

**Things, Thoughts and Theories**  
By Martin W. Littleton  
Former District Attorney of Nassau County

**LAST FRIDAY I WAS AT THE DEATH HOUSE** in Sing Sing Prison. I went to see John Reo, who has recovered from an operation to remove three hundred pounds of metal, screws, wire, bolts and nuts from his chest. He stealthily took his bed apart in his death chamber and made the pieces!

Among the many different things the doctor took out of his stomach was a wood screw an inch and a half long like a flat head! He also removed many pieces of a hard rubber hand-ball, with which condemned prisoners are allowed to play in a small enclosed yard during their brief periods. There was some twisted wire, a few pieces of which were more than three inches long. The story is how could a person swallow such stuff, even when he wanted to?

**THE SUCCESS OF THE OPERATIONS WAS A FINE TRIBUTE** to the ability and skill of the Prison Physician, Dr. Sweet. Four weeks after the operation was performed, the patient was up and walking about! He is still handicapped and convalescing, but the worst is over. I was told yesterday that many very difficult and unusual operations are performed in the Sing Sing Prison Hospital, and I can only believe it. They have many very unusual and difficult inmates among the Prison population of more than twenty-five hundred convicts and there is no telling that they will do and how they will do it.

**IF YOU THINK YOU HAVE TROUBLES**, just spend an hour in the Death House, then you will really find out what trouble and worry is!

I had a friend who ran into a lot of trouble. He had his job; he went bankrupt; his wife was desperately ill; he could not get enough food or clothing for his two children; the mortgage was foreclosed and they were thrown out of their home—the whole world had gone to a sudden and abrupt ending for him. He was so worn and out that no amount of encouragement helped him—he was ready to quit!

**I THOUGHT I WOULD TRY TO CURE HIM** with an opium prescription. Without telling him where we were going, I drove him to the Prison! He did not want to go, but I insisted.

We saw three boys—two were twenty, and one nineteen years of age. Their conviction of murder in the first degree had been affirmed, and Executive Clemency had been denied. They were awaiting DEATH and they knew there was no hope.

**HE SPOKE WITH THESE BOYS**, and despite their dire predicament they were cheerful! At first my hand would not approach the bars of their cells,—he was old, and looked at them as if they were some strange animals.—After he heard them talk to me for a while, he grew closer, and I could see his expression of shock and awe give way to one of amazement. "They were human beings and he was just beginning to realize it!"

Soon he was talking to them himself, and as their conversation ran on his interest mounted. He found that they talked with him just like anybody else; they used the same words, the same expressions of speech. They told him of their homes; of their sweethearts. They showed him some of the letters they had received from their mothers and fathers.

He did not complain or cry about their plight. They knew what was going to happen and they were prepared to accept it.

**A FEW WEEKS LATER THEY SAT IN THE ELECTRIC CHAIR**, one after the other. The youngest was last to go. He paused by the chair for a moment and looked squarely at the witnesses: "Gentlemen, I have lived with a smile on my face, and that is the way I am going to die." He spoke.

He set down, and in a few moments was only a corpse.

**WHEN OUR VISIT WITH THESE BOYS WAS OVER**, we stepped out into the clear, cold air of a late fall morning. I did not speak to my friend, but watched him as he went. He was deep in thought; he stood silently by our side, staring into space. I did not interrupt him.

In a few moments he straightened himself up and drew himself out around him. Then he looked at me as if he had just discovered I was alive. He spoke.

"Those poor devils,—and not a squawk out of them! Let 'em take it! And I thought I had troubles. Come on, let's get out of here before I get really depressed!"

**THAT TREATMENT WORKED. HE REALIZED** that nothing could be so bad that it could not be worse. He constructed directions, and put his mind to work to re-establish himself and his family and has been going strong ever since.

He always tells me that he will never forget that day as long as he lives,—and I believe it.

**AT THE MOVIES**

Wonder how many of the boys and girls about town have noticed the new seats in the local theatre. "Yes new seats through-out" boasts the manager, to say nothing of interior improvements in general which is all very fine but if it wouldn't be too bold we would like to suggest a bit of constructive criticism. Now that much care is taken so the patron is made comfy and all that, don't you folks agree a few improvements could be made concerning the pictures shown? Our theory is less hillyboob about what's coming next week and the week after. Two g-o-o-d comedies with a feature nicker and a selector short.

Concentrate all efforts on a good show rather than featuring all sorts of money bites. After all, you really go to the place for entertainment and not to sit on the

edge of the seat punching holes into an innocent piece of cardboard ready to blast the eyes of the one in front of you yelling "Lucky" or what ever the game might be. "I'm trying your truly managed a 'beater' and never hopes to, but we still know what we want to see when going to the moving picture place.

