Bank Breaks Ground For Construction Job

HICKSVILLE—Ground was broken Tuesday morning for the addition to the Bank of Hicksville with Henry G. Eisemann, president of the Bank, handling the controls of a giant crane. George Karlson, vice president, stood by. Bank officials expect to have extensive alterations in the bank premises completed before the end of September.

The project will include extension of the first floor of the building across the adjacent lawn to within a foot of the property line and ER right-of-way. In the process, a sidewalk of the building will be removed and public space in the bank will be more than doubled. The number of teller windows will be increased from four to nine. The lower level will be enlarged also, doubling the bank staff area. There will be a new public entrance to the vaults for safe deposit box holders, Karlson said.

The job also includes installation of a new front door entrance and elimination of two small offices at the bank entrance way. Edward Auer is the general contractor.

Miss Wessell At UN Session

NEW YORK CITY—Miss Runhild Wessell of 54 Spindle Rd., Hicksville, attended a conference of the Non-governmental Organization at the UN here on Tuesday and Wednesday. She represented the World Organization of the Teaching profession which is a consultative agent and a member of the Non-governmental Organization.

Miss Wessell is a member of the International Relations Committee of New York State Teachers Assoc. She is a member of Hicksville High School faculty.

Children Give Backyard Show

HICKSVILLE—Boys and girls on Robert St. presented a "Backyard Show" for the benefit of the Sister Kenny foundation on Thursday afternoon in the back yard of 10 Robert St.

The show netted \$8.15 which was mailed to the Sister Kenny Foundation in Mineola. The whole neighborhood enjoyed the performances of Kathleen and Michael Manfred, Marie and Diane Odell, Maureen and Raymond Lang, Bonnie Leucie, Janet Greiner, Joseph and Larry Scollen, and Carol Olsen.

Woman Killed At Crossing

BETHPAGE—Mrs. Dolores Gholston, 48, of 28 Sherman Ave. was killed instantly Monday night in a two-car and train collision at the Stewart Ave. railroad crossing, here.

Mrs. Gholston was a passenger in a taxi operated by Walter Cowan, 49, of 37 Ramble La., Levittown. The cab was going north on Stewart Ave. when it was struck in the rear by a westbound train and crashed into an Austin stopped on the north side of the crossing.

Cowan was thrown from his cab and taken to Meadowbrook Hospital in the Bethpage ambulance suffering possible fractures and head injuries. The taxicab which was demolished by the impact was owned by Ernest Begerow of 48 Squirrel La., Levittown.

The front end of the Austin operated by William Ziegler of 571 North 6th St., New Hyde Park, was damaged from its impact with a railroad stanchion.

The dead woman's husband is a patient at a veterans' hospital.

Health Dept Rates Beaches

Nassau County Health Department today issued its report on permits issued this season for beaches serving the mid-island area. Permits are issued by the Health Dept. after studies reveal safety of the waterfront, adequacy of life guards and toilet facilities. Permits were issued for Bayville, Theodore Memorial Park, Beckman Beach, Oyster Bay, Biltmore Beach, Nassau Shores, Massapequa, Sea Cliff, Morgan Memorial, Bar Beach, Manor Haven and Sea Cove.

Plainview Bans Lawn Sprinkling; Water Boards Warn Consumers

PLAINVIEW—Declaring the supply situation "very critical", Water Commissioners here today issued a stern order prohibiting—with a warning of stiff penalties for violators—all lawn sprinkling in the Plainview water district. The order embraces watering of lawns and flowers by hose, sprinklers and all other devices.

At the same time, the water board limited irrigation for vegetable gardeners and farmers to between the hours of 9 o'clock at night and 9 in the morning. Any person violating the order, the Board said, will be subject to penalties under Section 26 of the Plainview Water District Ordinance which provides a fine of \$50 by civil action and shut-off of water supply for violators until the fine is paid.

"We are compelled to take this drastic step" the Board said, "because of the extreme hot weather and the shortage of supply at

the Jericho District which supplies us. Compliance is vitally important for the good of all of our residents."

All Hicksville Water District consumers were asked today not to use garden hoses or irrigate between the hours of 10 AM and 9 PM on any day. During the evening hours after 9 PM, those south of Old Country Rd. were asked to restrict watering to Monday, Wednesday and Friday only; and north of Old Country to Tuesday, Thursday and Saturday only.

A severe fire hazard developed Tuesday, July 1. At 6 PM there were 800,000 gallons of water in storage tanks which were 90% full. Two hours later the tanks were empty and by 8:15 mains in some areas were empty also. This situation continued until 11 o'clock at night, resulting in the request of Hicksville Commissioners for consumer cooperation.

750 Fans At 2nd Hicksville Nite

BROOKLYN—More than 750 fans from Hicksville were present here at Ebbets Field, Monday night, for the second annual Hicksville Night. There were 21,377 in the stands to see Arlene Rogers of 220 Park Ave., high school senior, receive a lovely bouquet from Dodger Pee-Wee Reese. Thousands more in the television audience saw Hicksville boys and adults participate in Happy Felton's Knot Hole gang pre-game program.

Ardent Dodgers were disappointed to see their favorites shut-out, 4-0 by the Phillies during a game unmarred by the elements. Skies gloomed and clouded in the opening innings to give Chairman Lou Smith a few bad moments.

PRESENT QUEEN

Sixteen-year-old Miss Rogers, the overwhelming choice of ticket purchasers for the title of "Baseball Queen" was introduced to the vast audience in a brief home plate ceremony by William Mannilla, Rotarian and realtor. Present in the stands were her parents, Mr. and Mrs. John Petrofovich and her grandparents, Mr. and Mrs. William Siram of Lottie Ave., all keen baseball fans.

She is a cashier at the Hicksville Theatre and confessed that the event was the most thrilling of her life. Born in Freeport and formerly of Syosset, she has been a Hicksville resident for the past seven years.

Banners of Hicksville High School, Plainview Fire Dept. and Hicksville Rotary, Lions and Kiwanis Club were proudly displayed from the stands during the evening.

Photos at the game by Frank Mallett, staff photographer, will appear in the Herald next week.

Lions Install New Officers

HICKSVILLE—Sam Weiss, ex-chief of the fire dept., will be installed next Wednesday night, July 9, as president of the Hicksville Lions Club succeeding Vincent Braun. The dinner-dance will take place at Anselmi's in Bethpage. Myron Sauser, past president, is chairman of arrangements.

Adams Is Guest At Ebbets Field

HICKSVILLE—Richard Adams of 205 Bay Ave. was the winner of two tickets to the Dodgers vs. Philadelphia ball game at Ebbets Field Monday night at Hicksville Night. The two tickets and two bus tickets to the game were awarded as a prize for the highest number of subscription sales to the HERALD.

POST OFFICE CHANGE

LEVITTOWN—This community officially has its own post office since Tuesday, July 1, discontinuing the former branch of the Hicksville Post Office. Harry Erb was sworn in as acting postmaster on Monday afternoon.

WITNESSES. The winding and sealing of a watch loaned by Helmut E. Kraft, watchmaker, of 81 Broadway, Hicksville, took place Friday night in the office of William E. Koutensky, president of LI National Bank. Present were, left to right, Frank Sutter, local Civil Defense director; Thomas Cullen, auxiliary police chief; Bank President Koutensky, and Stephen Smatlak, auxiliary police asst. chief. They also witnessed placement of the watch in a bank vault. Time at which it stops will determine the winner of a 17-in. Admiral combination television, radio and three-speed phonograph being awarded by the Unit 312 Auxiliary Police on Sept. 13. Unique project is planned to raise funds for auxiliary police uniforms. Our Vamps Aid Westbury During Fire At Mansion

HICKSVILLE—A dozen men of the fire dept., led by Hook and Ladder Co. Lt. Harold Manaskie Sr., stood by with a fire truck at Westbury Firehouse for almost six hours on Saturday afternoon and evening to cover, alarms in that district while Westbury vamps and four other fire depts. fought a big fire on an Old Westbury estate.

Another Hicksville pumper manned by local vamps including Chief Edward R. Schluter assisted in

fighting the stubborn blaze in a 70-room mansion.

While on Westbury duty, the crew headed by Manaskie answered a call for a dumps fire on Jericho Tpke. Because they were not familiar with the territory, a police escort to the scene was provided. The fact that many firemen were out in Greenport on Saturday for the tournament added to the need for outside assistance by Westbury.

A fire at Bea's Luncheonette, 200 Broadway, caused slight damage to a rear room on Sunday evening. A false alarm called vamps to Libby and Violet Aves. at 8:39 a.m. on June 25.

Hicksville firemen also answered a call to Troiano garage and warehouse at 42 E. Carl St. on Friday evening when gasoline burst into flames and a worker was hurt.

Burning rubbish on Bethpage Rd. near the Water District office called out firemen on Sunday evening at 5:20.

Officials Attend Civic Affair

HICKSVILLE—Prominent town and county officials were present for the annual installation dinner-dance of Hicksville Civic and Community Assoc. Tuesday night at the Alibi when William L. Geyer was seated as president.

