Grant Change Over Objections

OYSTER BAY—Property on the east side of Park Ave., Hicksville, has been rezoned from residential to an industrial district by the Oyster Bay Town Board upon the request of the Page Holding Corp., it was announced this week. The site is known as the old Pickleworks property.

Residents of the area from Park, Herman and Waters Aves, protested the zone change at a public hearing held by the Town Board on Aug. 12. A petition from residents asked that the Board deny the zone change as it "would lower the value of the residential property and bring increased traffic and trucks on the quiet, residential streets."

The newly zoned industrial land is on east Park Ave., 850 feet north of the Park Ave and LIRR intersection.

She said the meeting will be held Tuesday night, request for a referendum is expected to be in the Board's hands Dec. 30, in the Board Room of East St. School, and added "a by that time."

Need Bus Funds To Finish Year

HICKSVILLE — The school system needs $50,000 more to meet the cost of pupil transportation for the balance of the fiscal year, it was disclosed today. A special meeting of the district will probably take place in January on the appropriation.

The sum of $50,000 was set aside in the 1952-53 budget for this purpose, but because of increased enrollments in the lower grades, it is now nearly expended. Under the present policy, children in the kindergarten thru third grades who live more than a half mile away are transported daily. Also carried are 4, 5, and 6 graders a mile away and higher grades from 2 miles or more distance.

Christmas Eve Services In Hicksville Churches

A Candlelight service without Holy Communion will be held at 11 P.M. A Christmas Day service for the Sunday School will be held at 9:30 A.M. Christmas morning.

The Holy Trinity Episcopal Church at Old Country Rd. and Jerusalem Ave. will hold a Holy Eucharist service at 11:30 P.M., according to the Rev. David S. Duncombe.

Dear Jean:

Postmaster Wm G. MOLLITOR at Hicksville Post Office reminds everyone that specially designed holders for U. S. Defense Bonds are available free of charge at his office to shoppers who wish to give bonds as Christmas gifts. . . . Among the ladies who provided gallons of hot coffee and tea to the volunteers during the numerous events along Tip Top Lane last week were FRANCIS COLE of 230 Lee Ave and VICTORIA MANOWN of 41 Tip Top Lane. Those who labored in the biting cold were mighty grateful. . . . A local drug store has issued telephone dial attachments which, after everything that has been written and said, advises in case of fire to "Call Operator." The phone number to call in such emergencies is Hicksville 3-0026. The police number is also misleading it should be Syosset 6-0872, but is given as FArmingdale 2-0349. . . . Short wave radio equipment for Hicksville Fire Dept is on order, may be in service in a couple of months. . . . General meeting around Jan. 15 is planned by WILLIAM PAYOSKI for proposed Chamber of Commerce. . . . County Clerk ERNEST FRANCKE, back from his southern vacation, was busy in Mineola on Friday, administering the oath of office to newly elected officials. . . . DAVID WELSH of Farmingdale will be the new town tax receiver, succeeding late FRANK SCHOLL. I believe that will create a vacancy on the Board of Zoning Appeals. . . .

Thursday, Dec. 4, was a pretty important day at Grumman's in Bethpage. On that day a new two-engine anti-submarine airplane was flown for the first time, it was disclosed this week. It is the S2F-1. . . . The Hicksville Kiwanis is distributing 18 Christmas baskets in the community, according to Dr. CHARLES MASEK, project chairman. BOB WALLACE will be corresponding secty of the club next year. . . . ROBERT WATHEY of Arcadia Lane, member of Hicksville Fire Co. 5 and prominent in local civic affairs, was taken to Meadowbrook Hospital, Friday night, when his car was involved in a collision with another vehicle on Old Country Rd near McAllester Ave. LOUIS FALCON of Hawthorne was driver of the other car. BOB is now recovering at his home of mulitiple facial lacerations. . . .

Hicksville Man Directs County Red Cross Appeal

MINEOLA—F. Howard Covey, of Hicksville, has been named campaign chairman of the 1953 Nassau County Red Cross Fund drive, according to an announcement made today by Elisha Dyer, Chairman of Nassau Red Cross.

Covey, who last year was vice-chairman of the county-wide drive, will head the efforts of more than 7,000 volunteers in the 37 branches of Nassau Red Cross to raise the largest fund sought in the annual March membership drive since World War II.

In accepting the chairmanship, Covey stated, "In all my years of volunteer work with Red Cross and my activities date back to 1917, there has never been a more impelling reason for your Red Cross donation than the recently-announced activity Red Cross will perform at the request of the Office of Defense Mobilization in the fight against polio and childen's disease with gamma globulin, a blood derivative. Red Cross is responding nationally at an estimated cost in 1953 of $7,000,000 for equipment, trained personnel and processing facilities to meet the urgent need.

F. HOWARD COVEY

"Coupled with the emergency program is the need for $86,000,000, making a total of $93,000,000, to carry on the disaster relief programs, the Armed Forces services, the Blood program and the myriad of Red Cross activity in nursing, safety service and human welfare.

BRIAR PARK, PLAINVIEW:

Early Resolve for New Year

By ETHEL ROONEY

HIcksville 3-5324

Hello Folks,

I'm a very proud person as I write this—although a bit ashamed at the same time. I've had dozens of inquiries about my missing column and although the inquiries make me feel pleased, I am sorry about having been so lazy. I'm making a very early New Year's Resolution and that is not to miss any more columns.

Jeanne and Rolf Brandt and their family left us before Thanksgiving. They are now living somewhere in Illinois, though no one has their new address yet. Their house was sold to Mr. and Mrs. **Bishop** who moved in with their family on Thanksgiving Day. Welcome to our new neighbors.

My son, **Jimmy**, celebrated his fourth birthday on Nov. 22 at a birthday party. He was joined by his aunt and uncle, Mr. and Mrs. Frank Campeau and cousins, Barbara, Francis, and Donald; also about adozen neighborhood friends. They had a grand time and, believe it or not, so did I.