Everything died except the weeds and just to keep his spirit up he is actually cultivating them and hopes to have a bumper crop.

Oh me here we are fresh out of paper so I guess this notice will have to come to an end. See you over The Fence next week, but as we go we'd like to leave this thought—if it weren't for mother-in-laws there would be no

daughters and with no daughters you think what a mess this old world would be—So just try and have at least one kind though of the old battle axe at least one a week!

# From the Sidelines

By BERNARD F. MCGUINNICK

**MOVING ALONG—**  
THREE LOCAL athletic teams are moving along in excellent fashion and one is beginning to wonder if they will not finish on top in their respective circuits.

The track team has compiled the most favorable record to date, as they have taken the Port Washington Invitational and the North Shore Championships by wide margins. A setback by the Chamaine Flyers in the opening dual meet of the campaign is their lone blemish.

The mid-island harriers were the first Hicksville team to win the North Shore trophy and the manner in which they did it Saturday augurs well for the team in the forthcoming County Meet. Aside from several junior events, Hicksville club is probably the best balanced track and field combination in the county with the possible exception of their conquerors, the Flyers.

The senior relay team is smashing records galore and each meet, one has only to look in the summaries to find a new mark posted for the individual meet or track. In the Black, Bordick and Melnes turned in a remarkable performance in the Port meet and even bettered that mark as they compiled a 1:34.8 record-smashing half-mile relay.

It is too bad that the schedule was arranged in such a fashion that the Yutzlermen met the Chamaine runners the opening meet of the year for had they been fixed to meet around now, what a meet that would be. The Mineola schools have swamped all opposition but they would find it an extremely tough nut to crack right now. And the two relay teams battling it out in the 880 yd. event at a work.

Maybe the Nassau County Meet will find some of the stars from both schools hooking up in duels and one or two will miss that championship meet.

**The Spozet Maroons may be sweeping all corners at Summers Field. The Field club continues to stick to their heels as the first round draws nigh on history. The Luchman have doneed Hickville, the Braves and the Spozet in that order to rank atop the heap in the Nassau-Suffolk League, but Hickville, following their 53 defeat at the hands of Spozet, have whipped Bethpage, Farmingdale and Pirvates in that order and rest at a half-game from the leaders.**

**Slut Johnny Hogan has been the big gun for the Black and White with his sensational pitching that has accounted for all three of the Hickville victories. Hogan came through with a masterpiece, a 2-1 performance over the hard hitting Buccaneers. In 27 innings of league pitching, Hogan has allowed but 23 earned runs which is an average of less than 1.80 per nine innings.**

The confidence of the Valenti clan soared tremendously the week when they easily hurled the Pirates despite the fact that Herb Small and Frank Moran. Al Pabins and Jerry Bordick filled in hard style, collecting four hits when they accounted for three runs. Pabins led a steady game behind the plate and although he is a comparison for Herb, he proved that he would be a valuable understudy for the 'Boy' besides making a good batter.

Hickville intends to get past the Braves on Sunday. Johnny Hogan will try to notch his fourth league win in his fifth win of the season at the expense of the Huntington nine. Manager Valenti is anxious to get by the re-negated Indians and then meet the league-leading Maroons in a battle that will determine the van post. That Hicksville's Spozet game on June 5 should smash all existing records for a turnout at the Recreation Field.

**On Monday, Memorial Day, the Field Club battles with the Massapequa AA in what should prove to be an interesting non-league affair. The game is slated for the Hickville field and will start promptly at 3:15.**

It's too bad that Hicksville is little known by the metropolitan newspapers or Merrill Yarotzky would get that most valuable player award and a free trip with the New York Yankees.

Usually a New York city schoolboy wins the award for a Nassau county player get the award and the metropolitan scribbles only hear about or see what this lanky left hander is doing for the Orange and Black. I doubt there will be any hesitancy in selecting him.

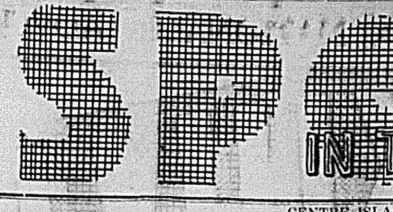

Jack Hart of Woodmere received the award in 1936 and went with the Yankees. Yarotzky has pitched in three league games to date and only has allowed two earned runs and seven scattered hits. That's pitching and besides, he has whiffed an aggregate total of 41 in those 21 innings.