Among those introduced were County Clerk Ernest F. Francke, Town Clerk Leslie Disbrow, Town Highway Superintendent John R. Brandt. Also school board members Harry Ermenwein, Emil J. Saenody and Allen S. Carpenter. Harold R. Smith, president of Jericho Civic Assoc., was also present.

SELECT FD COURSE

HICKSVILLE—The Labor Day firemen's tournament this year will be held on Burns Ave., according to Chairman Sam Weiss, with grandstands erected on the Burns Ave., school property.

FIRE IN DUMPS

Residents on the north east section of Hicksville were complaining this week of the heavy nightly "smog" and odors resulting, it is believed, from burning of refuse at the town incinerator plant at Locust Grove.

Dear Jean:

A truck and building storage building is planned on south Duffy Ave., Hicksville, by RAPONE & SON. . . I see the steel work is going up on the Coca Cola Bottling plant at Castleside and Brush Hollow Rd. The plant will cost \$583,000. . . The DEEPEW Manufacturing Corp. on Duffy Ave. has started a \$12,000 addition to its plastic factory. . . Two factories are under way on Park Ave. one of which will be rented by Fairchild Camera and Instrument Corp. for manufacture of cameras.

Eight County Emergency ambulances have arrived in Nassau but their operation is being delayed until policemen are available to operate them. The county force is short 156 men. . . Health services for Nassau residents cost about \$1 per year with a population of 800,000. . . Every year they have a grand fireworks exhibit at Sea Cliff on July 4. They will be set off from a barge in Hempstead Harbor starting at 9:15 P.M. . . A very sincere welcome to Mr. and Mrs. ANTHONY B. SIRAGUSA of Astoria who are taking up residence this week at 1 Bonnie Court, Hicksville, in the Southern homes. Residing with them is Mrs. ROSE SIRAGUSA who is the sister of Realtor ROBERT S. ROBERTO of 10 W. Marie St. and mother of Mr. SIRAGUSA, insurance broker. . . Hicksville High School Band provided the music at the Island Trees School commencement exercises on June 20. . . There is a firemen's tournament at Hempstead on July 4th and Hicksville will be present. . . Gas stations for opposite corners of So. Oyster Bay Rd. and Woodbury Rd., Hicksville, were approved by the Zoning Appeals Board last week to no one's surprise. . . Plans are progressing, according to building reports, for the new convent of St. Ignatius Parish, Hicksville. . . Resolution of Levittown Legion Post objecting to Oyster Bay Township proposed change in zoning law which increases minimum lot area was defeated at County Legion Convention in Valley Stream. . . Beatty's has been purchased by ABE WEINSTOCK, formerly of Syosset, from PHIL KAPLAN and ROBERT KRINSKY, it was reported by Lane Realty, broker, last week. . . Twinlawn Civic Assoc. holds its annual block party tonight (Thursday). . . Mr. and Mrs. HENRY G. EISEMANN left yesterday morning for their ranch in Montana. . . Many fans wondered, Monday night, what PEE WEE REESE whispered to Baseball Queen ARLENE ROGERS at Ebbets Field, during her introduction for Hicksville Nite. As they huddled close for picture taking, he said, "I should have shaved". . . ARLENE was thrilled with the big event, her first time at Ebbets Field, though she loves baseball. . . Hicksville Dollar Day plans are taking shape fast for July 17 thru 19. . . Spooking of Hicksville Nite, we had over 750 locally bought admissions, whereas Levittown on its night, last Friday, turned out 250 according to Field officials.

A few of his friends send this word of appreciation to MARTIN FOX. "A lot of us local farmers sure miss Martin (Bobbie) Fox around the shop of the late Al Schwinge. He had been there for 17 years and has served us long and well. Good luck and better health to you, Bobbie, on your new job. . ."

QUARTER CENTURY active members of Plainview Fire Co. were honored at the silver anniversary of the organization at a dinner-dance at Fire headquarters on June 21. The charter members, left to right, include John Ruel, John Jantzen, Alfred Bergmann, Richard Bergmann, William Jaegle, oldest living fireman of the community to receive congratulations from M. L. Chittenden, of Jericho, chairman of the 9th fire battalion; William Schwarz, Alfred Stauber, B. A. Sattig, An-

thony Ocker and William Harbes. Jaegle, who is also the oldest living native of Hicksville, was taken ill and removed to Nassau Hospital, Mineola, last Monday night. He and his wife marked their 62nd wedding anniversary on June 25 and were congratulated at the Plainview dinner. Flowers were also presented to Fire Chief and Mrs. August Keute who celebrated their 35th wedding anniversary on June 22. (Herald photo by Mallett).

Vamps Honor Charter Members

PLAINVIEW— Recognition for up to 25 years of service with the local volunteer firefighting organization was accorded members at the Silver Anniversary dinner-dance of the fire department on June 21. M. J. Chittenden of Jericho, chairman of the 9th Fire Battalion, presented awards. Peter Lynch of the county fire commission was guest speaker.

In addition to the ten-year-members (pictured above) who received gold pins, there were 20-year awards for John Gobberti, Louis Cervelli and Kai Anderson Sr. Ex-Chief Charles Leib, who will complete 25-years of service next February, was given special recognition.

Four charter members who now hold associate membership were given certificates: Ex-chief Conrad Steihler, 21 years active; Ex-chief Steve Modele, 22 years active

Frank Baumeister, 8 years and Alvin Schmidt, 13 years.

Nine former chiefs were present for the event, including Edmund Ocker who was toastmaster. A ring was presented by Chief August Keute in behalf of the firemen to Ex-Chief A. C. Ocker who has been treasurer for over 20 years. A bronze plaque listing the 25-year-men was presented by the Ladies Auxiliary.

The Rev. Father George M. Bittermann, pastor of St. Ignatius Church, gave the invocation. One hundred and thirty persons enjoyed the roast beef dinner and activities which followed.

Started with 26 charter mem-

bers, 10 of whom are still active, the fire department today has a membership of 81.

NORTH WEST NOTES Civics Get PW Report July 9

by James Cummings
 As announced last week by bulletin to each homeowner and in the HERALD the North West Civic Assoc will hold a special meeting for the purpose of radifying the committee's report on their meeting with Pressa Wireless. Covering the story for the HERALD as published on the front page last issue, I presented the facts as discussed by both the Civics and PW. This is an important issue and each member should make it his business to be on hand Wednesday night, July 9, to hear what was discussed.

I firmly believe that Pres. McCarthy and his committee did a fine job in presenting their case to PW and from the overall dis-

ussion it is felt that Press Wireless will do everything possible to alleviate the conditions as presented by the Civic representatives. However, each and every member has the right to question the committee on any of the points discussed at the meeting on July 9th—Attend and voice your opinion on this report—the issues, concern each and everyone. Meeting will start promptly at 8:30 p.m. in the High School.

BLOCK GOVERNORS

Over a year ago a suggestion was presented to the NW Civic Assoc by Joseph McNamara, then membership chairman, asking for the formation of Block Governors, the primary purpose of which would be the distribution of literature prepared by the Civic Assoc, collection of membership dues, and in general to inform the membership on the activities of the Assoc. At a recent meeting a motion was introduced by Mr. McNamara to establish these block governors and the motion was adopted. Prior to its adoption this excellent plan was put to informal use effectively many times on behalf of the Civics, the last occasion being a bulletin on the motorcade to Oyster Bay Town Hall. Our hats are off

to Mr. McNamara for his tireless efforts in getting this adopted by the group.

Remember that each block governor is authorized to collect the annual dues from each member on his block, so make it a point to know who he is, as he will certainly want to know and help you in all matters concerning the community in general. To date there are no block governors on Nevada, Ohio and Princessa Streets, however, volunteer help has been obtained from George McCarthy, Guy Smith and John Larkin all residents of Nevada St. For additional information concerning block governors for the above mentioned areas contact President McCarthy in person at 68 Nevada Street or call after 7 P.M. HI-3-5496-J. Myers, Gardner and Kuhl Ave. are covered. Let's make it a 100% coverage by volunteering your services for Nevada, Ohio and Princessa Streets.

BETWEEN ISSUES we note that the area between Myers and Gardner Ave. at beginning of Nevada is fast becoming a "City Dump" despite the signs installed by the builder warning of any dumping under penalty of law . . . We hear a report that plans are afoot for the construction of homes on the farm land between Myers & Burns Ave. This property will form another section of the 500 home community planned by builder, Jerry Spiegel . . . According to a statement by Henry C. Brengel, Burns Ave. school should be ready for occupancy by Oct. 6, weather permitting the contractors to complete the job . . . "Peeping"

MR. AND MRS. J. AUSTIN

The former Miss Rosalie Gagliardo of Wantagh became the bride of Pfc. James Austin, son of Mr. and Mrs. Sidney Austin of 28 Grove St., Hicksville, recently at St. Ignatius Church, Hicksville. The groom is stationed with the 2nd Marine Division at Camp Lejeune, N. C.