More news about the **Keeneys**—we're really hogging it this week. We've added a Deep Freeze to our family. It may sound funny to say adding it to the family but just the short time I've got it, it has become a member of the family.

Little Gerry Durean had scarlet fever a couple of weeks ago. Now he is back at school and feeling as fit as a fiddle. He wasn't very sick and poor Mama had her hands full trying to keep him in bed.

Barbara and Norman Riley are proud to announce the arrival of **Peter David.** This darling made his arrival at 4 o'clock on Dec. 15 in Nassau Hospital, Mineola. He weighs 5 lbs 1 oz. Both mother and baby are doing fine — Daddy is still in a daze. Congratulations again!

Belated Congratulations to our own **John Edwards** who is now member-elect of the Plainview Water Commission. John is an Engineer and will be a valuable addition to the Board. He has asked me to also thank you for your confidence in his abilities and also thanks to all those who worked so hard to get his election. The budget for our campaign was very low but the results showed that the people are no longer following blindly but are stopping to check up on the facts before giving their vote to anyone.

I wish you all a Merry, Blessed and Holy Christmas. I hope Santa brings you all your hearts' desires —especially all the little hearts I've been seeing at the toy counters everywhere. However, I hope none of you forget to go to Church on Christmas morning. Primarily, Christmas is Christ's birthday and none of us should forget to visit Him at His house on that day. The only Birthday Present He asks for is your visit with Him for just an hour. That isn't too much, is it? So, I hope I'll see you there Christmas morning.

Board Acts To Halt Land Grab

BY JOHN DOWLING

The Board of Education of Plainview this past week took the first steps toward acquainting the residents of the district with the need for additional land for school sites.

DOWLING

The Board's planning committee held a special session Dec. 17 with the officers of the community's organizations preparatory to calling a district meeting at a later date, according to an official spokesman.

The Board spokesman pointed out that in view of the rapidity with which Plainview acreage is being bought up by builders and their agents "quick steps must be taken before all land suitable for school sites gets into the hands of speculators."

"The first meeting has resulted in a satisfactory exchange of ideas between the Board of Education planning committee, the Board itself and the community's civic leaders. It should do much to eliminate rumors emanating from mis-informed sources," the spokesman concluded.

It is planned to hold a general discussion meeting in the very near future.

BULLETIN: The Board of Education of Plainview, without cost to the district, has taken specific legal steps to prevent builders or land speculators from grabbing a certain parcel of land in Plainview, it was reported today. The action, it was said, will reserve the land for at least 90 days.

PLAINVIEW—The monthly meeting of the Plainview Civic Assoc. Inc. was held Tuesday, Dec. 16. The main topic of the evening was the adoption of a new set of by-laws for the association. Two sets were submitted for discussion, but neither was voted upon.

The question of the unfenced drainage pit at the end of Bentley Rd. in the Knickerbocker Homes area also brought up because of the two tragic accidents, recently in the south east section of Hicksville.

Denier and Gauge

To get the best wear from your nylon stockings, you should know what to look for in denier and guage, say specialists at the New York State College of Home Economics at Cornell.

"Denier" means the weight and thickness of each thread of nylon yarn in stockings. The lower the denier number, the thinner the yarn and the sheerer the stocking. There are six denier numbers: 15, 20, 30, 40, 50, and 70. You should choose your denier number to suit your purpose. The sheer 15, for example, is best for dress-up occasions, 20 or 30 denier is suitable for office wear, and the heavier deniers are good for sports and everyday wear.

measures the fineness or closeness of knitting stitches across the width of a full-fashioned stocking. Guage numbers are 39, 42, 45, 48, 51, 54 and 66. The higher the guage, the closer the knit and the finer the stitches. Since more nylon is used in a high gauge, the stocking should be stronger, last longer, and resist snags.

Miss Sally Homire of 11 Field Ave., Hicksville, appeared with the Allegheny College Singers in a series of Christmas concerts last week. The singers also went caroling at nearby orphanages and in Meadville, Pa.

ALONG WOODBURY ROAD

Scouting May Solve Boredom

By GENE MALJEAN
HI 3-3515

We'd like to start out by wishing all of you a merry Christmas. It certainly looks like everyone has the Yule Spirit what with the gay and religious decorations on display all about us both in the homes and in public places. There is one thing missing so far, however Snow! It would be perfect to have some this week. Perhaps by the time this reaches you Hicksville will be under that white blanket of snow. At present, it seems more like the rainy season.

This week Mrs. Sovereen called my wife and mentioned the fact that the large Christmas tree on her lawn, which I mentioned last week, has been relieved daily and nightly of its light bulbs. It has been necessary for Mr. Sovereen to renew his bulbs daily. Let's speak to the kids folks. It takes the kick out of the season for such useless vandalism.

I don't know what I started when I mentioned a black Cadillac last week. In the event that you didn't read it (for shame!) we reported that someone rode in the area in a Cadillac and is said to have accosted women. I thought I'd pass it on so that he might be noticed again and apprehended. However, there was a sidelight to this story in the form of a telephone call to the Herald, and Mary Haughey passed it on to me. Bob Canter of 47 Pine St. asked Mary to please say something so that his friends will again speak to him. He just recently purchased a black Cadillac and is receiving the ribbing of his life. So if you see Bob, please do not phone the police.

My cousin Bob Maljean and his wife, Marge dropped over on the weekend to inform us he is expecting an heir (or heiress?) He is in the insurance business. Lot's of luck.

May and I have discussed many times the problem of boredom among the children living in Hicksville. It is difficult for them in many ways to find outlets for their pent up energies. At times this desire for expression leads to mischief, as in the case of the disappearing tree bulbs, whereas it could have been sublimated to some good wholesome and pleasureful experience. We have come to the conclusion that the Cub Scouts is one great way of bringing this about in such a manner that every child elegible in Woodbury Gardens, Hicksville Downs, Hillside Terrace, and any other development would be more than happy to join. We came across this notion because of neighbors in the the Hicks Homes phoned us. She is to relay some pertinent information on the idea to me and next week you may expect to see how you can start the boys on a fine way of life. This lady is a den mother for the scouts. I'll bet there are a few potential cub packs right here, just waiting for some interesting affiliation such as this.

