**MOISTEN YOUR FINGERS AND PINCH THE CLOTH**

You'll find no trace of stickiness. Sweet-Orr Overalls are not loaded with starch and glue to make them feel heavy. You pay for honest weight, long-thread cloth only when you buy Sweet-Orr. Beware of brittle, harsh, short-thread overall fabrics loaded with starch and glue. That means weight only.

Sweet-Orr "no starch-no glue" Overalls mean W-E-A-R.

Try this Yourself

**HERE'S ANOTHER SIMPLE TEST**

Place the cloth over your mouth and try to blow through it. Notice the remarkable resistance of Sweet-Orr cloth. This proves the tightness of Sweet-Orr weave. And then remember that this remarkable resistance is caused by honest weight long-thread cloth, not starch and glue.

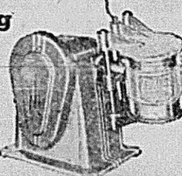

No wonder your good old Sweet-Orrs are still on the job long after two "orphan" overalls have hit the rag bag! If you think a dollar is worth 100 cents let us show you Sweet-Orr Overalls.

## A Brief Meditation

Suggested by the Rev. L. S. Luina, pastor of Holy Trinity Episcopal church, Hicksville.

Read I. John 5:14, 15. And this is the confidence that we have in him, that if we ask anything according to his will, he heareth us. And if we know that he hear us, whatsoever we ask, we know that he will give us the petitions that we desired of him.

THIS PASSAGE represents a nothing very different from the "gimme-gimme" type of prayer. Prayers asked in accordance with God's will are answered, and only those. Our task is then to seek to find out His will for us.

But how? It means, first, pausing to realize the kind of God to whom we turn. David, for example, believed in a God of his people alone, and this God Yahweh would help him in his battles against other tribes and their gods.

Knowing then that God's will was identified with the effecting of David and the Jewish people, David needed only to act, knowing that God was with him.

But the God whose will we seek is a Christ-like God, the God of every race and nation and the God of love. We need to pause and be silent in His presence, to remember who He is. We then can bring into His presence some personal or even national problem and see it and its solution in the light of our Christ-like God, and know that His will would be.

—from Forward Day by Day p. 56

## 'Four Daughters' Starts Tuesday at Huntington

"Four Daughters" to be shown on the screen at the Huntington Theatre, Tuesday, Wednesday, Thursday and Friday is the best of the recent crop—a clean, human, home-own story that is a real gem from the screen. The story is based on the novel by Lillian Helmen, and is directed by Clarence Brown. The cast includes Claude Rains and Mrs. Robson never fail to stand out in any picture, so when we tell you that three other members of the cast outside the dramatic features are Frances Farmer, Frances Mercer, Rita Johnson and Bruce Cabot.

## Movie Quiz Gets Flying Start at Playhouse

The response of patrons of the Hicksville Playhouse in entering the gigantic \$250,000.00 Movie Quiz Contest has been most gratifying. The Movie Quiz Contest has been greatly anticipated, but supplies have been replenished and there is an adequate amount on hand to accommodate all who apply.

There is still time to enter this interesting and enjoyable contest, and if you, who have read about it, have not already entered, we advise you immediately take advantage of the opportunity presented and secure your copy of the Quiz book-let at the Hicksville Playhouse.

The Movie Quiz Contest is simple and easy to follow. It is free of any misleading angles, and aside from the chance each patron has to win one of the cash awards—it gives a further opportunity to win a trip to Hollywood. ## THE BUNGLING HUNTER EXPLAINS

## Looking Forward

By Franklyn Waltman  
Publicity Director, Republican National Committee

**UNABLE TO DEFEND** the breakdown of the economic policies of the Roosevelt Administration, the New Deal spokesmen have commenced loudly to lament that they were in 1936. The Republicans, they say, have no new ideas but must beat the same drums used two years ago.

Why bless their souls, of course, the Republicans in this year's campaign are going to press the same issues as in 1936. Do the New Deal spokesmen believe that the Republicans were insincere two years ago? Do they believe that the Republican platform builders of 1936 had their tongues in their cheeks when they laid down their scathing indictment of the New Deal?

Of course the issues against the New Deal today are the same as they were in 1936. There is, however, this difference in evidence on which the Republican indictment of the New Deal was based has become greater and clearer in the last two years. Whereas two years ago the Republicans predicted that the fallacious policies pursued by the New Deal would end in trouble and disaster, they can today say "we told you so."

