

Week in Review

A BRIEF SUMMARY OF the outstanding happenings during the week in this area. A word picture of what developed and what is likely to take place during the coming week.

After a period of inactivity the Hicksville chamber is lifting local organizations and residents to listen to a message from the executive manager of the Long Island association on the world fair, Feb. 28, at high school.

While several gas stations were entered at night during the past month and while the Hicksville license plate was held up this week many of the robbery stories circulating the village today are based on fiction.

Since the state health department made the declaration of dogs in Nassau county have rabies or are likely to get and therefore must be muzzled, the town of Oyster Bay is waiting until the state decides the period of the proclamation's effectiveness is over, says Counsel Charles L. Wood.

Mr. and Mrs. Frederick H. Maidment of Sea Cliff celebrated their 50th wedding anniversary with a reception of 500 guests which included high county, state and national public officials and utility company representatives.

Representatives of seven fire departments will meet at Hicksville tonight to elect a commissioner for the ninth county fire battalion. Harry Gleckler of Hicksville is a strong candidate for the office.

Miss Mary Risher of Oneida and Miss Geraldine Mars of Lowville, both upstate villages, are new teachers at the upstate school in place of Mrs. B. Allen and Mrs. R. H. Hickey who resigned recently.

The interscholastic forum for 16 schools of Nassau and Suffolk counties was held last night at Hicksville high school. The forum was held in the gymnasium.

Dr. A. T. Sanford, principal of Swanbake high school at Floral Park, spoke at the Junior college at a meeting of the Hicksville P. T. A. in East street school last night. Founders Day was observed at the session.

Current Comment

This week's effort is devoted to people you know. Most of them are your neighbors and our readers (no hope).

CK CRAWFORD of Plainview road, Hicksville, would like to have it clearly understood that he is not the same as the one who is supposed to have run down a pedestrian on Old Country road some months ago.

Continue Ban On Town Dogs

Unmuzzled Pooches Will Still Be Picked Up By Dog Warden, Board Reveals

The ban on unmuzzled dogs in the Town of Oyster Bay will continue until the state department of health decides there is no longer any danger of dogs and in the county contracting rabies, in the opinion of Charles I. Wood, town counsel.

Raymond Smith, Oyster Bay real estate agent and vice president of the northshore board of the town board in session Tuesday and requested information concerning the drive on unmuzzled dogs. He asked Councilman Thomas C. Wade, presiding at the session in the absence of Supervisor Harry Tappan, when the ban will be lifted.

He was told there have been three reported cases of dogs with rabies in the township since the state department issued its proclamation, two in Old Brookville and one in Plainview. He was also informed by Councilman Wood that dogs suspected of rabies are not killed immediately as Smith feared but kept under observation for a period of 11 days.

It was announced at the meeting that all members of the board will attend the annual conference of the State Association of Towns to be held in Albany on Wednesday. Highway Superintendent Henry Schrepf will also attend.

Hicksville Youth Out on Bail, Held For Two Robberies

Peter Mruiz, 16, of Burris avenue, Hicksville, is out on \$2,000 bail today awaiting the action of the grand jury. He is charged with 3rd degree burglary. He was arrested Saturday night at 9:40 o'clock at his home by Patrolmen James Linden and Thomas Murphy.

Police believe he is the person who entered Saunsa's Hardware store on Broadway and a gas station on John street, Hicksville two weeks ago and made off with some change in the cash register.

Bandit Gets \$312

Lone Thief Robs Motor Vehicle Office At Hicksville

County police are today continuing their wide-spread search for a lone bandit who held up the clerk in the Hicksville branch of the motor vehicle bureau at the point of a gun and escaped with \$312 Friday night at closing time. The daring break was made at the office on Jerusalem avenue a block from the heart of the business district.

Held Prisoner 40 Minutes George Beatty, 25, the only clerk in the office at the time of the robbery, told police the robber entered the office just as he was about to close. He was held prisoner for about 40 minutes and then locked in a toilet while the thief made his escape, Beatty said.

Questioned by District Attorney Edward J. Neary, Inspector Harold I. King, Detective Lieutenant James Mayforth and Samuel D. Schroeter, chief clerk at the motor vehicle bureau, Beatty told his story.