Bill Benintendi, president of the North Bethpage Civic Assoc., was telling me of a sublimation measure the people of North Bethpage undertook. There now exists a children's North Bethpage Junior Deputy Sherriffs, ages 7 to 14. Over 14 the children usually become interested in the PBC. Bobby Raby is the captain of the sherriffs, which organization is devoted to stressing civic pride. Before this organization existed — windows were being smashed — and other acts of mischief took place. This display of want of attention was converted to wholesome sport activities and meetings which hold the boy's interest.

The movement is a huge success. I mention all of this just as an idea we might follow some time if it could be adapted to our section. The children must have some activity other than they now have. If there are any readers who have

Woodbury Gardens Civics' Notes:

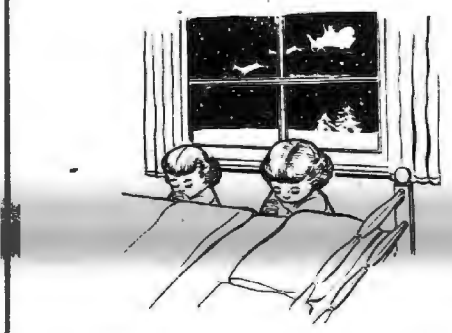
Here are your officers for 1953. Please take a pair of scissors and cut out this section so that you will have a record of the names and addresses of your newly elected representatives. President, Thomas Hogan, 77 Vincent; Vice-president, Albert Rodecker, 43 Crescent; Secretary, Philip McNally, 49 Crescent;; Financial Secretary, Herman Gensinger, 45 Ketcham Road; Treasurer, Lewis Worley, 88 Vincent. Executive Board members: Zone 1: Ruvio, 51 Ketcham Road; Zone 2: Larkin, 41 Fulton; Alessio, 21 Adams; Zone 3: Intiso, 53 Briggs; Zone 4: Kutz, 45 Crescent; Zone 5: Massey, 76 Smith; Zone 6: Warburton, 75 Moeller; Zone 7: Lee, 75 Vincent; Zone 8: Manta, 129 Miller; Zone 9: Ragusea, 18 Ketcham Ave.; Zone 10: Traina, 2 Washington.

Bring your problems, suggestions, and criticisms to these members, but bring your dues to the Financial Secretary. Kindly make checks payable to Woodbury Gardens Civic Association. The dues are three dollars per year. Most of you have already paid something towards your 1953 dues; you have received credit for this. Merely forward the difference. Will those of you who didn't vote please fill out and return the bottom half of your ballot to any officer or Executive Board member?

The new committees were requested by the members. They are the Committee for Civic Improvement and the Committee for Social Activities. The membership of each will be announced shortly.

In exculpation of ourselves for including business notices at this joyous time of the year we can only say that we were constrained to do so. We have tried to be brief. More about the meeting will be printed next week.

Tomorrow is Christmas Day. we hope it will be your merriest ever. We do also hope, on this Eve of Christmas, that all of us find a moment to reflect, a moment to pray for Divine Guidance to reaffirm our faith in God, our love for our families, our confidence in our neighbors, and an eternal optimism.



And may your hopes and prayers be answered too, is the Christmas wish of your friends in the Long Island National Bank.

We have crisp new currency for Christmas giving.

AWARDED BRONZE STAR

Cpl. FRANK J. OLSEN, son of Mr. and Mrs. Lars Olsen of 9 Arthur Ave., Bethpage, has been awarded the Bronze Star Medal for assisting in the evacuation of wounded under enemy fire although wounded himself. The action for which he was cited was on June 16 and 17 near Kumwha, Korea.

At that time he was a Pfc serving as a member of an artillery forward observation party during a company-sized probe. On first contact with the enemy wire communications were broken. Olsen immediately assisted in establishing radio contact and then even though his mission was completed he voluntarily aided the infantrymen in halting what was starting to be disorderly withdrawal.

Later he established a protective flanking position where he remained throughout the remainder of the mission. With the objective reached, the friendly forces withdrew. It was at this time that Olsen, although wounded himself, helped in the evacuation of the more seriously wounded.

HOW'S THIS?

PVT. RICHARD SILL of 2 Bank La., Hicksville, is stationed with the U. S. Army in Fort Eustis, Va., where he is in basic training in a transportation corps. He has been in service since Oct. 27.

Welcome Home for Christmas

Belated Birthday greeting to Betty Condon, formerly of McAlester Ave., Barbara Dieterich of McAlester, Henry Ruas of Nicholai St. and El. Bouhard, also of McAlester.

Happy Birthday to Rosalie Butler of Meade Ave. who celebrated on Dec. 23.

Remember little Carol Pungello of Old Country Rd., who was confined to the hospital? . . . Well, Carol was allowed home for Christmas . . . Isn't that wonderful? . . . We all wish you a Merry Christmas Carol and hope you come home to stay real soon.

Been noticing a lot of black smoke coming from Metalab stacks again . . . Wonder why they can't stop this sort of thing? It's hard on the wash.

Our new Old Country Rd. School is beautiful and there is only one complaint I have to make . . . that is the mud we mothers and the children have to walk through to get to it. Hope they get the walks in soon.

Rose and Bill Gatterdam of McAlester Ave. were blessed with a baby girl on Dec. 17. I believe the bundle from heaven is to be named Judy Ann. Congratulations folks.

Ann Dieterich of McAlester Ave. was recently elected Vice-President of the Women's Auxiliary of the Hicksville Fire Department . . . Lots of Luck in your new post, Ann.

I'd like to Wish all you Folks A Very Merry Christmas and a Happy and Prosperous New Year.