**Purge Tactics Prove Charge**  
The Republican contention of 1936 that "the powers of Congress have been usurped by the President's" truer today than two years ago? Has not Mr. Roosevelt by his purge tactics conferred to the charge that he cannot tolerate an independent Congress?

Is not the 1936 Republican contention that "the integrity and authority of the Supreme Court has been fouled" truer today than two years ago? If, indeed, as is not the 1936 Republican contention that "regulated monopoly has displaced free enterprise" a more self-evident truth today than two years ago? Indeed, the belated forth of the New Deal in recent months do something about monopoly constitutes a plea of guilty to the charge that "regulation practices during the first five years of Roosevelt rule."

## Twisting the Dial

with A. L. Simon

ONE OF THE MOST unusual hobbies that has become so popular in this country is that of "twisting the dial." The man who has made his life out of this hobby has a few phonograph records and old wax cylinders, certain voices of famous personalities of the past, and a collection of records of some of the great speakers of the past. He has searched and gathered these things that have been of historical significance.

It was a night of 12 that Mr. Vincent started his search for the voice of the first President. He went to the library, Theodore Roosevelt at the time consented to say a few words into a recording machine which Vincent brought to his office. This has since been amplified by the old Edison gramophone and the voice will soon be heard over the air.

From the Sidelines

By BERNARD F. MCGUNNIGLE

ALL HAMLET is all agog right now over the coming football season which starts promptly Sunday afternoon when the Hicksville Football Club of the lid with the Cedarhurst Giants at the stadium.

More so than ever, 1938 will be a banner year for football in this area. Our humble opinion although not admitted to the present team must be considered. In the questionable teams as Hicksville has a number of new players that must prove their worth in fast competition.

Although I disagree, some advance the opinion that the year was not a true test to Louis Millevolte's coaching, but rather that 1938 will decide whether he is a pilot's skill or not. These persons claim that he had everything last season but perhaps they were not in the fact. This did not dawn those persons in the test as they argued that the ponies would be done too much without the noted "beef-trust" who softened up the opposition by their power-tactics.

"Beef-trust" has gone and now Hicksville boasts that wealth of backs but most of them are quite light in comparison with last year's collection of backfield. If Louisa can come through with a championship this year with only these fast and light runners, then it would be his right to be called a good coach. I'm hoping for Lou's success in '38 but I'm reasonably sure that he'll have another winning club.

Cedarhurst dropped their scheduled match with the Red Sox Dodgers and as the papers put it, it was due to a change in the dates but if you ask me, I think they're trying to avenge that shelling from Hicksville last year and don't wish to take any chances in injuries with the players.

It's all well and good as far as the local team is concerned as they need a strong team at the start of the season to put them on their mettle. And make no mistake about it, Cedarhurst of 1938 is much stronger than last year's outfit.

While on the subject of football, there have been quite a few changes in the coaches on the north shore with every circuit sporting a new mentor save Hicksville, Westbury, Western Front, also, has the same leader, Baumann but he fills in Orist Millevolte's place. It's quite justified in resigning, and most fans are sure that Orist will be back in the lineup with the club, but I think different.

Robyn, a newcomer to the loop, has Sam Barosch as coach, a former Freeport All-Scholastic center. I don't see any real understudy to Forthman's great work. (I read a paper here to copy the All-American name and so I'll have to abbreviate it.) The Mansfield Red Birds have that great defensive back, Kris Krug, and the Yellow Jackets of Locust Valley have a "Mantle" in the team.

Evidently the north shore is out for Hicksville's blood and perhaps they will get it.

The Braves jinx ran smooth on Sunday afternoon when the Hicksville club bowed ingloriously out of the Nassau-Suffolk league fight. Hicksville played terrible and didn't even deserve a look-in on that performance. The Braves are in as far as the playoffs are concerned although I am not sure that they are not protesting that 11-5 victory of Hicksville which was scored some seven weeks back when they Moroske first donned the catching paraphernalia. If the Pirates win that protest, it will throw the standings into an awful turmoil and Sposset will be either the Bucs or the Indians in the playoffs.

Fans are being laid for the 1939 diamond season as the Nassau Semi-Pro league begins to spread its wings. The top is seeking to form a Northern loop and that it looks quite promising. Hicksville has been touched but as yet no definite answer has been given by the Field Club players.

