proper room for it.

Richard Evashuk's triumph in the Discus at the North Shore Athletic League championships pushes him on to the Sectional Track and Field Championships, this Saturday, and a good effort there will earn him a berth on the Long Island team competing for the New York State title at West Point the second week in June.

Hicksville hopes for a second medal winner at the North Shore meet went crashing on the treacherous first turn where Alex Pravendikow was jarred badly in the crowd. He just missed hitting the cinders but the time he had to use in lunging to regain his balance put him out of contention. His defeat in the 410 was a major surprise.

Ithaca College in upper New York State has seen pass the poor hitting which clouded the fine work of pitcher Tommy Valentine this season and it might work out that the Hicksville High chucker will get a scholarship to that school.

Dick Evashuk may get a nod from the same school for his football and track abilities but we would like to inject that it is our thinking if he is going to make a mark in sports basketball would appear to be his best outlet.

As it stands now he has responded to Chet Jaworski's coaching to the point of being a good shooter but his defensive strength in clearing the boards is the outstanding result of his high school training.

The Approved Board of Long Island Baseball umpires feel that we should announce that the officials who had the Hicksville-Mineola High School game were not assigned by that group but were working on a free lance assignment.

The issue of course raised here was why the two umpires had to leave after ten innings of a tie ball game at 1:30 p.m. on a Saturday afternoon.

Mr. Ross of the organized board of officials received several complaints concerning our articles and while he and his group understand our concern for the particular occurrence he would like it underscored that his group had no part in the proceedings.

We did not mention his group in the story but since Mr. Ross feels that some disinterested parties may have cause to believe it casts a reflection on his officials we are glad to point up the lack of responsibility on their part.

Parade to Usher in CNLL Season

Arrangements were completed this week for an action packed Memorial Day weekend for Central Nassau Little Leaguers and other youth organizations in the Hicksville — Westbury-Levittown — East Meadow areas.

Saturday, May 29, a huge parade to usher in the season will assemble at 1 P.M. sharp on the Levittown Parkway grass opposite the Newbridge Shopping Center, just west of Newbridge Road. In addition to the league's 600 youngsters in the major, minor and farm team divisions in their team uniforms, several Scouting groups will join the festivities, and parade with lo-

cal school bands who will provide music and lend color to the proceedings.

The parade is expected to get under way about 1:30 P.M. and proceed north along Levittown Parkway, then east on Hempstead Ave. to the Abraham Levitt Little League Field in Hicksville, at which point the flag raising ceremony will take place. Many school and county officials are expected to be on hand including Lewis N. Waters and Harold P. Herman, Dr. E. H. Le Barron, Harold P. Robbins, Supervisors John Chase, S. A. Manarel, John Cavanagh, Donald F. Abt, Murray Duncan and

Thomas V. Kelly.

Following band music at the field, Dr. LeBarron, superintendent of the Hicksville Public Schools, will toss the first ball to officially open the Central Nassau Little League season. Two major league teams will play a six inning game immediately thereafter. Refreshments will be sold at the field by members of the CNLL Women's Auxiliary and the proceeds will go to the League treasury.

On Monday, May 31, the major leagues begin the regular schedule of games with double-headers starting 1 P.M. and 3 P.M. In the eastern division the Professionals play at the Pan-Am Pilots at the Levitt Field and the second contest will take place between the Long Island National Baskers and the Ridgeway Service Center team immediately thereafter. In the western division Shoe King Sam plays Greater Nassau Realty at the Carman Ave. field. Immediately thereafter the O'Donnell Movers tackle Boos Brothers Nursery. It promises to be a big day for the youngsters and large crowds are expected to be on hand for the contests at each field.

St. Ignatius First At Track Meet

HICKSVILLE—The St. Ignatius School track team snared first place in both boys and girls Senior Divisions in the Nassau County Catholic Youth Organization Track Meet held at the High School Field here on Sunday, May 16.

John McGrain who scored the only double win of the day jumped 16 feet 8 inches in the running broad jump, the final event on the program and this helped St. Ignatius to nose out St. Peter's of Port Washington and St. Barnabas of Bellmore of half a point.

McGrain also captured the 100 yard dash after his team mate, Joseph Illari, took first place in the 80 yard dash. McGrain and Illari accounted for all the scoring of the Ignatians who failed to score in either the 220 or 440 yard relays.

Holy Family of Hicksville placed first in the 440 yard relay while St. Barnabas of Bellmore took first and second places on the shorter relay. James Murray of St. Peter's, Port Washington, took first place in the 60 yard dash.

GIRLS WIN CROWN

The St. Ignatius Girls took the Girls Senior crown by taking honors in the 100 yard dash and the 220 relay. Judy Seymour captured the 100 yard dash for the second year in a row while the relay team of Seymour, Sayre, Dowling and McCormack won gold medals for

the third year in a row. Anne Rotkamp placed third in the 100 yard dash to round out the scoring of St. Ignatius.

Other trophy winners at the meet were Holy Family of Hicksville who took the Junior Boys title with 16 points and St. Raymond's of Lynbrook who took top honors for the Junior Girls with 11 points.
