Swenson Concert At Hicks. Library

Tenor Robert Swenson will give a free concert at the Hicksville Public Library on Sunday, April 17 as the thirteenth program in the 1987-88 "Distinguished Artists Concerts" series, according to Oyster Bay Town Councilman Thomas L. Clark.

The concert, which is being sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, will be held at the library, 169 Jerusalem Avenue, beginning at 3 p.m. For further information, contact CAPA at 795-5943.

"Robert Swenson is a rare tenor who is equally at home in recital, oratorio, and opera," Clark said. "The first tenor to win the CAG competitions in nearly 20 years, Swenson has performed at the Spoleto and Aspen Festivals, in the Peoples Republic of China and was a soloist in the west coast premiere of Elliot Carter's 'In Sleep, In Thunder.' His interpretations of the songs of Grieg have led many important artists to compare him to the legendary tenor Bjorling."

For this performance, Swenson will be accompanied by pianist

Robert Swenson, tenor.

Brian Suits. Selections will include compositions by Grieg, Schubert, as well as compositions by Brian Suits.

Clark noted that the concert is being supported by grants from the Long Island Savings Bank, Apple Bank for Savings and Cablevision.

Library Asks For Support In Voting On April 20

(submitted)

The annual budget of the Hicksville Public Library will be presented to the voters on Wednesday, April 20. The polls will be open from 10 a.m. until 9 p.m. Voting will be at the library. The budget to be voted on is \$1,595,201.95. The budget to be raised by taxes is \$35,000.00 less, due to the estimated income from fines and fees. The estimated tax rate is \$1.31, which adds up to an average tax bill of \$65.00 a year on a house assessed at \$5,000.00. About 30% of the budget increase of \$250,000.00 is attributable to a computerized circulation control system scheduled to be installed in 1988. This system will enable the library to immediately notify the borrower of the book's availability and location. It will also enable library professionals to better develop the collection, since we will know how often a book circulates and what is in demand on a day to day basis. Most of the other increases are due to increased cost of books and staff salaries, particularly hospitalization costs.

Your library has moved ahead during 1987-88 in a number of directions. A Macintosh Plus computer for public use has been installed. A Leading Edge computer has been equipped, courtesy of the Hicksville Lions Club, with a voice synthesizer for use by the blind and visually handicapped. The budget for 1988-89 provides for 10,000 added volumes, more than 500 periodical subscriptions and continual development of our popular audio services, videocassettes, compact discs and Books on Cassettes, that is a boon to the motorist.

The support of the community is essential to good library service. School District libraries have been able to serve their taxpayers with superior public libraries because they have been able to present their annual budgets directly to the people for approval. In turn, in order to insure continued development, voters must participate and take a few minutes to vote. See you on April 20.

Letters

To the Editor:

At the last Board of Education meeting I announced my intention to seek re-election to the Hicksville Board of Education. I will now like to let you, the readers of this fine newspaper, know why I choose to seek re-election.

The motivating force that drives me, as a Board member, is the keen satisfaction to serve without personal gain or monetary satisfaction to serve without personal gain or monetary reward - it is a position of trust, service and giving. Our prime task is to legislate and put into practice by policy and regulation the tools, and means to educate our youth, hire the competent, negotiate with determined fairness, uphold the law, listen to the grieved person, and remember the taxpayers, for without their help nothing can be fulfilled.

My main attention over the years has been developing and revising Board Policy, in giving direction to our Administrative

staff, Board and students. I have also chaired the Finance and Budget Committee's of the Board, and have at times been successful in keeping costs down. As President of the Board for three consecutive years, I made every attempt to bring order and stability to the District. I was not always successful, but I tried, and it is a nice feeling to know that Administrators, teachers and employees can work mutually with the community, with a real sense of warmth and accomplishment. This was born out when we negotiated the last teachers' contract, and settled before the expiration of the contract, a rarity in Hicksville. We bargained in good faith and there was a sense of trust between both sides.

Stability in the District was my aim and is my greatest satisfaction.

In the coming weeks I will like to share with you, the readers, more specific areas, that must be addressed in this community as it relates to our School District.

Bowlers Have 'Perfect' Anniv.

Mike and Kathy Solmen will have to go a long way before they can come up with anything to top the events associated with their sixth wedding which they celebrated in March.