MISS LUCIA SARLI, in her bouquets are in order for Miss Lucia Sarli, recently won the Women's Singles in the 1938 tennis club tournament. Miss Sarli was superbly assisted by such stellar performers as Grace Hartmaier, Helen Sarli and Ruth Anderson. Congratulations are also in order for Bob Lindeman and "Dutch" Wandell for their victories in the Men's and Junior's Singles. Play has commenced in the Men's Doubles and the Mixed Doubles but more about that next week.

LUCIA SARLI UPSETS TENNIS FAVORITES

Miss Lucia Sarli salvaged all the glory from the 1938 tennis club tournament sponsored by the Nassau Tennis Club. Sarli defeated last Sunday afternoon when Miss Sarli, Bob Lindeman and "Dutch" Wandell swept the final with straight sets. Sarli's road to the title was strewn with plenty of obstacles in the personages of the men and players of Hicksville. Sarli still came through three matches without the aid of a set.

The Summary: Junior Singles: Grace Hartmaier in her first match and in the semi-final she routed Helen Sarli and Ruth Anderson. Senior Singles: Miss Ruth Anderson defeated Miss Mra. Sarli, 6-3, 6-1; Miss Lucia Sarli defeated Miss Kathryn Sarli, 6-2, 6-1. Men's Singles: Lindeman romped off with Men's title at Elmyr Bean did make him in their semi-final match taking the first set, 6-0. Lindeman found Bean a tough nut in the second set and won out 9-7. George Hart proved an easy victim in the final, bowing 6-4, 6-1.

Huntington Braves Crush Hicksville

Playoff Hopes Dim as Indians Score 10 Runs in Fourth Inning To Win 17-11 Over Local Players

Ten runs, after two were out in the fourth frame, scored by the Huntington Braves pushed the Field Club out of the Nassau-Suffolk playoffs as the locals bowed Sunday to the Braves by a 17-11 count.

Until the fatal fourth, the Mid-Islanders looked like certain winners, holding a 7-3 edge and the never-say-die Braves rose up and scalped the Hicksville club aptly. Four hits, seven bases on balls and two errors sum up in short the home club's big rally. Hutnick's four bagger with the bases crowded being the real playoff blow of the inning.

Hicksville sent Colby Jones to the shower in the fourth although the usual steady southpaw allowed but three hits. Seven walks were given up by Jones and four of these men later scored. Jones was relieved by Bill Moon who retired the Hicksville club in the fourth.

The Braves had led 3-0 until the third when the Valentines scored three in that inning and four men in the fourth to lead what everyone thought was a substantial lead, but in the last half of the fourth, the Braves moved out to a 12-7 lead.

Move Up Slowly Hicksville stayed right in the ball game, creeping up on the leaders as they routed Moon in the sixth with three runs to make it 15-11. Dusenberry, the third Brave hurler, stopped the visitors with nary a run although Frank Inning found him in trouble. Fred Phillips, who relieved "Yock" in the fourth, pitched creditable ball for the losers giving out but three hits in four and one-third innings.

Ray Moon led all the batters with four hits in six trips to the plate. Gardner of the Braves opened a sure home run drive in left field off the bat of "Buddy" Bordick in the fourth. Lynbrook Alumni Wins Over Bellmore

Lynbrook's Alumni nine balanced its position in the Nassau semi-pro league standing by a 2-1 win over Bellmore today with a 8-4 win over Bellmore. The Alumni led 1-0 to rank with four wins and four defeats in a tie for fifth place.

After leading throughout the five-game Bellmore, Lynbrook faltered in the final frame when the Graduates hung up five markers to Lynbrook through to an unexpected triumph. Dusenberry got two out of four to save the Lynbrook cause, while Ketterman, Cliff Jager and Lowe did likewise for Bellmore. The tide likewise for Bellmore. The blow from the offerings of Vic Pauly Ketterman allowed Lynbrook six hits.

Always Tangle

Joe Garson in No. 12 and Johnny Peterson (above) got tangled up during a main event at Roosevelt Raceway, as pitmen and stogers rush to the rescue. Joe and Johnny are always battling it out in the feature events at Roosevelt when the points are handed out for the track rating and the biggest part of the purse goes to the winners. Bill Scarline is in car No. 9 which can be seen over to the left of the group. This "group" picture was snapped after a spin down at the east end of the dustless oval. No one was injured, but Garson, Peterson and Scarline lost their positions in the event.