Merrill hasn't a good hitting team behind him and he has but four down all the time as his teammates have only seen him 11 runs to work with in those three games.

**DOES AND ENDS—**  
Frank Delore of the Huntington Pirates was sorely missed by the Bucs on Sunday afternoon as his team's 6-1 to the Field club. . . Delore was receiving a boost from the Bushwick. . . Herb Small is pitching the Field club batters with a mark of 471. . . John Hogan followed with 462. . . Orist Milleville will play shortstop on Sunday afternoon for the first time in many a moon. . . The reason is that Frank Pabins is taking an excursion over the holidays. . . The proposed entry of an all-star softball team into the Jones Beach League went "a-flutter" when it was learned that it seems in that league must be uniformed. . . I saw one game, and the players were not uniformed. Oh, I didn't know that overalls are not called uniforms. . . Will they all looked gray or was it black? . . . By the way Herb Small and Frank Moran are sitting down pretty these days, it looks as if they had played ball instead of taking their third degree in the Knights of Columbus. . . It's a good place to lose weight. That's my consolation. I wonder if anybody get the drift).

I don't like to do this but I guess its customary for a sport scribe to reward his congratulations on certain occasions to his rival editor but here goes. . . Congrats brother Ray (He's the proud father of a bouncing baby boy. (Yeah? I'm going to be a pitcher. Let's hope he isn't like his 'Pop')

## Midgetistics

By GEORGE REINHART

A GREAT DISPLAY of showmanship and sportsmanship combined with the usual display of daring and wild riding made the show at Freeport Stadium last Friday night a most interesting and cordoned among the toppers in midgetistical festivities.

## Hicksville Nine Host to Braves, Massapequa Face Huntington Batmen on Sunday And Massapequa 9 For Holiday

The Field Club will meet to win their fifth and sixth games of the season over the weekend when they meet the Huntington Braves and the Massapequa AA at Recreation Field, Hickville.

The Braves come to town on Sunday afternoon for a Nassau-Suffolk clash while Massapequa will be met on Memorial Day (Monday) in a non-league affair.

The Black and White are riding high at present, just a half-game out of first place, but well and the rejuvenated Indians a tough nut to crack. Sam Moore's nine dropped their first two starts to the Pirates and Sykes but in their last two games they not beaten Bethpage and Farmingdale and are presently tied for third place with the Dalers.

Johnny Hogan, who has four victories against nary a defeat this year, will start against the Braves with Paul Hipp as his likely opponent.

**Mollitor Hurts Monday**  
Charlie Mollitor will attempt to go the route for the first time on Monday against the Massapequa club while Manager Ken Weir has not announced starting hurler.

In the other league games on Sunday, the Maroons of Sykes fought with the Pirates at Farmingdale and the luckless Bethpage nine invades the lair of the Huntington Pirates at Jericho Park.

## Jericho Giants Open With 13-2 Victory

By PETER SASS  
The Jericho Giants opened their baseball season by taking the "Dinkys" Owen's Club to a 13-2 victory in the 13-2. Joe Laszkowski, the ace southpaw of the Giants, hurled a no hit all for five innings. During the last three innings, Owen's men had dented first base.

Stewart took over in the sixth and promptly walked four men to leave one runner on base. Dreyer then lined into a triple killing. Schoukski to Podolski to Sasa.

Players on the Giants were: Schoukski, 1b; P. Owen, 2b; Laszkowski, p; Gurd, c; Podolski, 2b; Sasa, 1b; Grudnik, lf; Abramovitch, rf; and Stewart, cf.

## Fizards Take Over Red Caps 9-0

Contributed  
Due to the excellent pitching of Leonard Smith and perfect teamwork of the undefeatable Wizards, the Fizards were given a recent game at the East street school diamond by their opponents the Red Caps. Score 9-0.

doing so he had to take over some four star pilots like Joe Garson, Doc Shanesbrook, and George Krantz. Mickey Lowack has a home of a new Dreyer Special and looks like bad news for first runners.

Incidentally, this guy Dreyer is building a big-time job for the Indianapolis 500-mile on Memorial Day.

You guys and gals who can't get enough of midget auto racing can catch an earful or two of jingo by twisting your ears to the radio on every Monday and Thursday evenings at 11 p. m. . . George Smith, of Far Rockaway is chucking in an extra 25 simoleans for high point each month. . . The subject of extra coin we might tell you that Gus Gushell took home the \$10 prize for the nearest midget to a crew and a red. . . Nearly numbered. . . Actually kiddy.