Tom" reported on Gardener Ave. —remember to call the police if any prowlers are seen about your property . . . There is a Squad Car patrolling the area around the clock . . .

. . . And there are indications the Firemen's Labor Day Tournament may take place this year on Burns Ave.

Plainview Country Homes:

Things Happen For Prigge Family

By Rae Cantilli
HI 3-0233 M

By Rae Cantilli Hicksville 3-0233M
By the time this column gets into print the Plainview Civic unity meeting should be a thing of the past. I will have all of the details about the meeting in the next issue.

Things are really happening around the Mr. and Mrs. Prigge household. Their daughter and son-in-law, Mr. and Mrs. Walter Alloy of 1 Collector, La., Levittown, are quite famous people now. They were the first family to take title to the first house in Levittown, Pa. Famous columnists and news photographers have been taking their pictures for the past week.

Mrs. Alloy is staying with her mother at 35 Eldorado Blvd. until the stork arrives.

Mr. and Mrs. Prigge's son, apprentice seaman, Joseph, has completed his basic training and is now aboard the carrier, Shanghaikai at Boston. And to add to the events in the household, the Prigges will celebrate their 35th anniversary on July 11. Congratulations to all.

Val Himberger of Island Street, known professionally as Val Himber and his orchestra, played at the very very ultra Strathmore Vandebilt Country Club Saturday night at a very exclusive ball given by the parents of a few recent graduates from Manhasset.

Congratulations to the Martin Wards of Island St. on the birth of their second daughter.

Bob Gessner of Island St. spent the weekend in Conn. racing stock cars.

NEIGHBOR DOWLING VIEWS NEWS: Builders Could Help On Schools

The other day while standing in a Hicksville bus stop I overheard a serious conversation between two young ladies. From the drift of their talk, I gathered they were mothers of school age youngsters and residents of Plainview.

Both were duly concerned over the school situation in the light of another new builder's announcement that DOWLING he plans to construct approximately two thousand homes in the Plainview community.

"Just where are we going to educate these children?" asked the first mother. "Our present school system can only accommodate so many despite the fact that a new school was opened last year." "I don't know," said the second mother, worriedly, "we definitely need another new school and the sooner the better. On second thought, you'd think the builders

would offer the community some assistance like donating a plot of land for school or something."

Well, mother, you hit the nail right on the educational head. It's high time and long overdue that the builders take upon their broad, well-developed financial shoulders some of the responsibility that presently is placed on the heads of the residents and their elected representatives on the school boards.

Why from a Public Relations standpoint alone, the benefits to a builder displaying a real interest in the community by making an educational offering are invaluable. Certainly, it would go a long way toward selling the houses.

At any rate, mothers, you can rest a little easier in the knowledge that a Building and Grounds Committee has been formed by the Plainview School Board and is presently conducting an extensive research effort for the purpose of projecting the educational requirements of the community for at least a five year period.

At the present time sub-committees consisting of Planning, Finance, Public Relations and Liaison groups are hard at work to analyze the information procured thus far in order to determine what type including size of school is needed in the immediate future.

This column will have more information on the activities, accomplishments and recommendations of the Building and Grounds Committee as the work and plans progress.

THINGS WE JUST LEARNED: that many of the newer residents of Plainview are interested in becoming members of the Plainview Fire Company . . . they can probably procure pertinent information at the firehouse . . . that a local politico in a recent conversation with certain civic leaders expressed his feeling regarding a parking district by saying "the H—L with the commuter" . . . Tch, t'ch very un-politic.

Happy Birthday . . .

GUILD POSTPONES

A meeting of the Priscilla Guild of the Plainview Lutheran Chapel will be held Friday, July 11, at the chapel at 8 p.m. The original meeting was postponed from tomorrow (Friday) because of the holiday.

Junior Olympics was the theme at a Cub Pack meeting held June 27 at the Powell Ave. School yard. There were races, refreshments and prizes.

Awards presented were a Silver Arrow to Stephen Germann, Gold Arrow to Byron Gray and Wolf Badge to Peter Frerk. Pack meetings will be held during July and August but no den. sessions are scheduled.

The Cubs went to Fairway dairy in Hicksville on June 26 and toured the plant. Later they were served chocolate milk and cookies.

A card party will be held tonight (Thursday) by the Catholic Daughters at the VFW clubhouse on Grand Ave., Hicksville, at 8:30 p.m.

MR. AND MRS. GEORGE LEHNHOFF leave St. Ignatius R. C. Church, Hicksville, following their recent marriage. The bride is the former Miss Carolyn Arnone, daughter of Mrs. Anthony Arnone of 377 Broadway, and the late Mr. Arnone. The groom is the son of Mr. and Mrs. William Lehnhoff of 145 Fifth St., Hicksville. (DaSilva Photo).

Miss Rose Sanak Becomes Bride Of Edward Smith; To Live In Ind.

Miss Rose Sanak, daughter of Mr. and Mrs. Michael Sanak of Cedar Swamp Rd., Jericho, became the bride of Edward F. Smith, son of Mr. and Mrs. Edward F. Smith, Sr. of Fall River, Mass., Saturday, June 28. The nuptial Mass. was said at St. Brigid's R. C. Church, Westbury, at 11 a.m.

Given in marriage by her father, the bride wore a gown of Viennese lace fashioned with a mandarin collar and long sleeves. The full skirt was over tulle with an accordion pleated ruffle at the hemline ending in a long train. The fingertip veil fell from a wreath of rose buds. She carried gardenias, sweet peas and baby breath on a white prayer book.

Mrs. Agnes Cummings of N.Y.C. was the maid of honor. She wore a gown of Nile green tulle skirt and a taffeta bodice with inserts of floral lace applique and a taffeta jacket. She wore a picture hat in Nile green and carried a bouquet

of roses. The three bridesmaids were Miss Irene Corde of Pelham, N. Y. in yellow, Mrs. Mary Malon of Hicksville in lavender and Miss Vivian Biondi in blue. Their gowns were similarly styled to the matron of honor and they wore picture hats in matching shades to their gowns. They carried bouquets of roses and delphiniums.

The best man was Arthur Maiden of Mount Vernon, N. Y. The ushers were James Sanak, brother of the bride, Paul Tinagero and John Banson both of Mount Vernon, N. Y.

A reception for the immediate families was held at Wheatley Hills, Westbury.

The couple is honeymooning to Indiana. The groom is stationed at Camp Atterbury with the U.S. Army.

Miss McGunnigle Graduates
Miss Anne McGunnigle of 66 Park Ave., Hicksville, was graduated from St. Dominic's High School, Oyster Bay, Monday, June 23.

She was the guest of honor at a graduation party held Saturday, June 21, at her home. There were 54 guests present. She received many lovely gifts and cards.

Miss McGunnigle is now employed by the New York Telephone Co. in the Hempstead office.

The Sunday School of the Trinity Lutheran Church will hold a picnic Saturday, July 12, in the grove of the church grounds on West Nicholas St., Hicksville, from 9:45 a.m. to 3:30 p.m.

News and Editorial Policy

The SENTINEL has been conceived as a medium for presenting local news and opinion, written and edited by local residents, for the Hicksville area south of Old Country Road now occupied principally by Levitt homes.

The editors have been given a free hand by the Mid-Island Herald in presenting news and making editorial comment on the news and events in their area.

The editors believe in enlightened self-interest, and that self-interest is enlightened only when full factual information is available.

The SENTINEL will endeavor to bring to its readers full information on every question of particular interest to the South-of-the-Old-Country-Road Hicksville area.

The columns of the SENTINEL will be open to free discussion (naturally within reasonable bounds) by all interested readers.

Readers are invited to participate by corresponding with the editors, expressing their views on any phase of our community life, and by providing news items.

Opinion on Levitt-House Matters
By a Levitt-Home Owner

More About Swimming Pools

Tags for the swimming pools were distributed last week at Levittown Hall. Most people willingly donated a dollar to hire guards and establish a pool recreation program.

However, in the meantime, Levitt had picked up the ball and was carrying it. Uniformed guards of the William J. Burns Detective Agency, badges and all, were at the gates when the pools opened on Saturday June 28. The guard at the Levittown Parkway pool said the Agency had been employed by Levitt, "who must have felt that we were needed."

Only tags marked "North Levittown Pools" were being honored. A large number of Levittowners with Hempstead tags were being turned away. Judging from the number being turned away, at least 40 percent of the usage of the pools last year must have been by Levittowners.

Similarly the Hicksville area tags were not being honored at the Levittown pools, although use of the Levittown pools by Hicksville area residents had been held forth as an inducement in furthering the tag program.

Actually, the local residents are better off as matters stand as, during the hot weather last week, some of the Levittown pools had to be temporarily closed until some of the swimmers left when the pools became overcrowded.

Coincidentally with the opening of the pools, new rules and regulations from Levitt and Sons governing the use of the pools were posted and enforced. As a public service, they are reprinted on another part of this page. Their posting, and their enforcement by Levitt-employed guards, cancel out much of the criticism voiced in this column last week. Operation of the pools is now definitely by Levitt and Levitt's responsibility.