40 Report For Gridiron Workout

More than 40 candidates reported to Coach E. Parker Yalzer for the opening grid workout last Friday afternoon at the local high school field. The vast majority of the candidates have had little or no experience and the mid-Island mentor is viewing the coming campaign which starts with Baldwin with his bright aspects. Sammy Engstrom, the outstanding back on the squad will undoubtedly be the mainstay of the eleven with the Oyster Bay All Stars when the opening grid workout of the season is held at the local high school field.

Softball Stars Play Baymen Next Sunday

The Hicksville A-B Star Softball Team will seek to avenge that 13-10 setback handed to them two weeks ago by the Oyster Bay All Stars when the two outfits meet on Sunday morning at the local high school field. Manager Harry Glickler of the local contingent stated that he would start his best team and keep them in there if necessary as a victory over the rocky Baymen is an achievement worth accomplishing. Both Freddie Miller and Art Fricke will be on hand with the former as the likely starter. Riky Petrosica, the winning hurler of the last fray, will probably lose the rubber for the north shore '38.

EXCITING MATCH

In one of the most exciting tennis matches seen on the Nassau Shore in years, Victor Miller of Hicksville and John Feron of Westbury Park came from behind to defeat Harry Paol of Lynville and R. W. Scott of Locust Valley and win the final in the doubles play for the Locust Valley Championship on Saturday afternoon at the Locust Valley Club by 7-5, 6-3.

Negro Team Is Invincible; Hawks Decide

Having convinced themselves that the Brooklyn Royal Colored Giants are invincible, the Night Hawks will attempt to prove that the Negro club can be beaten just as Southlander this Sunday when they clash at Barton's Stadium, New Hyde Park. Their first game starts at 2 p. m. The Hawks beat the Royals two weeks ago at Southview. Eddie Zitek broomed through with a four-hit mound performance and will be out to clinch the season's series Sunday with a double triumph. The Night Hawks' reliance in these games will be placed on Zitek, and other Wally Holbrook or Eddie Barratta. Zitek, who has an erratic but brilliant record this season, will start the first game, while Steve Ananias and Bill Meyer will split the catching duties. Featuring Shevost Thomas, colorful first baseman, the Royals will bring a much strengthened combination to Barton's Stadium this week and the fans are assured plenty of action, but the Hawks are hitting hard and there is a good chance that they can execute their double coup. Meyer, Ananias and Capek are the three leading hitters on the team, though Mobby and Rodda have come up fast and are expected to pace the attack against the Negro visitors.

Caddy Honor Won This Week By Herbert

John Herbert of East Farmingdale, won the 1938 Caddy Tournament at Bethpage State Park this week with a low gross score of 155 for 36 holes, having scored an 80 on the first 18 holes and a 75 on the second round. Louis Baruffini and Eugene Galgo took first and second places respectively in the Class "A" Caddies Handicap Tournament. Felix Trifari and Bruno Graver took first and second in the Class "B" Caddies Handicap Tournament, and William Burke and Cesar Roscigno won first and second honors in Class "C".

Tennis Contest Starts Sept. 24 At Hempstead

Under the auspices of the Long Island State Park commission, the Tenth Annual Nassau County Inter-school Tennis Championship will be held at the Tennis courts in Hempstead Lake State Park. As in the past years, there will be local amateur tournaments for men and high school boys, one for senior high school girls and one for junior high school boys. The regular tournaments are open to boys and girls attending public or private high schools in Nassau County and the junior tournament is open to boys in the first school or in the last two years of a Nassau County elementary school.

Seaford Battles Lincolns to 3-2

The Lincolns held down second place today in the Nassau semi-pro league standings and are aiming to challenge Mineola for the title in the final weekend next week. A stubborn Seaford team battled through nine innings Sunday on the strength of two early runs but the Home Bats finally broke through and produced a single tally in the ninth to take the contest by a close, 3-2 score.

Many New Faces in Local Team Lineup For Opener

King Football takes over the spotlight on Sunday afternoon when the Hicksville Football club ushers in the 1938 season when they tackle the powerful Cedarhurst Giants at the high school field. Cedarhurst fell easily last year by a 38-8 score but under the guidance of Whelan, former Manhattan star, the Giants are hoping to regain their ranking among the top clubs of the county.