A few minutes before 5 o'clock, according to Beatty's report, he stepped from behind his counter to prepare to close for the day. A lone customer in the office waved a gun in his face and ordered him behind the counter. The robber told Beatty to stand with his face against the rear wall and then went to the cash drawer. He took \$312 from the upper section of the drawer, but overlooked more than \$700 in a lower section. The thief also left the cash in the cash drawer.

After riding the cash drawer, the robber switched off the electric lights and sat in a chair facing Beatty. He stayed in the office for about 40 minutes and when it began to get dark outside he ordered Beatty into the toilet and placed a chair under the knob of the closed door. Taking Beatty's keys from the counter the robber went out the front door, locking it after him.

When he heard the front door lock, Beatty forced his way out of the toilet and sat in a chair facing Beatty by means of a spare key. He then telephoned to Mr. Schroeter at the Mineola office, who notified the police.

Beatty who has worked in the motor vehicle department for about nine years, described the robber as a full faced man about 22 years old, weighing 140 pounds and about five feet seven inches tall. He was wearing a fedora hat and gray overcoat.

The News plant on Fredericks road and Old Country road yesterday morning. Members of the staff at the Mrs. Matillo plant were considerably elated at the joyful news.

While the two gentlemen did not see the bird, they say the News was clearly a broadcast promising a short winter.

WEIGH the new cars dispassionately in the light of what they offer and the facts stand boldly forth as these:

Buick is the ONLY car on the market today offering the efficiency of valve-in-head straight-eight design—modernized with the phenomenally efficient new DYNALASH principle of combustion.

Buick is the only car your money can buy with the marvel-ride of TORQUE-FREE SPRING—spring of stout, shock-smothering coiled steel that lessens skid-risks, lengthen tire life, actually make the whole car more directable.

Buick is the only car with the safety-security of Unisteel Body by Fisher—plus the blessed quiet and peace of Silent Zone Body Mounting.

Buick is admittedly the best looking car on the market—chosen as such by popular vote with a greater margin over its nearest competitor than any other car enjoys!

Buick's performance is easily the most outstanding on the road—for soaring, thrilling lift and power it doffs its hat to no other car even approaching it in size and comfort.

Such are the facts, and on them you can well decide, "Better buy Buick!"

But they do not end the tale. There are two points dealing with figures still needed to complete the full picture of Buick value:

- Buick is not only the lowest-priced straight-eight of its size on the market
- But Buick actually lists at lower figures than do some sixes!

Check the facts, check the figures. We know where you'll find yourself in the end.

In a Buick dealer's showroom getting the dope on his easy terms!

ORS SHOULD THANK COACH YUTZLER—LUSH STOLE over the gathering of high school students at the weekly assembly in the Hicksville high school gymnasium. The students had just finished giving an order for the high school cheer squad for the Washington parade on Friday night, but Coach Yutzler had had a talk with them in the Eastern Division court race. Coach Yutzler had the spotlight and the students were waiting with mouths for his message. When the voice of the diminutive mentor boomed out, the Alumni basketball team will meet the highly favored Alumet cagers on Friday night (tonight) at the local school gym in a benefit game for the Washington parade fund. The boss and yells which followed brought satisfaction to the little man's ears. The students, who were behind his Orange and Black squad for this season as the resentment shown when he mentored a highly favored Alumet was evident that the underdogs meant but one thing. Tonight's game should be a fine struggle and the game should be more than gratifying and the Senators such to Coach Yutzler for making that remark in the gym hall. I dare say that scarcely a student will miss a word after that statement, and I doubt if Coach Yutzler receives the merry ha-ha when his charges are Alumni outfits as I think they will. You know they say that the Alumni team always let the cagers win, but you won't see nothing brought to play tonight, because the Grads need this game to some of the prestige that they have lost because of low standing in the Amateur League. A little something about tonight's game—Several weeks back I remarked that the present Hicksville high school is the best sport team ever produced by E. Parker. Well, the general of the oldtimers present, that saying Hicksville was represented by stronger clubs in the past and the lone reason why they failed to win any was because the opposition wasn't the soft pick that the present club has and furthermore they had to Westbury twice a year, something that the present club is not doing. Well and good, I admit the present club is not doing as well as the Westbury club, but the Westbury club, but this does not detract from the present club as the best Hicksville high school team ever. Tonight's game may go a long way in settling that question and perhaps the scholars will demonstrate their true worth against the Alumet tonight and put an end to any dissenting voice, against their superiority.