Safety conditions at the pools have also been improved. However, it was astounding to see repeated before my very eyes at the Levittown Parkway pool the conditions which are said to have contributed to the recent accidental death at the Slate Lane pool.

At 1:45 P.M. on Saturday, as I talked to the Burns guard, he was relieved for lunch by one of the lifeguards who took his seat at the entrance bench. FOR THE NEXT

20 MINUTES THERE WAS NOT ANOTHER LIFEGUARD WITHIN THE POOL AREA. Then a second lifeguard appeared, shortly thereafter the Burns guard reappeared, and at 2:20, the third lifeguard was seen returning from the Levittown Drugstore.

SUCH CIRCUMSTANCES ARE READY-MADE FOR DISASTER. SWIMMING POOLS ARE VALUABLE ASSETS TO THE COMMUNITY; THEY PROVIDE HEALTHFUL RECREATION, ESPECIALLY FOR CHILDREN. BUT THEY BECOME EXTREME LIABILITIES IF THE CIRCUMSTANCES OF THEIR OPERATION DO NOT PROVIDE CONTINUOUS VIGILANCE AGAINST THEIR INHERENT HAZARDS.

This column will continue to fight for safety at the pools. We cannot have a recurrence of the Slate Lane accident. And my interest is not entirely selfish; my children use the pools also.

Two more comments on pools. Last week the Hempstead Park and Parking District was enlarged to include the Wantagh Levitt residents who certainly were entitled to the free use of the pools, all nine of them according to the Levitt ad that was exhibited at the public hearing. Their use of the pools was opposed by some of their own neighbors in Levitt houses already within the Park District. "The pools will be overcrowded," the neighbors said.

Also, last week, the old red herring about some local people being opposed to our keeping our pools was dragged out. Once and for all, let it be understood and agreed that the sentiment is overwhelmingly in favor of us keeping our pools, even in old-time Hicksville. That was publicly said by numerous Hicksvillites at the Town Board hearing on the "split." The poor old herring is now desiccated and worn and the string by which he has been dragged has repeatedly been replaced. Permanent instrument is in order.

Much of our local bickering has resulted from the ceremonial dragging of such "red herrings." Beginning next week a special box on this page will be devoted to exposing them to the actual facts. Red Herrings do not long survive in the cold light of truth.

Levittowners To Hold Big Festival This Weekend

The first annual Levittown Festival, which opens on Independence Day and continues thru Sunday, July 6, includes a series of events taking place in Hicksville. A Fourth of July fireworks display, announced by Levittown newspapers last week as scheduled at Levittown Hall in Hicksville, was moved back to Levittown when authorities found the scene of festivities is Hicksville. At presstime the Sentinel learned the fireworks would probably be set off near Division Ave. School, Levittown.

Levittowners will march in parade at 11 A.M. on July 4 from the North Village Green in Levittown to Levittown Hall in Hicksville to initiate the Festival.

An extensive program is planned by the Levittowners. Following the parade there will be field games in the afternoon at Abraham Levitt field, and fireworks and a dance in the evening at the Hall. Emphasis will be on the "Spirit of Levittown." The Fourth of July weekend will include a Levittown Pageant, selection of "Levittown's Loveliest Lady," and programs planned by the Levittown Boys Club and the Levittown Youth Commission. Levittown Festival Booths will be operated by various Levittown organizations. A Levittown Festival Booklet will be distributed.

The program advertised as "Levittown's Biggest Community Event of the Year" is under the auspices of the Levittown Hall Council, Levittown Hall, Hicksville, N. Y.

Holy Family Fund At Half-Point

Last week's 95 degree heat was still not hot enough to stop the men and women workers of Holy Family R. C. Parish from their rounds in the current \$25,000 drive to pay off the church land debt. With less than three weeks to go, Chairman William O'Mara announced that the half-way mark had been reached in returns. He praised the distributors who have been giving so much of their time and asked the individual families to continue their cooperation by making early returns of their subscription books.

RULES AND REGULATIONS

1. Presentation of the official identification tag is required for admittance to the pool and must be presented to the attendant upon entering the pool area.
2. No person under ten years of age shall be admitted to the pool area unless accompanied by an adult who shall assume full responsibility for his safe conduct.
3. The following are noted as strictly prohibited at the pool area and shall constitute an act of disorderly conduct; ball playing in any form, dressing or undressing, basket parties and or picnics, bottles, containers, or any glassware, dogs or other animals, solicitation of alms or other contributions, advertising and sale of merchandise.
4. Paper cartons or any type of refuse will not be permitted in the pool. There will be no blankets.
5. Pools open at 10 A.M., will close at dusk.
6. Every person shall conduct himself in an orderly manner and shall endeavor to cause no discomfort or inconvenience to any other person.
7. All persons under 16 years of age will leave the pool each day at 5 P.M.
8. Any person under 10 years of age will not be permitted to use the diving boards or swim in the deep end of the pool without permission of the life guards.
9. No baby carriages or strollers of any type.
10. Bicycles to be placed in racks or parked orderly along fence.

Plans To Reassign School Students

By Craig Walsh

Within the next 30 days letters will be sent to all the parents of school children in the elementary grades of the Hicksville public schools apprising them of the school to which the children will be assigned during the coming year, Dr. Eric H. LeBarron, Superintendent of Schools, announced today.

For several months the School Board and Dr. LeBarron and his staff have been working on dividing the District into sections centered around the new and old schools, making age-number studies and determining where each child will go in September, and later, where each child will go when some of the newer schools will be completed.

"The problem is complicated," said Dr. LeBarron, "and requires tabulation of each age-group and class-group in each section. It is made even more difficult by the fact that all the schools will not be ready at the same time and most will not be ready for occupancy when the term opens in September. The Lee Ave. School with 20 classrooms will definitely be ready," the Dutch Lane School is expected to be ready about the third week in September, and the Old Country Road School a few weeks after that. The Fork Lane Burns Ave. Schools will be ready sometime in November."

The dates given, Dr. LeBarron explained, are based upon normal rate of building progress, and may be advanced or set back, depending upon actual performance.

Assignment of children to the new schools has been studied by marking the location of each child on a large map of Hicksville with a pin. Different colored pins indicate different age-groups. The density of school population in this area is especially heavy. The District has then been tentatively sectioned up around the schools and the number of pupils that will be within walking distance of each school determined.

"We are endeavoring to plan the September assignment and the later reassignment, where necessary, so that it will occur with the least possible dislocation of the education program and with minimum inconvenience to the parents and teachers," said Dr. LeBarron. "So far as practicable, classes formed in the fall, which will be later reassigned to other buildings, will be planned for reassignment as units, teacher and all. Classes ending one week at one school will continue the following week at another school. Readjustment will be necessary to new surroundings only."

The letter which will be sent by Dr. LeBarron will inform the parent of the school and room to which each child shall report on Sept. 3rd, and will contain current information on the expected status of the school program on that date.

Allow Business On Old Country

OYSTER BAY—Property on Old Country Rd., Hicksville, was rezoned from residential to a business section by the Oyster Bay Town Board upon the request of Benjamin Okin. It was announced by Leslie Dishrow, Town Clerk.

The land is located on the north side of Old Country Rd. at Meadowbrook Ave., Hicksville. The zone change was granted with the stipulation that a 50-foot strip along the entire frontage of the proposed new line of Old Country Rd. and also along Hewitt St. be paved; a 25-foot set back along the frontage of Meadowbrook Ave., provision of adequate control of storm water drainage; and that a parking area be dedicated to Township of Oyster Bay. A bond of \$15,000 was also required to insure completion of the work within nine months.

Laws And Order:

New Zoning Ordinance

The new Zoning Ordinance now under consideration by Oyster Bay Town Board will cause considerable annoyance, time loss, and some expense to home owners who plan to enclose their carports or build extensions to their present houses.

The Ordinance "upgrades" the "D" Residential District in which most of the homes in this area are located. Requirements for new construction include wider lots, wider front and side yards, and permit less lot-coverage by buildings. When additions are made to existing buildings, the new requirements will govern.

Comparable requirements of the old and new ordinances are as follows:

	Old	New
LOT		
Width	Minimum 50 feet	Minimum 70 feet
Area	Minimum 5000 sq. ft.	Minimum 7000 sq. ft.
SIDEYARD		
Minimum total width	15 feet	16 ft.
Minimum one yard	8 ft. (5 ft. to att. garage)	8 ft.
FRONT YARD	Minimum 20 feet	Minimum 30 feet
REAR YARD	Minimum 25 feet	Minimum 25 feet
MAXIMUM BLDG. AREA	40% of lot area	20% of lot area
FENCE		Maximum hgt. 3 ft.

The new front and side yard requirements will prove troublesome when extensions are made. On the carport side present sideyards are usually not more than 5 feet wide. Many houses have been built less than 30 feet from the front lot line. Construction within the newly required front and side yard spaces would be illegal unless a variance is secured from the Board of Zoning Appeals. To secure a variance, an application must be filed, a fee paid, and a personal appearance made.