Answer To Nassau Resident

By BUNNY LAUER
Hicksville 3-2794 J

In this day and age does there live among us a man who is completely without sin that he may come forth to judge others? If such a man exists, I for one would like to meet him and I'm sure everyone else would also. By what great power invested in him did he condemn the parents who are torn with grief over the loss of their first born. Pouring salt over their open wound instead of trying to heal them.

This "Nassau Resident" who had the gaul, the bitter meanness is a "man who walks alone" for surely his bitterness is from a closed, cold heart. He did not have the nerve to sign his name so that the world would know him for what he is. Maybe this man should be pittied for his attitude on life.

The poor parents have an empty bed to look at, numerous clothes and perhaps a few scattered toys to fill their empty hearts. The "Nassau Resident" has an unsigned letter in the Dec. 18 issue of the Herald to fill his heart.

We have had so many tragedies in the past few months, for goodness sakes let's avoid the next that is bound to happen. You cannot play with fire without getting burned.

Our teen-agers are placed in constant danger every day walking home in the dark. The street lighting isn't adequate. Some of the streets haven't any light. Not all the streets are paved. They have to pass through empty lots, leaving them an open prey for molesters. Why wait till it is too late? This problem is a simple one to correct with school buses now. The taxpayer would rather pay for busses than for funerals.

NORTH EAST REPORT

Don't Forget Our Carolers

By Judy Wilson
HIcksville 3-1848-W

Christmas shopping has befogged our brain. A New Year's resolution we always make at Christmas is to get our gifts bought early next year. But somehow, like a lot of resolutions it's always "next year."

Home for the holidays from Davis and Elkins College in West Virginia is **John Schachtsiek**, son of Mr. and Mrs. Max Schachtsiek of 29 Libby Ave. John is a predental student at Davis and Elkins, and is delighted to have a rest from a very tough course.

Arleen Keifetz of Regina St., celebrated her fifth birthday on Monday, Dec. 22, and received a most beautiful bicycle. Christmas Day will mark another celebration in the Keifetz household — Muriel and Lee's seventh anniversary — but it will probably get lost in all the Christmas hustle-bustle.

Dot and **Joe Ryan**, with Nancy and Patsy, spent Sunday, Dec. 14, in Tenafly, New Jersey, with friends Mr. and Mrs. William Booth, in their spanking-new split-level house.

On Friday and Saturday, Dec. 19 and 20, the Glen Cove Masquers of Glen Cove High School directed by **Carl Bentley** of Regina St. made high school dramatics history. Their play, "Jenny Kissed Me," featured Jack MacGregor, whom most of you know as Homer's father on the T.V. production. The Aldrich Family. Carl believes this to be the first time in the annals of high school dramatics in this country that a professional guest star has appeared in a high school full-length production. Among the Zelda Parkers present at Friday night's performance were the **Joseph Ryans**.

The Burruses of Boblee Lane are really going a long way to celebrate Christmas. They've departed in a last minute flurry for Texas, where they'll visit Mrs. Burrus' mother over holidays.

Sunday, Dec. 21, was Rickie Chanin's second birthday, and there was a magnificent family party in his honor. Like most two year olds, Rickie was probably just bewildered by this Happy Birthday routine.

Old friends of **Don** and **Dora Collins**, who used to live on Regina Street, will be glad to know that they've bought a new house in Miami, Florida, and will be moving in after January 1.

Last-minute reminder — don't forget the carolers on Christmas Eve. They won't forget you.

Merry Christmas!

other ideas on the subject, let's hear them, as it seems to me that children who lived elsewhere are bored at times in new surroundings. As the twigs are bent . . .

May was quite unhappy that she had to miss Rosalie Leary's get-together last week, but as winter has it — these colds cannot be erased so her name does not appear on the list of girls present: Gladys Blaser, Anne Becker, Eve Roth, Eleanor Carter, Helen Branhan. [illegible] was a grab-bag, which [illegible] belly laugh when Rosalie's [illegible] to the bag — a cake in the form of a Christmas tree [illegible] ed to depict itself clearly enough. Somebody thought it was a green triangle. Others kept turning it one way and another to get the effect.

I met Bill Reach, Rosalie's brother who is staying with the Leary's because he is employed at Republic in Farmingdale. It seems only last week I mentioned his intent to arrive here, misspelling his name most horribly.

I'll probably see most of you in Brooklyn this Christmas at your mothers' and mothers' in-laws. Merry Christmas to you all.

NLHOA Prepares for Close Down Of Hall, Wants to Meet in School

By CRAIG WALSH

Permission to meet in one of the new Hicksville elementary schools is being sought by the North Levittown Home Owners Assoc., according to Marvin Sultan, president, in an announcement at the regular monthly meeting of NLHOA in Levittown Hall, Friday evening. Sultan read a letter he sent to the Hicksville School Board requesting such permission and the school board's reply. Immediate compliance with the request was not possible because NLHOA's by-laws were not submitted as is normally required by the school board. Sultan indicated that the bylaws would be submitted at once.

CLOSE DOWN NEAR

The reason for seeking a new meeting place is that Levitt and Sons have threatened to close Levittown Hall on Dec. 31 if the Town of Hempstead does not accept the responsibility for its operation and maintenance. This is in spite of the fact that the hall is located within the borders of Hicksville in the Town of Oyster Bay.

The meeting was almost two hours late in being called to order because of insufficient members (20) being present to make a quorum until well after 10 o'clock.

Sultan announced several actions taken by the executive committee at its last meeting. He said that the Parks and Parking District Committee was dissolved and its functions are to be taken on by the "Civic Interest Committee" which was formally called the Public Utilities Committee. Edward Healy, recording secretary, was appointed to the post of historian.

FORUM IN JANUARY

The results of negotiations with the South Hicksville Assoc. of Levitt Home Owners for a public forum on the disposition of the two swimming pools and Levittown Hall were announced by Sultan. He said that agreement was reached on the aspects of the problen to be discussed and that the forum would be held in January, although a definite date had not been agreed upon. He also said that it would be held in Levittown Hall despite its threatened closing on Dec. 31.