NG FUEL TO THE FIRE—The Alumni players were incensed at the reports given by the Don Boscos A.C. about that delectable scrimmage between the two clubs some weeks ago when the Grimsborough rosters claimed they shellacked the Grads handily, and Grads came around and attempted to put me right that workout. They granted that there was a scrimmage between the two clubs. They admitted or rather confessed the fact that only two regulars, Pete Darmohray and Alex Kishanuk, played and they insisted that it was the Boscos and not the Alumni who was badly man. (Pardon me if I am boring you, but I'm up to a trying to believe one and not the other. Why don't you play each other and then start all this monkeyshine who's who in this town of crackerjack basketball.

INGS—ST. DOMINIC'S Parish club-Mineola fire department game, according to authentic authority, was a great game, according to authentic authority, was together similar to the Hicksville-Westbury high school clash at Westbury. The Saints won 29-27 but it was the Boscos and not the Alumni who was badly man. (Pardon me if I am boring you, but I'm up to a trying to believe one and not the other. Why don't you play each other and then start all this monkeyshine who's who in this town of crackerjack basketball.

OMER... many sort of a lad we thought but after getting a load of the valentine he sent—'To be original he sent her a life-size Stopy pup made of some sort of fuzzy stuff which is okay-odd with the bureau of standards, but did he break down on the verse? Yes man, I started off something like this: 'You'll not send old-fashioning lace, I'll send this pup, to take the place of valentine cards. One in particular I tell, it was from her (Willie Boy by name) a

ALUMNI CAGERS CLASH WITH HIGH SCHOOL

Predict Close Battle Between Two Outfits
A real court thriller is in store for local basketball fans tonight when the Hicksville high school quint clashes with the Alumni cagers at the high school gymnasium. The proceeds of this game will go to Senior Class treasury to be used on the Washington trip in April.
The Orange and Black clad scholastic are out in front in the Eastern division and are headed for Hicksville's initial championship and are out to demonstrate their prestige by tripping the Alumni tonight while the latter club, occupying the center position in the Amateur league, hopes to salvage some glory by tripping the high school five.
Darmohray, a Threat
The high school cagers are concentrating on stopping the scoring duo, Lou Kappattatter and Pete Darmohray, who are well up in the lead in scoring race. Darmohray, of late, has developed into one of the best all-around performers in the circuit while Kappattatter continues to score on his ten points or more a game.
The Alumni will take the floor with Kappattatter and Stock at the forward posts, Darmohray at center and Kerbs and Beard at guard while the Yutzlermen will have McInnis and Reimels up front. Flickinger at center and Kishanuk and Naso in the guard positions.
The preliminary tilt between the two second teams will start at 8 P. M. with an extra attraction, dancing will follow the feature game.
Mysterious Fire Causes \$25 Damage
Damage estimated at \$25 was caused by a fire of undetermined origin at 12:35 Wednesday morning at a building under construction in the village. The structure, located at Railroad avenue and 14th street, is owned by Nick Turino. The Bethpage fire department under the direction of Chief Ernest O'worth responded to the alarm.
Special Services Tuesday Morning For County K. of C.
The Rev. John J. Madden, chaplain of the Freeport council, Knights of Columbus, will conduct a special service for the County K. of C. at the Church of Our Lady of Loretta at Green-wich street, Hempstead, Tuesday at 9:30 A. M. The service will be given by Fr. William J. Koutsky, grand knight of the Hicksville council.

Mineola V.F.W. Tops Boscos

The Don Boscos A. C. of Hicksville dropped their ninth game of the season in an extra game at the Mineola Veterans 21-14 on Monday night at the Mineola high school.
Hampered by the absence of Ed Benke, the Hicksville cagers were unable to get started in the first half, trailing the County Seat cagers 14-5 at the intermission. In the final half the Boscos outscored the ultimate victors but were unable to overcome the Veterans early lead.

Legionette Swamps Girls Quint, 36-6

The worm will turn! It is the one thought that is keeping the girls waiting for the Legionette team. These days, following another one-sided shellacking absorbed by the local lassies last Saturday night when they lost to the Legionettes romped to a 36-6 victory.
The Legionettes dominated the play, holding a 15-4 edge at half time. The Misses McKenna and Harned shared the scoring honors for the winners with 11 points each.