Another important proposed change is to permit "garden apartments" within the "D" Residence District. Many feel that the construction of apartments within an area otherwise restricted to one-family residences would lower the value of existing homes, increase the density of population, and add to the already difficult school population problem.

Recommendations for changes have been submitted to the Town Board and are being considered. No date has been set for actual enactment of the ordinance. It is unlikely that information on changes made will be revealed before the Town Board acts.

GOING AROUND THE LANES:

Social Whirl For Gurgle-Bib Set

By Florence Vrya
Le 9-4497

Now that the little dears are home from school for the summer, I can almost see the difference in the expressions worn by the frizzled mommas whom I meet around the Lanes. If you, perchance, are looking for a place to send your little treasure while you collect your tattered self control you'll find the details on the summer activities program elsewhere in the paper. The Board of education and the Library are offering some interesting small fry activities for the children of Hicksville and since we are lucky enough to live here might as well take advantage of them. If they had a course in discus throwing and four year olds were eligible, mine would be first in line.

Rosemary Sullivan of 58 Tip Top Lane had a gurgle and bib party for Maureen who is just two, and the guests pounded spoons to the tune of "happy birthday." Spoon pounding continued long after the music had stopped. The guests came nattily attired in a variety of garments suitable for the occasion and the heat, all of which covered the minimum for the maximum comfort. Ann Marie Callaghan, Beth Eileen Forman and Joan Cannon who are all in Maureen's age group attended. As the perfect hostess, Maureen varied her guests by including Stevie Wollmer, who is four (older men lend such interest to the party, Cobina). The heat was terrific and mummies, young uns, and ice cream melted at a

great pace. However, the party made everyone forget the heat for a while, the guests enjoyed themselves thoroughly, and the refreshments looked well on the younger set. All joking aside, Rosemary has a lot more energy than I in this weather.

Whenever we pass the bakery shops with the Merry-go round birthday cakes displayed my daughter insists for her next birthday we can dispense with "baked with my own loving hands" kind of stuff and have the baker do the job. Now I'll have to give in because Karen Gold, a school chum of Betty's celebrated her seventh birthday last week complete with the cake in question. Karen had a patio party and Janice Bruden, Susan Sitzer, Stephen Gorenstein, Peggy Ann and Bobby Hearn, Ann and Jeff Parker, Johnny Sweet, and Patty Appleman joined in the fun. Sandy, Karen's brother enjoyed the party and seeing grandma, Mrs. Esther Gold, who came all the way from the Bronx for the occasion. The Gold's live at 89 Cherry Lane.

Have you any pet projects for your vacation? I would love to pack up and travel... but it just won't be possible. Next best thing though is to hear about someone who is really going to it. Kay Bruce of 57 tip top Lane flew to California with her two boys, Bruce 10, and Stanley, 8. Bruce is going to remain in California visiting with his grandparents while Kay and Stanley are flying on to Texas to visit Kay's parents in the Lone Star State. I'd love to see Texas again, and imagine a trip to California thrown in!

Sally Schroedel and I were bemoaning the heat wave the other day, I was limp as unset Jello and I kept saying its age (at this point anyone who doesn't want his name misspelled in print says Oh no). Sally says when she's a grandma she hopes she can do as well as her mother and mother in law. June 26 was Jan's fifth birthday and Mrs. Sylvia Greenbaum came in from Larchmont and Mrs. Mildred Schroedel made the trip over from Dobbs Ferry in spite of the record heat. Sharon and Sandy Walsh, Susan Voelbel, Lynn Gedney and Toddy Schroedel. Jan's younger brother attended the party. Jan is a particularly lucky young lady, because she has a great-grandma, Mrs. Lewis, who helped celebrate the occasion. Sally's sister,

Mrs. Lucy Freeman, made the trip in from Manhattan in all the heat for the party. Neatest idea of the week though, was after all the young fry had gone home, the family drove to Jones Beach and had dinner by the Ocean. That's a wonderful way to cool off it seems to me and everyone did it last week. Now I'll know. Next hot night I stake my claim to third sand dune from the hot dog stand.

This was a busy week for Betty and Bill Statts of 42 Thimble Lane. Of primary importance was the fact that Raymond who is six graduated from kindergarten at Nicholas St. School. Oh but that's a big step for the youngsters... and I'm willing to bet it's because they won't have to listen to that Horrible doggerel on the school bus that begins with "Kindergarten baby"... and all of you youngsters have heard it. George, who is five will start school in September. Mrs. Florence Statts and Mrs. Elizabeth Frantz, the boy's grandma's, came out from Manhattan over the weekend to visit. Pete and Virginia McConville who are friends of long standing came out to spend a few days last week. Bill said they had a marvelous vacation, it caught up on lots of remember-when's and of course the Statts family did a proper press agent job for Hicksville. The McConville's live in Woodhaven.

Marty Carroll of 119 Spindle Road went fishing the other day and what a catch of porgie she brought home! Ethel divided them up and all of Spindle Road in that section had porgie in various shapes and sizes. But for really fine fish dinners Marty tells me he brought home blue fish last trip out. What a dinner they make. We swapped fish stories for quite awhile and of course I didn't forget to tell him of the fine fishing down around Brielle, N. J. He went out from Greenport this time. When I finished my chamber of commerce lecture for Jersey, Marty said they had a visitor from YE Garden State this week end, Miss Marge Anzelone, who lives in JERSEY CITY, Miss Ruth Sorensen came with her but she is a New Yorker and therefore no caps. I think the Carrolls invited Company just to serve them fish because Pat and Bill Bahr of the Bronx were out over the week end. Next time you catch blues, Marty, call me and I'll put it in the column... that's really good luck.

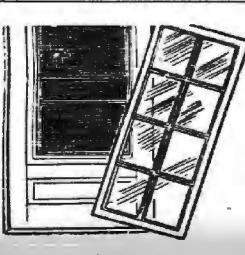

Don't let the heat wear you down gals and call me when you have some news for the column or if you have any suggestions for it. Well not exactly ANY suggestions, those within reason, shall we say?

Hicksville Schools And Library Offer Recreation Programs

by Craig Walsh

A widespread and diversified summer recreation program for the children of the Hicksville area was put into effect on Monday last and will continue until August 21. Dr. Eris H. LeBarron, superintendent of the Hicksville Schools, pointed out that the activities are planned for numerous locations in the area so that they will be available to many in their immediate vicinity.

In this area, a center of activity is the Dutch Lane School. The playground adjacent to the Dutch Lane School will be used for baseball and other outdoor games, and the adjacent Community Church for arts and crafts, drawing, and indoor games.

Available to the eastern section of the area is the indoor program, similar to that at the Community Church, at the Nicholai School.

These activities are from 9 A.M. to 12 noon, Monday through Friday. Children can register for the program at any time during the season.

In addition, there is an early evening program beginning at 6:30 P.M. at the High School athletic field, for the older boys. The Community Softball League, PBC Intermediate League, Basketball, Track League, and Tennis League have begun activities at the field.

The entire program is supervised by Chester Jaworski, Louis Millevolta, Charles W. Anderson and William McNamara are playground supervisors, and Miss Rosemary Sheprow, Miss D. Lorraine Ermenwein and Gordon E. Sissons, Jr. will be in charge of the arts and crafts program.

Hicksville Public Library will have Art and Dramatic Clubs for the older children, and Story-

Hours for the younger, according to Miss Helen Wheeler, Librarian. The time-table follows:

Wednesday, 3 to 4 P.M.—Dramatics Club. For boys and girls 7 through 10. Begins July 9 and continues through August.

Friday 10:30 A.M.—Painting Classes. July 11, 18, 25 and August 1st. For boys and girls 8 through 13. Madame Emmy Lichtwitz-Krasso will instruct. Instruction is free; a charge of \$1 is made for supplies used by the child.

Tuesday, from 3 to 4 P.M. Story-Hour Group. Begins July 8. Every Tuesday through August.

"All of the school and library programs have been extremely successful in the past," Dr. LeBarron said. "We hope for the same good attendance and enthusiasm this year that we have had in the past."

RANCH HOUSE BLUES:

What Makes Water Bills High?

Monthly mortgage payments have been upped and additional escrow amounts requested and the culprits have been said to be taxes, fire insurance, and water bills.

Some of the home owners have been told that their water use has far exceeded the amount allotted in setting up the escrow amount. They have hunted around for an explanation.

The Hicksville water rates are as follows:

Not exceeding 50,000 gallons: 80 cents per thousand gallons.

Exceeding 50,000 gallons but not exceeding 100,000 gals: 25 cents per thousand gallons.

Exceeding 100,000 gallons but not exceeding 2,000,000 gals: 20 cents per thousand gallons. Minimum rate—\$3.00 per quarter.