A highlight of the meeting was repeated criticism by Arthur Szerlip, defeated candidate for NLHOA presidency, of Sultan's administration. Szerlip appeared particularly resentful of the selection of committee chairmen. He charged that operation of the organization was being concentrated within the Executive Committee with little opportunity for other members to be committee chairmen.

Mr. and Mrs. N. B. Harter of [redacted], Hicksville, had their children home for the holidays, Harold Harter from Hamma Divinity School in Springfield, Ohio; Mr. and Mrs. Robert Harter and son, Brian from Springfield, Ohio; Mr. and Mrs. Stephen Hart from Wethersfield, Conn.

The SENTINEL

Were the Parents Negligent?

Parents of both of the children who died in the pit off Tip Top Lane have received letters criticizing them for not keeping adequate watch over the children, and letters to that effect have been published in the press. Those who write the parents must be sadistically inclined; they certainly show poor taste. Surely, the parents should be permitted to bear their loss in peace, regretting, as they must, that for that fatal moment the children were out of sight,—without being reminded of it, without being harassed about it. Besides, there were certain extenuating circumstances which have not been generally publicized.

The site where the pit was dug had been a children's playground, an unofficial one,— available space utilized for that purpose. Even at the time the pit was dug the development had not extended near to it; there was a wide expanse of open ground between the rear yards of the houses and the nearest house of the Jade Homes development. A baseball field had been laid out; it was used for football. The children were in the habit of going to it to play. Habits are not easily broken.

Many parents knew nothing of the pit until the first tragedy occurred.

Control of children at outdoor play is easier prescribed than exercised. Charity, please, and some human kindness and understanding from those prone to criticize. The SENTINEL recalls some of his youthful adventures which could easily have ended in disaster,—and he was carefully watched. Most men will have similar recollections. We were just lucky.

Why Concrete Curbs?

Recommendations of the Neighborhood Committee for concrete curbs have been criticized as unnecessarilly adding to the cost of protection about the sumps. The alternate proposal made by the County Commissioner of Public Works to prevent burrowing under the fences was to extend the fence fabric 2 feet underground, where it would be subject to corrosion.

Fences and sumps are constructed by the developer as part of the developement. Upon acceptable completion they are taken over by the County and maintained by the County at the taxpayers' expense. The cost of construction is therefore part of the cost of the developement and is presumably included in the sale price of the homes; later costs are borne by the taxpayer. Permanent, easily maintained construction is much to be desired.

The additional cost of the concrete curbs will be about $300 to $400 per sump; for the usual developement a dollar or two per house. For that amount the house owner will receive superior protection and the taxpayer freedom from frequent charges for maintenance and replacement.

From all angles the Committee's suggestion was superior. A good deal of face-saving publicity was coupled to its acceptance when its superiority was recognized by the authorities.

The Town Board

Oyster Bay Town Board is still to act to require protection around excavations which are not made for sumps. It is not unusual to excavate, removing sand and gravel for use in concrete, or for fill, along with building operation. These excavations would not be subject to the regulations controlling the construction of sumps. Town Attorney Summers and Assistant Attorney Robert Glasser contend that such excavations "are not made" because permits must be secured for them. As no permits are issued, they are not made.

That assumption is wishful thinking. Much goes on at building operations that the building inspector knows nothing about. The ordinances should at least be revised to require suitable barricades.

Hearing on December 29th

The Nassau County Board of Supervisors will hold a public hearing next Monday night, Dec. 29, at 8 o'clock in the Board of Supervisors Room, Old Country Courthouse, Mineola, on the matter of the

GOING AROUND THE LANES:

Cannot Remain Minority Group

By FLORENCE VRYN
LE 9-6407

The deadline for this column (and the phrase applies to the material this week) is the day after last week's paper reached you, my cherubs. If you can comb the tinsel out of your eyes long enough to figure that phrase out. I haven't done anything but chase in and out of stores so I am in no position to pass on gay yuletide tidbits. In fact the spirit of Christmas prevents me from describing the wild eyed females I have encountered in my Travail (and don't let the printer change it to travel, the word is the only thing I retained of four years of French).

Do you think you can listen to one more rocking chair observation? I've had several calls on the school bus situation and there are many groups interested in bringing the question to a public referendum, so I think we will achieve that, but don't rest on your laurels (prickly things aren't they). It merely illustrates what I have been yelling for the past umpty eight columns . . . if we have a problem, it's the rest of Hicksville we must cooperate with in order to solve it. If every soul in Levittown wanted us to have better school bus transportation it wouldn't get us one inch nearer our goal . . . they don't vote in our district.

The rest of Hicksville shares our problems, on schools, taxes, fire district and so on. If we are going to progress we must do so together. Wouldn't it be unfortunate if by our own actions we deliberately set ourselves up as a minority group within the town? We have seen other communities divided by the "down town and uptown" or the "East and West" crowds, why introduce that sort of thing here? Please let's all remember where our best interests lie, and be intelligently selfish enough to vote to stay where we belong as part of Hicksville.

Merry Christmas to all of you and thanks for all your kind telephone calls. Let me know how you enjoyed the holidays. One last warning, my charmer has had a pair of guns presented to him by a grandfather whom I shall have examined for unsound mind, I would advise a detour around Rising Lane for the next week unless you want to be stopped at point of cap pistol and told to "Hand over the gold". Ah well, it could be worse. Last year he received TWO sets of trap drums.

I still haven't quite overcome a serious doubt that my sister-in-law harbors some unknown grudge. The drums were size eight and one half narrow, I discovered. Nuff said. To quote a poem I can recite by heart at this season, Happy Christmas to all and to all a good-night.

proposed change in regulations made in general conformity with the Committee's recommendations. Your attendance would be helpful.