Both Mike and Kathy are bowlers and it's not likely too many couples have been able to do what they have done - roll 300s in the second games of their series on identically numbered lanes, but in different houses, within six days of each other.

The Solmens live in Sewell, New Jersey. Kathleen is the daughter of Jean and Bill Wiebalk, owners of Ace Specialties, located on Bethpage Road in Hicksville. She graduated with the Class of 1976 from Plainview-Old Bethpage High School and moved to New Jersey three years ago.

Sixth wedding anniversaries normally aren't that memorable - unless you do something perfect - like Kathy and Mike Solmen did!

Co-sponsored by the Independent Art Society (IAS) and the Friends of the Hicksville Public Library, the exhibition will be held at the library, 169 Jerusalem Avenue, from Saturday, April 30, through Friday, May 13. Hynes said, "Open to artists in grades 7 through 12, the show will consist of original works in the following mediums: Oil, acrylic, watercolor, pastel, graphics, mixed media and sculpture."

Paintings must be framed and wired for hanging and can be no larger than 32" by 40" framed. Sculpture cannot exceed 75 pounds and stands must be provided by the artist.

Entries will be accepted at the library on Friday, April 22, between 7 and 8:30 p.m., and on Saturday, April 23, between 1 and 3 p.m. A non-refundable fee of 50 cents will be charged for each entry. Entries are limited to three per artist.

Hynes noted that works will be selected for entry and adjudicated for awards by members of the IAS. There will be a cash "Best of Show" award from the IAS in the senior division (grades 10-12), a cash "Best of Show" award from the Friends of the Hicksville Public Library in the junior division (grades 7-9) and "Honors of Excellence" certificates from the Town in both the senior and junior divisions. In addition, there will be a \$50 cash "Best of Show" award in the senior division from Barron's Educational Series, Inc. and a cash "Best of Show" award in the junior division from Pearl Paint. All awards will be handed out at a reception on Saturday, April 30, between 10 a.m. and noon, in the library's community room.

Brownies Entertain Seniors For Easter

On Friday, March 25, thirteen Brownies from Troop 3180, Holy Family School, had an Easter Party with the senior citizens in the Community Room at the Senior Citizens Apartment Complex in Hicksville.

The girls brought eggs to dye and candy and snacks for all. The residents provided treats for the girls.

They had a sing-a-long and one gentleman played beautiful songs on the piano for the girls.

Everyone had a wonderful time and the residents now had their colorful Easter eggs to take home.

Brownies taking part included: Sheena Das, Jeanine Dlugokenski, Misha Habib, Sahar Habib, Rose Karukakalam, Megan LaLima, Theresa Lampert, Jennifer Olsen, Suzanne Peterson, Trisha Philpitt, Heather Robinson, Nicole Sanfilippo, Michelle Watters and Leader, Margie Lampert.

Having a good time dying Easter eggs.

Woodland School's Jump Rope AThon

Woodland Avenue School recently held its sixth annual Jump-Rope-A-Thon and raised \$5,037.00 for the American Heart Association.

The Jump-Rope-A-Thon, coordinated by the school's physical education teacher, Mrs. Elizabeth Way-Stouges, consisted of 12 teams of approximately six students each, and one adult team. Each team member secured pledges from friends, neighbors and relatives prior to the Jump-A-Thon. On the day of the event, team members took turns jumping consistently for three hours.

Teachers and the school's principal, Dr. Manus Clancy, volunteered to monitor the event and PTA parents supplied and distributed juice to the thirsty jumpers. It was an afternoon of togetherness and excitement for a very worthwhile cause.

The winning team included fifth graders, Bobby Braun, V.J. Hoosack, Gregory Latini, Michael Ocuto, Richard Werchenski and Michael Whitman, who raised \$1,388.45 for the American Heart Association. The top winners for the school, who were also from this team, were V.J. Hoosack

(\$370.40), Michael Ocuto (\$369) and Gregory Latini (\$314).

All the students who participated deserve a tremendous thank you. They not only jumped for 3 hours, but they also took hours to secure their pledges and then collect from their sponsors after the event.

A very special thank you is extended to Mrs. Way-Stouges who devoted many hours of her time to organize teams, collect permission slips, supervise the event, collect and tally the donations. It is a tremendous undertaking and yet Mrs. Way-Stouges did a great job again this year.