Pond Scene Of Regattas For Yachts

The sailboat pond at Hempstead Lake State Park, the scene of many interesting regattas for children and adults throughout the summer, will be the setting for a new type of competition staged as one of the activities scheduled for these days. All owners of ship models are invited to display them at this exhibition. Trophies have been provided for the first, second and third best models in each of the two classes into which the competition has been divided. Class A will include all boats constructed entirely by the owners and Class B all other ship models. Ship model owners are requested to enter their boats by mailing a card giving name and address of owner, class the boat is to be entered in and type of model to the Recreation Director, Long Island State Park Commission, Babylon. Further information and directions will be sent to all those entering their boats on or before the closing day for entries, Thursday, September 22.

### Nassau Health Department of Health

**Accidental Death**  
In the past six years, 12,201 deaths have occurred in Nassau County. Of this number, nearly 2,000 were charged to accidents, or more than 7.5 per cent.

**Accidental Deaths**  
There were 545 deaths due to automobile accidents: 1937, 79; 1936, 76; 1935, 83; 1934, 95; 1933, 92; and 1932, 109. Four types of automobile accidents are responsible for more than 90 per cent of these deaths, namely: Collisions of motor vehicles, collisions with pedestrians, non-collisions with automobiles, and collisions with fixed objects.

Accidental deaths are usually classified in four groups: Motor vehicle (including collisions of motor vehicles, collisions with pedestrians, non-collisions with automobiles, and collisions with fixed objects); occupational; public places including motor vehicle; Home accidents occur in the home or in the yard. Public accidents occur in the street, highway, in rivers, or other public places, and occupational are those which occur in relation to employment.

Home accidents were also responsible in the six years for more than 500 deaths. Falls are the most important cause of accident in the home, and burns or scalds are second. The great majority of deaths from falls are in persons over 65 years of age.

Drowning and falls are the most frequent cause of accidental death in public places. The high of 40 deaths from drowning during the six years was reported in 1935 against a yearly average of 23 deaths. The record of violent deaths in Nassau County, due to accidents points to the great need for every person to practice safety. It has been said: "Accidents do not happen; they are caused."

Growing boys who are active in sports may safely absorb more than four thousand calories in their food each day, which is probably twice as much as their mothers need and even much more than their fathers eat.

### Adelphi Sees Largest Class In Eight Years

With prospects of an entering class of about 125 students, the largest in eight years, and total undergraduate student body of nearly 450 students, Adelphi College will open its fall and winter term, next Monday morning.

**Add New Sections**  
The addition of two new departments, commencement of a department of education, and an increased faculty will greet students on their return to the campus.

The new departments are a department of the dance, personally directed by Ruth St. Denis, noted American dancer, and four assistant; and a department of music, conducted by a new faculty of six members, including Henri Deering, American concert pianist, and a department of education, which is being headed by an experiment in the integration of religion and high education, to be an inter-departmental undertaking directed by Dr. Terence Howell, will be started this term.

A gradual expansion of course is taking place during the progress of a long-term re-study of the curriculum, which is being headed by a special committee under the direction of President Paul Dawson Eddy.

For exhibitions by Boy Scout troops and school bands.

### College Offers Winter Courses

The New York State College of Agriculture has announced its winter short courses that start November 2 and end February 10. Persons who hope to be general farmers or expect to work on a farm, or who are interested in farm management, or who are interested in the general course, giving a wide variety to choose from, he says. Among them are: farm management; farm shop and repair work; production of field crops, feeding of farm animals; breeding dairy cattle; care and management of horses, beef cattle, sheep, and swine; beekeeping; dairying; public speaking; injurious insects; the farm woodlot; gardening and garden flowers; weather forecasting; plant breeding; rabbit diseases; fruit growing; poultry husbandry; vegetable growing; and diseases of farm animals.

### REGLAR FELLERS

Many trees are cut down for fuel and for other uses. The work is done by reglar fellers.

### But The Worm Might Turn

Some people have the idea that worms should be cut down before they start to grow. It is thought that the development of seed takes strength away from the crown of the tree.

### By Gene Byrnes

Let me see how big the worm is? Some strength is required, it is true, to develop seed, but the energy for this is very small compared with the loss that the roots would suffer if the entire tree were removed. By all means, leave the entire top, or fern growth, standing until it dies down in the fall, or even until spring, as that growth helps to protect the roots through the cold weather.