School Use of Levittown Hall

Richard Geruso, paid Director of Levittown Hall, has questioned the HERALD's presentation of certain facts relating to requests for use of the Hall for school purposes, and has published the correspondence relating to it. That correspondence only serves to fully confirm the statement made regarding the matter in the SENTINEL on Dec. 4 viz.: "When the Hicksville School District asked for its use for kindergarten, the plea was flatly refused. . . . Last summer, when Hicksville School Board asked for part-time use of the Hall for the summer program, the reply was discouraging—use of the Hall might be permitted if the NLHOA were willing to act as intermediary. By the time that stand was reversed, other, more satisfactory arrangements had been made by the Community Church."

Most readers were probably expected to accept Mr. Geruso's statement without reading the correspondence.

Hicksville Schools never utilized the Hall for school or recreational purposes, nor has the NLHOA ever acted on request of the School Board as sponsors for such a program at the Hall, nor has the Hicksville School Board ever requested the NLHOA to act for it in sponsoring such a program.—as stated in the Levittown Eagle. Those statements go beyond misrepresentation. They are downright untruths.

Serving the Community

It will be news to many, but the NLHOA announced at its recent meeting that "The association is now effectively serving the needs and desires of the residents as expressed by them."

NLHOA plans to inform the community that taxation of the farm lands on which our homes were built were adequate advance compensation for our use of the Hicksville schools when we arrived.

Building and maintaining the schools so that they would be available for our use when we arrived seems left out of their calculations. In any case, the reasoning is curious, and the attitude even more so.

Christmas Greetings

The SENTINEL wishes all those who read this column, both those who are pleased and those that are displeased, a Merry Christmas. The column has a specific function, principally to present facts on controversial issues in this area, and especially to counter misrepresentation of the issues. The editors are residents in this area and know the facts first hand; they have no outside-area axe to grind.

Their hope is that, in time, an informed public acting in its own behalf, will demand and achieve peace in this area. It will be a Merrier Christmas for all concerned when that time comes.

Peace, Good Will Toward Men

This week we celebrate the feast of Christmas. Throughout the churches of the land will be read that most beautiful of gospels, the Gospel according to St. Luke. Those words of great significance will be heard again: "And on earth, peace, good will toward men."

"Peace, good will toward men" are lacking in this area of Levitt houses. There is bitterness and strife over "gifts" made by the developer.

Far better that there be no "gifts" than that there should be bitterness and strife over them.

Controversy and strife are not to be forgotten even for this festival season. Instead we are to be reminded of it, stirred, if possible, to partisan action. Our Christmas greeting, purportedly from the Levittown Civic Council, distributed in 20,000 copies at an expense estimated at $5,000, is not to be a cheering wish, a reminder of the birth of a Saviour, an emblazoned PEACE, but a brochure calling upon us to fight the fight prescribed by Willam Levitt. It will not be a tale of gifts to be given —but of gifts to be withdrawn.

It will not be a promise of peace, but a threat of punitive action. Either we accept the dictated terms of William Levitt or the Christmas gift of 1950 from the Levitts—the Hall—will be whisked out of our possession. It will be St. Nicholas in reverse, taking instead of giving.

Surely, in this Christmas season, we should be spared "greetings" of that character. Does the developer have no recognition of the time, or its significance? Has he no respect for the sentiment that dominates this week of the year?

Self-promotion has acceptable limits which have already been far exceeded. Carrying it into this season of the year is inexcusable.

Please, for this week at least, let us forget Levitt Hall, Levitt pools, Levitt ballfields, Levitt playgrounds, and all other things Levitt, and remember only Christmas and the song of the angels:

"Glory to God in the highest, and on earth peace, good will toward men".

Bohack Turkeys Ready for Roaster

Another Bohack "first"—stuffed turkeys and stuffed ducks, ready for roasting. They are now available on order from the meat departments of all Bohack food markets in Brooklyn and Long Island.

These specially selected turkeys and ducks have been expertly cleaned, freed of pin feathers and filled with a delicious blended stuffing of bread, celery, onions, shortening and spices. Bohack says. They are flash-frozen and vacuum-packed in a special "Cry-O-Vac bag, a scientifically developed cellophane wrapping which prevents dehydration, loss of flavor and keeps out foreign odors.

Physical Ed At Lee School

HICKSVILLE — The Lee Ave School students have regularly scheduled physical education classes under the direction of Howard T. Scholefield. Physical Education at Lee Ave school is considered a co-curricula activity and an intrinsic part of its educational program, according to Principal Donald F. Abt. The new gymnasium, the largest and best in the community, provides the basis for an expanded physical education program.

Our playground is still under construction. This has made it necessary to have all physical education classes in the gymnasium. On Fridays the fifth and sixth grade boys use the high school field for fundamentals of football. Lee Ave School gives the kindergarten children their own playground.

It is the aim of the physical education program to give each child in grades one through six the opportunity to express himself in physical activity and to achieve a wholesome healthy body, Abt added.

Ryan's Action Hampers CD

By FRED J. NOETH

FRANK SUTTER, who worked tirelessly for 26 months in the service of the community without thought or hope of financial compensation, has resigned as director of Civil Defense for Hicksville-Plainview. His decision is a loss to the community. His resignation was accepted last Friday night by Cyril Ryan, paid County CD director.

Reports in the daily press to the contrary, Sutter wrote his resignation on Friday, Dec. 5, which was in the hands of Ryan and his aides by the following Monday, Dec. 8. News of the resignation was published in the **Herald** the following Thursday, Dec. 11.

Hopes of adjusting some of the problems and conditions which led to Sutter's decision were killed off by Ryan's shocking and strong-handed action at a "conference" last Friday night, Dec. 19. Sutter had been invited to the meeting in the Township CD office on Broadway, Hicksville, by Ryan's deputy for the township, Salvatore Mazzara. Sutter was asked to bring along the members of his CD committee who had also turned in their identification cards.