AVERAGE USE

Water use per family will vary over a wide range. An average will be approximately 150 gallons per person per day for all purposes. For a family of four that would be 600 gallons per day or 18,000 gallons per month, or 216,000 gallons per year. Assuming 200,000 gallons per year, the 20 cent rate would apply, and the charge would be \$40 per year.

This is a fairly liberal allowance and many families will use less.

When the bill exceeds \$10 per person per year, the water consumption warrants careful checking.

Reasonable garden watering will use from 10 to 25 gallons per minute. Two hours watering each day for 30 days would use up from 36,000 to 90,000 gallons. The cost would be from \$7.20 to \$18.00 per year. (You can check your actual consumption by running the hose into a water pail and checking the time required to fill it. The average pail holds 2 gallons).

If your water bills reach astronomical proportions and you do not water your garden excessively and have no visible leaks, then there is likelihood of invisible leaks.

Visible leaks at the rate of 80 visible drops per minute will cause the loss of 128 gallons per month; 200 drops per minute, 387 gallons.

Invisible leaks are more likely to be the cause of water loss. There are two locations where these are commonly found in Levitt houses; at the point of entrance of

the water service accessible back of the refrigerator, and in the boiler pit.

Inspect the water lines back of the refrigerator and under the kitchen sink. Remove the boiler cover and check the heating lines in the pit.

A small leak in the pit may, continue undetected many months. The water flows away into the sandy bottom, and automatic feed into the boiler replaces it. Not only will you be losing water, but the oil consumption will be up. Also, because the water in the heating system is being continuously replaced with new water containing entrained oxygen, the rate of corrosion of the piping is increased. Rust is also carried into the system from the street cast iron pipes and eventually the strainer on the automatic water feed to the boiler clogs up and the needle valve on the feed ceases to function. If it freezes in the open position, the pressure will rise above the 30-pound setting on the relief valve and the relief valve will relieve and discharge into the pit. About that time you will decide that something is wrong with the heating system because the oil burner is sputtering too often and too long and you will call in the service man. For various replacements and repairs, you may be faced with a bill of from \$80 to \$100.

At the 80-pound pressure at which we receive water, a stream of water 1/16" in diameter will discharge 40 gallons of water per hour, about 1000 gallons per day 30,000 gallons per month, 360,000 gallons per year—far more than your annual consumption otherwise. A stream 1/32" in diameter will cause the loss of 10 gallons per hour, 90,000 gallons per year—\$18.00 worth of water.

Water meters are seldom found at fault. They are routine tested each six years. The fastest meter found since 1925 was 7.10 percent fast. Corrosive action of the water has a tendency to slow the action of the meters, not to speed them up.

The Hicksville rates are lower than some of the rates in other

Districts. The charge is made on the basis of the total consumption recorded, and the rate applicable is the rate based on that total amount, i.e. 20 cents for the first 100,000 gals. used, not 30 cents for the first 50,000, and 25 cents for the next 50,000.

While the rates have gone down since 1944, they would have gone down even further if the extension of lines to serve new construction had not been necessary. Seventy percent of the revenue collected in this area is used to reimburse Levitt for the water distribution system he installed, until a total of \$711,000 will have been reimbursed over a period of 20 years.

KINGS' DAUGHTERS MEET
Mrs. Robert Wathey of 49 Aradia La., Hicksville, was hostess at her home for a meeting of the Candlelight Circle of Kings' Daughters last week.

Mrs. Joan Crawford was installed as president during the meeting which will be the last until the fall. Mrs. George Kneurr was installed as vice-president; Mrs. Robert Wathey, secretary; and Mrs. Louis Donato, treasurer.

A cake sale was tentatively planned for August to be held at the home of Mrs. Austin Bowles of 11 Acre La., Hicksville.

Amvets Alley

Robt. C. Ulmer Post 44
25 East Marie St., Hicksville

"OUT OF THE FOXHOLE" . . . STATE-CONVENTION NEWS: The Department had a few surprises when a "dark horse" won the State Commandership. He is an Attorney from New York City, Hank Von Kroge, Jr., Editor of the State newspaper. EMPIRE AMVET was elected 2nd. Vice Commander of New York. is gaining new AMVETS post. New York rates among the top five. Joe Palooka's column was used as a publicity gimmick by a veterans' organization this month to boost its convention . . . AMVETS did it first in 1949 when Palooka "visited" Des Moines as a delegate. Hicksville AMVETS to plan a huge Shield with the names of the post members who are deceased and have it placed on the clubhouse wall. The names of Standard Bearer, Robert O. Ulmer, and Herbert Auer will be on gold plates with the branch of service that they served with.

REUNIONS: 34th. Infantry Div. Assoc. Nicollet Hotel, Minneapolis, Minn. Sept. 12, 13, 14. 12th. Armored Div. Rita-Carlton Hotel, Atlantic City, N. J. August 22-24. 751st. Tank Batt. Hotel Hollenden, Cleveland, Ohio, Sept 26, 27, 28. 699th. A. W.

Signal Co. Vets Memorial Bldg. Detroit, Mich.
DATES TO REMEMBER: July 10th. AMVETS picnic. Due to 4th. of July the next meeting will be held on the 8rd. Friday of July.

MAINLY ABOUT THE AMVETS: Fred Blackley has signed the roster. Commander Johnny Pajolski sporting a new auto . . . a two tone job at that. Louis Mignone among the "missing". Eddie Shea sending the post the Roberts Rules of Order . . . so ends the night. Any member can ask Johnny about Coney Island. During the warm weather the monthly affairs will be discontinued. **DON'T QUOTE ME. BUT . . .** There is a rumbling of some sort that tells me AMVETS will soon form another post. Art Maxey will be elected an officer of Post 10 come next year. That we will soon have more delegates than any two posts combined in Nassau-Suffolk County AMVETS. That National AMVETS convention will be held on the West Coast in 1953.

SORRY TO HEAR: Robert Ulmer, father of our Standard Bearer, is very ill at the Huntington Hospital. NASSAU-SUFFOLK COUNTY COUNCIL . . . will meet the second week in July at Headquarters here in Hicksville. If the Ladies Auxiliary will contact me, we can arrange a date to go to the Veterans' hospital. Well that's all for this week fellow . . . so have a happy holiday.

Taxi Situation Getting Awful

By Benny Lauer
Hicksville 3-2794 J

There ought to be a law here about the awful taxi situation, don't you think? Figure this out if you can. A cab fare from the Hicksville railroad station to the Frank Homes is 50¢. A cab from the Frank Homes is 75¢. Which distance is greater? Maybe our car speedometer is wrong, huh?

Well, while I'm griping about cabs here are a few more gripes. These cabs that go speeding through the development are a menace to our children. Don't forget school is out and there are plenty of kids running in the streets. Also isn't there a way of lowering those horns? No matter what time of the day or night a cab stops to pick up a passenger, the driver puts his hand on the horn and keeps it there until the passenger appears. This sometimes goes on for 10 full minutes and is very annoying. Maybe I'm just getting crabby in my old age but there are many of my neighbors who agree with me (no, not about my crabbiness but about the taxi situation).

Ethel just lost the title of being the "laziest in the world" to me. She is out there washing the car. Hey, Elliott, bring on the simonize! Happy belated wedding anniversary greetings to Mr. and Mrs. Michael Meahan of 10 Cottage Blvd. who celebrated their 14th anniversary on Wednesday. They have six wonderful children, John, Michael, Robert, Jimmy, Geraldine and Joseph.

Ralph Rankin of Lee Ave. is in Minneapolis, Minn., on company business. Doty is sure having a wonderful time with that lawn mower.

Mr. and Mrs. Henry Vares and children, Jeanie and Joan, of Mercury Pl. spent Sunday in Greenport. Henry played in the Levittown Firemen's band which was parading there.

Wouldn't it be nice if we could have some sort of band to represent Hicksville? I know that there is loads of talent around. Any bright ideas on how to start one? Give me a ring.

Ellen Mann of Cottage Blvd. celebrated her sixth birthday Saturday with a trip to Prospect Park Zoo where she had a wonderful time. As an added attraction she ate out at the automat. Aren't birthdays nice, though?

A basement picnic was held Thursday afternoon at the home of Mrs. Agnes Sacco on Lee Ave. Everyone chipped in for refreshments and the total came to a fat \$98 each adult. Children were fed "on the house." Those who participated in this informal affair were: Dottie Rankin, Ginny Vares, Dotty Hawks, Clara Logstead, Gladys Cockran. "On the house" guests were: Butch Rankin, Biggy Sacco, Joan and Jeanne Vares, Robert and Gwen Hawks, Gary and Karen Logstead and Pamela and Lyndia Cockran. Everyone had a lot of fun. So what if the Daddies had to wait for dinner that night. It was too hot to eat anyway.

I've saved the nicest item for last. Mr. and Mrs. Thomas Molyneux of 12 Cottage Blvd. celebrated their 50th golden wedding anniversary Saturday night with a wonderful party at the Alibi Restaurant for 70 friends and relatives. Some of the guests came from Canada and Mass. Among the guests were Mr. Molyneux's brother, George, who was the best man at the wedding and his wife, Janet, who was one of the bridesmaids.