### DECREASE IN DISEASE DURING PAST MONTH

There were 366 cases of communicable diseases reported in August as compared with 485 cases in July. This total represents a new low for any one month of the present year. Three cases of diphtheria were reported, the ages being 15, 20, and 37 years. None of the patients had ever been immunized against the disease. These cases were reported from Hempstead and Oyster Bay Towns, and the Village of Rockville Centre. There were 10 cases of measles, a decrease of 148 cases from July. Nine of the cases were in children under 10 years. For the eight months of 1938, 2,514 cases have been reported with two deaths. The whooping cough epidemic continued with a total of 100 cases. This was a decrease of only 11 cases from the previous month. For any one age group, the high of 14 cases occurred in children 6 years of age, 9 were reported recently with her husband, Charles Collins, at various summer theatres in New England. Mrs. Morrison, who plays the role of Mrs. Jones in "Lightnin'", has long been a resident of Kew Gardens, where she has been a prominent part in a number of Broadway plays in addition to serving many seasons in stock throughout the country. In New York, "East Yea," "Strange Code," "Growing Pains," "Wisdom in Women" and on the road with Otis Skinner in "Uncle Tom's Cabin." Her husband, the late Priestly Morrison, was a prominent stage director and actor. Fred Stone is celebrating his 50th year in the theatre. The veteran actor was born in Valmor, Colorado in 1873, and at ten he was a tightwire walker in a circus.

### Asparagus And Rhubarb

Some persons have the idea that asparagus should be cut down before they start to grow. It is thought that the development of seed takes strength away from the crown of the tree. Some strength is required, it is true, to develop seed, but the energy for this is very small compared with the loss that the roots would suffer if the entire tree were removed. By all means, leave the entire top, or fern growth, standing until it dies down in the fall, or even until spring, as that growth helps to protect the roots through the cold weather. Another perennial vegetable, often neglected, is the rhubarb. Although it is a large leaf growth before going into the winter, but this does not necessarily mean the rhubarb should not be used in early September. Plants with green leaves are vigorous and are growing rapidly. May be harvested in early September, but harvesting should end soon enough to allow a large growth before winter. These leaves will build strength for crown development early next spring. Do not mow down the rhubarb when cutting grass or weeds.

### MINEOLA FAIR OPENS TUESDAY FOR 5 DAYS

With Grover Whalen, president of the World's Fair, presiding over the ceremonies, the Mineola Fair opens its 96th annual session on Tuesday, Tuesday through Friday, at the Mineola Fair Grounds and the auspices of the Queens-Nassau Agricultural Society board of directors of the most elaborate preparations for the event in over a decade. Escorted to the fair grounds by a Nassau County Association representative of cars with officials and civic leaders from every town and village, Mr. Whalen will cut the main gate ribbons at 2 p. m. and officially inaugurate the week's festivities with an address, followed by J. Russell Sprague, county executive; J. Alfred Valentine, president of the Mineola Fair; Dan Lovelace, president of the Nassau County Association; and other notable. School, scout and professional bands will participate, and a military unit from Mitchell Field will add color to the event. Awards Total \$12,000. The business races start immediately and continue for the 47,000 purses until Friday. The midway and side shows will get under way before the official opening. The judging of the grain, vegetable, flower, cattle, poultry, art and other exhibits starts early Tuesday evening. Visitors to the fair will be treated to a variety of shows, many Big Long Island estates not represented at the fair for many past years will this year have entries at Mineola for participation in the \$12,000 worth of awards. Particular attention has been paid to the afternoon entertainment, a variety of circus acts offered at the race track between heats, a horsemanship pitching carnival, an exhibition of champion Arabian horses, and a thriller climax at Al Durst and his automobile wrecking car, jumping them over one another and raising through fire and solid walls. The night show will be given over to "Cheer Up," a big revue extravaganza, and more circus acts. The "Baby Show" of \$1,500 in awards starts Wednesday and lasts until Thursday, Thursday is "Politicians" Day with local police and fire department exhibitions and parades and Friday is Children's Day and other exhibits starts early Tuesday evening. **A Piano in the American Tradition—the "Federal"**

**Musette**

Like all nine of the Period Model American, the FEDERAL is pleasingly low (only 28" high) and takes up less floor space than a 24" reg. Yet it has a standard-height, full 88-note keyboard and designates the new principle of REPCONTO CONTACTION which has made this charming little Musette famous the country over for rich tonal quality.