Ryan formally accepted Sutter's resignation and gave him a little pat on the head: "that you ask to be relieved is just and fair when your time served is considered." He then turned to the other members of the local CD committee and said "I ask you to embrace this trust as leaders and respected citizens of your community and I ask you to continue in your offices and carry on as real Americans and leaders of your fine community."

In the "discussion" that followed, several problems regarding relations between the local volunteers and the salaried CD organization were raised. When Sutter attempted to offer a comment, he was flatly denied the privilege of speaking. Ryan barked at Sutter: "I've accepted your resignation".

With Sutter denied the right to speak, his former CD committee felt it was useless to continue the discussion. All of us filed out of the meeting.

Ryan said before the discussion got heated that he had asked Henry McGinnis of First St., Hicksville, salaried assitant to Mazzara, to carry on a local director. A press release issued after the fiasco quoted Ryan as saying McGinnes will call a central meeting of all CD volunteers in Hicksville "to discuss their CD problems and to choose a new director."

Why Ryan was unwilling to sincerely talk over the problem at a discussion meeting he set up is not only a mystery but a tragedy. Sutter had pointedly avoided specific issues in his resignation, referring rather to the fact that "under present conditions within the organization I find it impossible to continue".

The conference last Friday might have gone a long ways toward making the path ahead of the new director, when he is appointed, much less difficult.

Speaking for myself, I have resigned as deputy director and I know full well the importance of this program. I feel, however, that some other individual will be better able to cope with some of the difficulties encountered in dealing with upper levels of the CD organization. If I had any doubts about the soundness of my decision to withdraw, they were dispelled Friday night by the poor example of the man employed by the County of Nassau to give leadership, guidance and sound administration.

The Hicksville-Plainview CD unit under Sutter's capable direction became one of the outstanding units in the County Sutter left with almost 900 volunteers enrolled and certified and a balance of about $1,500 in the bank with all bills paid. More than $2,200 was raised by Sutter to finance our local program thru the collection of waste paper. Expenditures were made for essential radio equipment and other emergency gear, telephone charges, printing and postage. In addition, more than $500 was spent for auxiliary policemen gear.

The resignations do not affect the enrolled local volunteers. The unit is now under the capable direction of Ryan's own staff member, McGinnis. We wish him and his committee-to-be-named every success.

We mentioned in this column recently that our Auxiliary was at Northport Veterans Hospital assisting the vets in selecting and wrapping gifts. That may seem like a very simple operation, but even with a total of 174 ladies from Posts throughout Nassau and Suffolk Counties, our better half, who left the house at 8 A.M. to deposit the children with Lillian Urachel (thanks, Lil), didn't return to Hicksville until 7 P.M. In addition to Harriet, those who made the trip were Joan Brengel, Sadie Finger and Rose Becker. It was a long and very rainy day but the gals did a fine job and we're proud of them!

Continuing briefly with the Auxiliary and another good turn by its members—Last Friday night the Legion was host to the 3rd Annual Card Party of the Hicksville Police Boys Club and assisting the sponsors in the running of the biggest and best party to date were Auxiliaries **Catherine Ballinger, Anna Brengel, Helen Wyladyka, Sylvia Gundlach and Nell Osborne.** Nice going ladies!

Gifts for the Yanks, though not yet completed, appears to be heading for a successful conclusion, particularly in view of the fact that the Carpenters and Joiners of America, Local 1772, has again been extremely generous in contributing $300. which will be forwarded in equal amounts to the Christmas Fund and the Sick Going Home Fund. And to those of you who filled the containers we passed through the stands at the Glen Cove—Hicksville Field Club Football Game thanks for the $60 you gave. Come next column, you readers will be given a complete summary of where your dollars went.

Last week we quoted from The Morris, Ill., Herald a statement on what makes up the American Legion. Today let's come East a bit and see what the McKeesport, Pa., News has to say about the value of the Legion. From the News "Patriotism has been the Legions' source of strength—a special type of alert patriotism which holds America as the first responsibility and consideration of the American people. If this nation is saved, the Legion will have had a mighty role in saving it!"

Most of us probably fail to look at the Legion that way. Perhaps because we are too close to our local Post, but it is the strength of the local Posts that create the strength of the American Legion.

CHRISTMAS DEDICATION

To the many little Billys, Peggys and Johnnies and to the many "daddies" I write this Xmas poem. May their little hopes, their little dreams and their little wishes come true until the end of time.

(Dear Santa Claus)

Dear Santa Please dont bring me toys
Nor play set talephone,
I want you now to promise me
To bring my daddy home.

Its been so long since he has gone
I can't recall his face,
I miss him sitting down to lunch
And asking God for grace,

My Mommy feels the way I do
You see she loves him too,
So that is why I thought I'd write
This little note to you.

There seems so much I'd like to say
But you are busy too,
So I will close with loads of love
And kisses all for you.

And when the morning light appears
Beneath the tree with care,
I hope I find my daddy then
Awaiting for us there.

Thanks to the boys from Farmingdale Sanitorium, Mitchel Field, those home on leave from the Army, Navy, Marines and Coast Guards, the many readers of my column for their kind wishes on this day. To the Staff of the Mid Island Herald, the JVW, VFW and Legion Columnist, With all my heart and soul I wish, A greeting bright and clear, May all your hopes and wishes now, Come true throughout the year.

Hair - Breadth Harry

the Sportlight

By HOWARD FINNEGAN

They had a surprising turnout last week when the Alumni played the Senior Class for the benefit of Hicksville High's annual Washington trip.

The gym was just short of capacity and had far more students than a varsity game usually pulls.

Considering the completely new structure of our community, it wasn't expected that players from at least twelve years back would have much interest to the newer students but they came out to see the older boys perform.

Needless to say, the school kids won easily. But the big kick was watching the veterans operate.

It was rusty but every once and a while there was a flash of the smoothness of the earlier days.

Coach E. Parker Yutzler who had coached today's Alumni when he was head man at HHS returned for the game.