Mrs. Molyneux's sister, Mrs. Whilliamson, who was the maid of honor was also present. The huge anniversary cake was baked by a Scotch baker with the same recipe as the original wedding cake 50 years ago.

The happy couple were married in Aberdeen, Scotland, by the Rev. W. Whilliamson. They have two daughters, Mrs. Ina Frazer and Mrs. Barbara Brown with whom they make their home. They have three grandchildren and one great grandchild.

Mr. Molyneux came to America in 1923. His wife and their two daughters followed in 1925. He worked for the N.Y. Telephone Co. in Brooklyn for 21 years and retired seven years ago at the age of 65.

I spoke to Mrs. Molyneux on Fri-

The Legionnaire

Charles Wagner Post
No. 421, American Legion

Last weekend was a busy one for many at the Post because of the 54th Convention of the Nassau County American Legion in the American Legion Memorial Hall, Valley Stream.

The Convention officially got under way at 9 p.m. on Friday June 27 with the Charles Wagner delegation present and ready for business. Preceding the business of nominating County officers for election on June 28, various awards for the past years performances were made.

During the course of the first evening the assemblage was treated to a very fine talk by National Vice-Commander Thom' as E. Paradine. During his talk, which held everyone's attention, he emphasized the influence of the American Legion on the general public and the responsibility of each and every Legionnaire to see that, that influence was for good and not evil: Vice-Commander Paradine quoted from the Congressional Record a report of a survey by Elms Roper which asked: "Here is a list of some groups and organizations that aren't directly connected with any political party. Are there any of these groups whose ideas you'd expect to be good on candidates running for office?" The American Legion led the entire list exceeding greatly all organizations or combination of organizations with but one exception. The "officials of your church" run a "very close second!"

Another point of interest brought out by Comrade Paradine was the fact that in the face of declining membership in nearly all fraternal and veterans groups the American Legion is running approximately 45,000 ahead of last year in membership. The Legion is still growing.

To get to what everyone attended the convention

for, Gil Chichester the Third Division endorsed candidate and Frank McNichols were nominated for the office of County Commander. On Saturday, by a very small margin Gil Chichester, who received Hicksville seven votes, was elected. But if that sounds simple we suggest you talk with some of our delegates like Bob Beard, Eddie Becker, Fred Brengel, Guy Smith or Jim Carter who will give you the story of one of the hottest conventions ever in Nassau County. The Republicans and Democrats won't have any more action than we did.

Although we won't have any details for you until a little later, Fred Brengel, Rudy Bouse, Walter Barnett, Walter Coane, Jay Jabour, Ernie Gundlach, Jim Carter, Bill Bosch and yours truly have formed a Bazaar Committee. Keep your eyes and ears open for further news. . . . Kings Park plans finally jelling as Jim MacLaughlin made contact with the Archie McCord Post at the convention. . . . Saturday night's Beachcomber Party was a grand "shindig" but the attendance was considerably under expectation. The orchestra was excellent and the "Bumps-a-daisy" was the liveliest dance of the evening. Mr. and Mrs. John Nees, Walter Coane and Ruth Schieting walked off with the costume prizes. . . . Would like to recognize the efforts of Bob Beard, Walter Barnett and Johnny Williams and any others who participated for their fine handling of the clubhouse during the meetings held there Wednesday, Thursday, Friday and Saturday of last week. . . . We have a copy of the Congressional Record mentioned earlier in the column if anyone cares to read it. . . . Al Barlow has big plans for the Picnic on August 10 at Shady Maples so mark that calendar.

Your next project, one that requires the help of every member of the Post is **KINGS PARK—SUNDAY—JULY 13.**

Jewish War Veterans

By WILLIAM OLITSKY

The watch was fully wound and placed in a bank vault. When it will stop, no one knows. Maybe the purchase you make from one of the Hicksville-Plainview Auxiliary Policemen will be the lucky one. Over a \$200 valued television set will be given away. This group of Auxiliary Police is well trained by one of Nassau County's finest, Sgt. Tom Lehmann. Now to function properly, this group needs uniforms. Your dimes, quarters and dollars will help bring this about. If you don't have an auxiliary cop in your vicinity, call Tom Cullen at Hicksville 3-1241 or yours truly at LE 9-8168. We'll be very happy to serve you.

Comdr. Sid Kaplan, Teddy Alper and myself were invited to a group meeting and also present were the Catholic War Veterans of Huntington and

American Legion of Northport. The Huntington JWV Post played host. A program was arranged to provide more visits to the Veterans Hospital at Northport. A donation of three 5-gallon hot and cold urn tanks were made along with an electric coffee percolator to be used by the chaplains for patients. Father Kenny of Guadalupe and Saipan fame also Rabbi Leif of Guadalupe and Oahu are two of the three four chaplains serving at the hospital. The password out on the Islands to the chaplains then was "Hello Joe", maybe it's still the same.

Sam Mezel is hustling around for volunteers to plan a picnic lunch for veterans, members and the kids. All you have to do is bring a lunch for you, yours and a vet.

By TOM CASHEL PAINTING ASBESTOS SHINGLES???

Use Rubber-Coat #320 for best results in painting asbestos siding shingles, cement block or brick. This full rubber-based weathershield combines all of the needed qualities of paints for weather-exposed masonry with firm adhesion and bonding to smooth or rough, new or old, painted or unpainted masonry surfaces. This durable rubber paint has lasting flexibility and very slow aging. Maintains uniform color and repaintability - plus an astonishing stability under excessive sun, alternate heat and cold, rain and weather. Comes in many colors. Johns-Manville and Celotex approve the distinctive properties of Rubber Coat #320.

- Note the features of Rubber-Coat #320 when applied to asbestos cement siding shingles.
- No change in color due to wetness or dampness.
 - Is not affected by lime or alkalis.
 - Prevents blooming.
 - Shuts out moisture absorption.
 - Resists fungus growth.
 - Restores beauty of texture and color.
 - Resists absorption of dirt and stain.

In the case of white asbestos siding shingles we recommend Johns-Manville asbestos shingle cleaner. This material is a bleach for white siding and is a stain-ate to be mixed with water. The surface should be wetted down before scrubbing the surface with the Johns-Manville cleaner. Makes white houses whiter. Mix at one part cleaner to three parts water for bad spots, one to ten for ordinary conditions.

Amperex, IAM Sign Contract

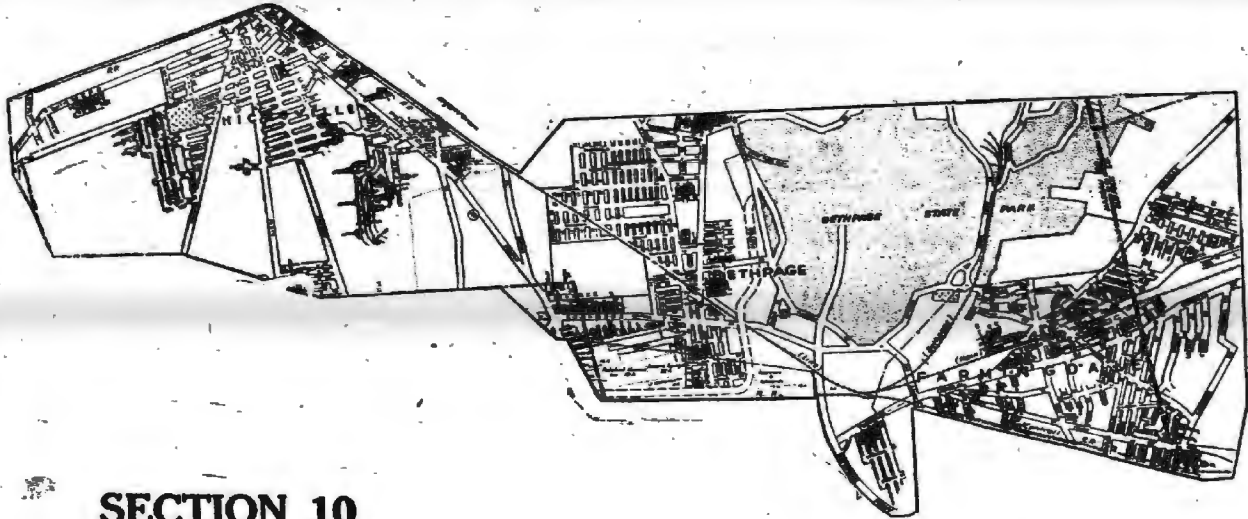

HICKSVILLE — The Amperex Electronic Corp. at 230 Duffy Ave., District No. 15, International Association of Machinists, announced Monday the signing of a new Union Contract providing substantial improvements in wages, vacations and other benefits. Sam Norris, President of Am-

perex, and Edward Stearns, Business Agent of the Union, made the joint announcement of the accord reached after three weeks of intensive negotiations carried on by Martin Wolfert for the Company and Stearns, assisted by a committee of employees for the Union. The contract is the first signed

by IAM with Amperex. For six years the company was under contract with United Electrical Radio and Machine Workers. At an NLRB election held April 7, the workers voted to discard the UE and select IAM as their bargaining agent.