## Pirate 9 Falls 6-1 Hogan Pitches Hickville Field Club to Second Place in Loop

The Field Club moved into undisputed possession of second place behind Johnny Hogan's six-hit, 6-1 victory over the Huntington Pirates at the Recreation Field last Sunday afternoon.

Hogan deserved a shout out but an unfortunate error on a double play ball by Frank Pabins permitted Hornbuckle to lead the visitors home tally. Hogan fanned six and four of these whiffs came when the visitors seemed on the verge of scoring.

Al Pabins, filling in for Herb Small, ended the battling hoopers with three bunts, a double, in four trips to the plate. Pabins also caught a steady game for Hogan throughout.

**Satter Fans Eleven**  
Art Satter, erstwhile Fordham veteran hurler, did line up for the Pirates and moved on in great fashion for three innings, setting down six straight Black and White batters under strike. Al Pabins beat out a bunt for the lone hit up till the fourth when the mid-islanders pulled on one of their familiar tricks.

After Orist Milleville had gone down on a fast curve, Valenti hammered a sharp single to right and was followed by Frank Pabins hit to the same spot. Kerbs fanned for the second out but 'Birdy' Bordick delivered his first hit of the year, in line triple to right sending Valenti and Pabins across the plate. Al Pabins dumped a single to left chasing Bordick over and Al completed the scoring for the inning on Hogan's single to center.

**Kerbs Doubles**  
Hickville added two more tallies in the fifth when Glenn Kerbs knocked out a long double with Orist Milleville and Valenti on the board. Orist had previously singled and Valenti had reached on Crews' sacrifice at second.

Huntington tallied their lone count in the sixth on singles by Hornbuckle and Carlson and Leone's grounder which got by

Yarotzky, Hulis Hickville To 5-2 Victory Over Strong  
The Bethpage Polo season opened on Sunday before a large and enthusiastic gathering with the Bethpage team scoring a victory over the Army four.

Yarotzky was in great form again, setting the green and gold line down with three hits, two of which came in the first frame when the visitors scored both of their tallies. Merrill whiffed sixteen times and was never in trouble after the first inning.

Yarotzky bore down all the way remembering what happened to first club between the two schools which was beaten in the third after the Westbury club was leading 5-1.

Harry Schuler and Merrill Yarotzky shared the batting honors for the winners with a brace of an apiece. Merrill drove in the winning run in the fifth inning after Leonard had sent Lehmus across with the winning run.

Dick Papaloid topped the losers with a pair of singles.

of a strong Army four from Governor's Island by the score of 15-11.  
Bethpage team was in receipt of a handicap of two goals which they did not need to bring their victory, as the hard riding of the Bethpage four and the sharp goal shooting of Robinson and Scanlon kept the home team out in front for the greatest part of the game.

The first period opened up with both teams anxious to get the feel of the field which was slow and heavy and made it dangerous as far as sharp turning was concerned and after a few minutes of play, Arthur Kaye scored the first goal of the season on a pass from George Corcoran. Billy Sullivan of the Army four soon put the Army in the scoring column with a fine shot through the south goal. This was followed by another goal at the north end by Willis and before the period ended Capt. Schiller had sent another marker through for the Army tying the score at 2 all.

The second period Kaye put two more through for Bethpage while both Willis and Sullivan scored for the Army leaving the score still deadlocked.

Going into the third period the Army put on a burst of speed and before many minutes had passed Schiller had put through two goals and Phillips was putting the Army four out in front with a three goal deal. Close to the end of the period Shaw Robinson got in one of his fine shots that went through the uprights for another Bethpage score.

The fourth period was a scoring spree for the Bethpage quartet, Shaw Robinson getting two goals and Phillips putting the Army four out in front with a three goal deal. Close to the end of the period Shaw Robinson got in one of his fine shots that went through the uprights for another Bethpage score.

Time of Periods 7½ minutes each.  
Referee: Dr. H. C. Fleming, Ungare W. Maloke.

Scanlon two and a pony goal scored off the mound of George Corcoran, while Sullivan of the Army four was the only one who succeeded to score for the Island team in this period. This put the Bethpage team out in front again by the score of 11 to 9.

During the fifth period, Walter Scanlon again got into the scoring column with two fine goals aided by some team work of Kaye and Robinson. Sullivan once more got a goal for the Army and Scanlon again got into the scoring column with two fine goals aided by some team work of Kaye and Robinson.

The final period was "hard fought and fast riding on both teams turned back by George Corcoran, but a few moments before the close of the game Capt. Schiller sent through a difficult nut that brought prolonged cheers from the Army rosters.

This being the opening game of the season both teams appeared a trifle short of spirit and wisdom of the field handicapped the players considerably.