Fred Fluckigar and Bill Reimels both appeared to be in the same form they were a dozen years ago and each contributed some sparkling plays from the bucket sector.

The present Hicksville faculty was represented by Alumni Pat Naso and Lou Millevolte.

Joe Leonard of New York City who used to practically run up the wall and always barged out the door in his ardor for the game, chalked up another successful storming of the door leading to the lobby.

John Zulkofske of Jericho and Stonybrook was on leave from Marine service and demonstrated he still can clear a path under the boards.

Lou Kappstatter who was the outstanding scorer for years in the Nassau Amateur League after graduation, found the rung three times but he had more than a little trouble in keeping off the floor.

Merrill Yarotzkey pumped in the best shot of the night with a one hander from the corner.

All the way round, it was a great night but the Alumni had the best time of it when they held a reunion in the Alibi after the contest.

PBC-ing Around

Hicksville Unit of Nassau County Police Boys Clubs

By PAUL GERECH

Our Hicksville lads did not fare so well last week, dropping 4 out of 5 games. However, we have one unbeaten team, the Celtics of the senior league, who are leading the loop in the second precinct division. In their game with the Bethpage Jinks, whom they routed 53 to 13, Charles Vogel again led in led in scoring with 14 pts. aided by Dwinell and Cohn with 12 pts. each. The Hicksville Boosters dropped a hard fought game to the Oyster Bay Vikings 45 to 27. This game was close for three quarters, but in the final quarter the Vikings caught fire and iced the game. Frank Geyer had 9 pts. while Frank Gajewski and Bill Dyckman had 7 pts. each for the Boosters.

All the Hicksville intermediate teams lost. The Saxons lost to the Farmingdale Cubs 71 to 64 in a high scoring contest. Richie Miller with 20 pts. and Ronnie Clay with 16 pts. were high for the Saxons. The Hicksville Hoops were routed by the Oyster Bay Stags 66 to 25. Pete Sikinger with 13 pts. played an outstanding game for the Hoops in a losing cause. The Hicksville Flyers lost to Bethpage Colts 57 to 34. John Geyer with 14 pts. was easily the best individual player on the floor, but lack of teamwork proved the downfall of the Flyers.

In the Junior league, the Buckeyes over ran the Midgets 43 to 27 to establish themselves as the power in the league. Lack of reserves was the reason for the rout as Bob Sakaris and Dickie Lambertson were absent from the line-up. With their presence the game would have been much closer. Chet Nichols with 17 pts. and Pat McGunnigle with 10 pts. were high for the Buckeyes while Bob Stermer with 13 pts. was high for the Midgets. The Gulls defeated the Hawks in a low scoring contest 14 to 7. Wenner had 7 pts. for the Gulls while Anderson, Shrimpe and Whitman had 2 pts. each for the Hawks.

Action will again resume at all schools starting Monday, Jan. 5.

Patrolman Director Bob Reynolds, representing Hicksville PBC, drove the PBC station wagon to help distribute gifts to needy children in Nassau County. The gifts were through the courtesy of the Nassau Women's Club. Many other fine organizations besides the PBC took part in helping to distribute these gifts.

We the sponsors of the Hicksville PBC extend our heartiest wishes for a MERRY CHRISTMAS to all members and their families and to all readers of the Herald.

HICKSVILLE PUBLIC LIBRARY

Meet Two Members of Board

By HELEN WHEELER

HICKSVILLE — Are you usually at home on Tuesday afternoon? Or do you have a radio at your place of business? If so, you will be interested in a series of eight broadcasts over station WHLI each Tuesday afternoon at 2:45 P.M. during January and February. These have been planned by the Radio and TV Committee of the Nassau County Library Assoc. and are designed to tell the residents of Nassau about the many services rendered by their Libraries. Your Librarian is a member of the Committee planning the Feb. 10 broadcast — a discussion of current adult reading entitled "What Are You Reading?"

The Children's Hour on Jan 18th should be of special interest to children of Elementary school age, as well as their parents. On our January 27 program, "Our Teen Agers Talk It Over," high school students will discuss teen age reading programs, and on Feb. 3rd "Today's Librarian Leads a Lively Life" should interest young people in Librarianship as a career. The first broadcast of the series will be on Jan. 6th — a panel discussing the purpose and work of the Nassau County Library Assoc..

Many new members of the Library have expressed an interest in knowing not only their Library, but also becoming better acquainted with its Board of Trustees. So far during 1952, 1,358 persons have become new Library members (Nov. 30.) Accordingly, we asked the President and Vice-President for a little autobiographical information! Mrs. Joseph J. Ulmer is President of the Board of Trustees. She enjoys serving the public and the incentive to keep up with the times which it provides.

"Incidentally, it keeps one young!", she says. Mrs. Ulmer has lived in Hicksville most of her life and in Scotland before that. As an active member of the Trinity Evangelical Lutheran Church and its Choir, as well as being a grandmother, her time is well occupied by other worthwhile activities also. Her hopes for the Library's future include its ability to keep up with the growth of our town.

Roland Heberer is Vice-President of the Board and has also served as a member of its House Committee during his four years as a member. Mr. Heberer is well known in Hicksville: for many years he was Assistant Cashier of the Bank of Hicksville.He is now retired. His other interests include the Hicksville Masonic Lodge, Methodist Episcopal Church, Lions Club, and Choral Society.

FARM AUCTION

HICKSVILLE — An auction of farm equipment at the Lofano farm on South Oyster Bay Rd. (across from the Naval Storage garage at Grumman's will be held Saturday, Dec. 27, at 10 A.M. Trucks, tractors and other farm equipment will be auctioned to highest bidder.

SANTA CALLING

HICKSVILLE — The traditional Christmas eve visit of Santa to every house on Twinlawns Ave, loaded with gifts, will be made under the auspices of the Twinlawns Civic Assoc., according to President Daniel Dunlap.