The contract provides for a 10¢ an hour increase across the board.

Natural Gas Is Coming To Your Area

SECTION 10

Hicksville

Bethpage

Farmingdale

JULY

7-8

NATURAL GAS will be turned into the gas mains in the area covered by the above map on the dates shown.

ABOUT TWO WEEKS IN ADVANCE of conversion, easy-to-follow instructions will be mailed to your home. About a week later a letter will be sent you, by first class mail, telling you exactly when you will receive natural gas. It is VERY IMPORTANT THAT YOU READ AND FOLLOW THESE INSTRUCTIONS.

PLEASE MAKE ARRANGEMENTS to have a member of your household at home to admit the adjuster — or leave a key with a neighbor. The adjuster will carry an identification card and will make all adjustments free of charge.

IF FOR ANY REASON you will be unable to arrange for the admission of the adjuster, please notify the company by telephone at the special number shown below. SORRY . . . BUT because of the large number of visits we cannot make appointments for specified times.

IF THE ADJUSTER CANNOT GET IN it will be necessary to shut off the gas outside the building for your protection.

BECAUSE IT TAKES TWO FULL DAYS to complete the changeover of all customers in your district, some will be inconvenienced by having to wait longer than others. Even with our large crews, such a situation is unavoidable; but we assure you everything will be done to hold this inconvenience to a minimum . . . and AT NO TIME WILL YOU BE WITHOUT GAS FOR COOKING.

By HOWARD FINNEGAN

As a follow up to our story here of two weeks ago about Oyster Bay's Bob Coles being overlooked in the balloting for Nassau County's outstanding baseball player, we think it should be noted that the New York World Telegram and Sun designated Coles the "Most Valuable Player in the Metropolitan Area" for the 1952 season.

The selection, which sharply points out the smallness of those North Shore coaches who would not even consider him, officially embraces Nassau, all of New York and Westchester scholastic ball players.

Immediate big prize for the Oyster Bay speedballer, aside from a considerable bargaining weapon in his dealing with major league scouts, is a western swing with the Dodgers, Giants or Yanks.

Even though he was ignored by his own league, Coles' record shown up brilliantly and the impression he made on major league scouts counted heavily in his favor.

The simple and forceful recommendation of his own coach, Dick Crawley, "Run, hit, throw" was the soundest evaluation of his talents.

Bob Heck and Cyril Rumens, centerfielder and catcher on Hicksville High's 1952 baseball club, attended the tryout camp of the Phillies held for three days last week at Mepham High School.

Botto Brothers and Bellmore will face each other in the important Fourth of July afternoon date at Jones Beach. Close to 4,000 are expected to watch the top two teams from last year resume their exacting feud.

Present and former Hicksville residents and players are playing important roles in the Jones Beach softball league.

In the twelve team league, considered to be the best of the County, five Hicksville groupeds performers are starting pitchers.

Bill Bordiuk of course leads the feared Botto contingent and Joe Smith, a former Botto, works masterfully but largely unsupported by the Levittown AA.

Ted Smith toils with Republic Aviation and already has one league title to his credit. George Cheslock starts for Fred Beers and has received considerable praise.

The tireless Jim Barone now handles the mound chore for Tobin Furs and his team lost 1-0 to powerful Floral Park and 3-2 to Levittown in sparkling contests.

Ted Smith has his brother Stan and Merrill Yarotzkey, another famous athletic name from Hicksville, supporting him on Republic.

Herman Rigby and Jim Valentine are with Barone on Tobins.

Thirdbase for Fred Beers is held down by the scrappy Frank McCue of Hicksville.

Between Jones Beach and Rockville Centre, the Hicksville family is tearing each other apart.

For example within two weeks Botto had to go nine innings before Bordiuk could edge Cheslock and Fred Beers 1-0. Soon after Barone defeated Beers with a one-hitter. Levittown and Republic went along for five innings before Stan Smith broke Joe's no-hitter try with a ringing single and in the next frame Joe himself got up and ended Teddy's bid for the hall of fame.

All and all local folks are giving Nassau County quite a show even if it provides fellow players with considerable frustration.

Lights Fail Botto But Not Bordiuk

JONES BEACH—Botto here last week, but a power prevented a real advance by

Bill Bordiuk was pacing the Botto to attempt to get back in contention for first half honors as he set down the league leading Strickland Royals without a hit in the first five frames before the lights failed in the centerfield towers and ended the scoreless game.

Hicksville had gotten three hits off Ollie Johnston of the Royals and had three men reach third-base but could not produce a score.

Beat Levittown Bordiuk was apparently undismayed that he had a possible no-hitter taken from him for Friday night he came back in the same stadium and turned back Levittown 2-0 on just three hits.

His conquest came over Joe Smith, a skilled and determined foe, who relinquished only five hits.

As in his past meetings with Botto, Smith hurled brilliantly but fell victim to one explosive blow that carried him to defeat.

Kiesel Mighty Homer

With the score tied 0-0 in the fourth Ray Halleran singled. Jerry Kiesel then stepped up and nailed one of Smith's change of pace pitches high and far into the left-field sand dunes for a home run.

Both pitchers struck out seven and walked only three.

Sunday afternoon manager Bernie McGunnigle gave Halleran a start on the hill against the supposedly hapless 514Th from Mitchell Field and with a little relief from Bordiuk the move paid.

A heavy schedule for this and the coming week was the reason for attempting to give Bordiuk rest.

The Flyers scored once in the first inning but Hicksville came back with hits by Halleran, Kiesel and Ed Coleman to score four times in the bottom of the inning.

It remained 4-1 until the last inning when Halleran tired and yielded the bases on a single, hit batter and a pass.

Bordiuk was rushed in and got the first two outs before a single pushed over two runs. He then got the third out to win it 4-3.

Bros. scrambled up the ladder in the softball league standings, failure that could not be restored, despite a 90 minute wait, the Black and White.

Costume Parade Set For July 11

HICKSVILLE—The first special event of the Playground Season takes place with the ever popular Costume Parade being held on July 11, a week from Friday. Three playgrounds will feature this special event, including East Nicolai and Parkway Community Church, which is near Dutch Lane School.

320 Students Still In School

HICKSVILLE—A total of 320 students have enrolled for the summer session of classes, it was announced this week by Miss Mabel R. Farley, principal. Classes started Monday and will continue until Aug. 21. Regents exams will be given at the end of the term in regents' credits subjects.

About 50 percent of the students registered are from Hicksville. Other pupils are from Farmingdale, Plainedge, Oyster Bay, Mineola, Northport, Huntington, Westbury, Levittown and several private schools. Most of the students are taking accelerated courses, Mrs. Farley stated.

etc. to East St. School, Nicholai School and Parkway Community Church, which is located near Dutch Lane School. Boys interested in baseball and basket ball should report to the Dutch Lane School, East St. and High School fields.

The evening program is under way with the Community Softball League, the PBC Baseball League, the Basketball League and Tennis matches being played daily. A 16-18 year old baseball team is entered in the Branch Ricker League and a 16-18 team is entered in the Long Beach Basketball League.

Parents interested in the Summer Playground can send their children to the play areas every-day Monday thru Friday from 9 a.m. to 12 noon.

INDEPENDENCE DAY!

The nights we see, fill us with pride. Our thriving towns and rolling hills, our busy streets and mammoth mills are solid proofs that symbolize the value of free enterprise.

With heartfelt thanks, we mark the birth of this, the finest land on earth. The possession of the winning ticket will entitle you to the Grand Prize. Don't discard those gas stubs. You may be holding the stub that means a new tire or battery for your car. The date for drawing the lucky ticket is July 30. In the meantime, continue to gas up and get your stubs at The Broadway Service Station, Your Friendly Texaco Dealer, Broadway and James St., next to Post Office. Tel. H1 3-2634.

Hawks Exhibit Power In Opener

The Second Precinct Junior PBC loop got underway with Hicksville's Hawks establishing themselves as solid contenders for title honors by dropping Oyster Bay's Flyers 41 behind a 1-hit effort by husky Peter Nygren.

Aside from his chores, Nygren tagged a 4-master and two singles for a perfect day at the plate. Tommy Kardulak collected two for three with the stick to further aid the Hawks' cause.

Billy Johnson collected the flyers only hit a tally in the fifth inning but Nygren's 15 strikeouts kept the Baymen pretty well under control.

Royals Drop 4-1 PBC Decision

HICKSVILLE—With the weather at the sweetening point, the Royals and Saints locked horns for the Precinct Intermediate PBC lead and the Saints emerged from the steaming cauldron with a 4-1 nod.

Actually, the Royals played their poorest game of the season and Oyster Bay's Johnny Somero chose this opportunity to hurl his finest effort of the season—two hits both to hard hitting Howie Speedling, Royal's left fielder.

The Royals and Saints meet again Aug. 14 and conceivably the tables could be turned and the sea-

son end in a deadlock.