Elks Honor Local Teens

This is the third annual "Teenager of the Month" program sponsored by Hicksville Elks Lodge #1931. It is designed to recognize young men and women for their achievements in school and community life. Teenagers make wonderful contributions to all areas of endeavor, from agriculture to zoology. They excel in scholarship, citizenship, industry and farming. Their accomplishments, their activities and their contributions to society should be recognized and praised.

Hicksville Elks Lodge has invited the high schools in their area to take part in this worthwhile endeavor. To date we have received names from Hicksville High, Bethpage High, Jericho High, Holy Trinity and Syosset High. As Elks we strongly believe in honoring the youth of our nation and we appreciate your assistance in doing so.

The following are the names of monthly winners submitted by the respective schools to Hicksville Lodge and/or Bob Stenson (Teenager Coordinator) and Artie Senior (District Youth Chairman).

Bethpage - Bradley Astrowski, Thomas Gzalooff, Diane Herbert, Robert Jacobs, Robert Morgan, Pamela Rappaport.

Hicksville - Patrice Caputo, Kristine Noya, Jude McFeely, John Beggs.

Holy Trinity - Laurie Wade, Lynn M. Evans, Elizabeth Geerlings, Veronica Madison, Suzanne MacMelville.

Jericho - Noelle Tutunjian, Michael Fastenberg, Robert Acker, Wayne Aaron, Jill Nolan, Joanne Margo.

We wish to thank all of the different school administrators for their full support with this program and look forward to other schools joining.

There will be a dinner on Sunday, May 1, at 2:30 p.m., honoring those students named, plus the ones still due in. If you have any questions regarding this program please feel free to contact one of the committee by calling 931-9310 after 4 p.m., Thank You.

Travel Agency Seeks Change

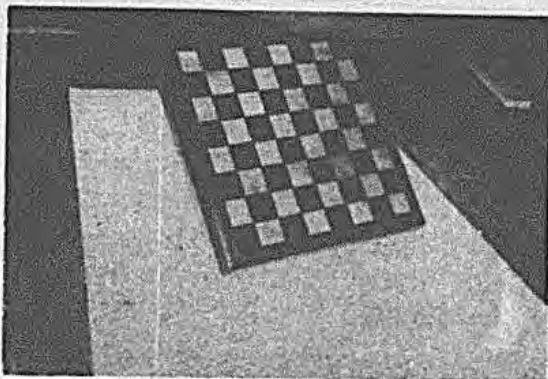

Oyster Bay Town Councilwoman Ann R. Ocker announced that a public hearing on an application by KPT Enterprises, Ltd. has been rescheduled by the Town Board and would now be heard on April 19.

KPT Enterprise, Ltd. is seeking a change of zone from an 'E' residence district to an 'R-O' residence-office district for the purpose of operating a travel agency," said Ocker.

"Previously scheduled for a public hearing on March 29, the Town Board was forced to reschedule the date when it learned that residents within a 300 foot radius of the parcel had not received proper notification of the proposed change, as required by law," explained Ocker.

The property, fronting on Woodbury Road and East Street, is also known as #201 Woodbury Road, Hicksville.

The meeting is scheduled for 10 a.m. in the hearing room of Town Hall East, Audrey Avenue, Oyster Bay.

Two advanced woodworking Hicksville High School students, Ed Swan and George Koutsouhls, are finalists in the National Dremel Tool Creative Project Scholarship Contest. They designed and constructed a chess board with a storage compartment.

Nassau County Executive Thomas S. Gulotta, right, proclaimed Friday, March 25, as "Greek Independence Day" in the County of Nassau in celebration of the 167th anniversary of Greek independence. County Executive Gulotta proclaimed this at a reception held recently in Mineola to honor Greek Americans, on behalf of the outstanding contributions that they have made to their communities.

Accepting the Proclamation is George Floratos of Plainview, center, who is Parish Council President of the Holy Trinity Greek Orthodox Church in Hicksville, who was honored at the reception on behalf of his service to the community. Also present was State Senator Dean Skelos.

When a leading financial journal commissioned a study of all stocks recommended by the top ten securities firms, the results were startling.

The stocks recommended by one firm achieved a success record far in excess of the others. Almost four times the growth of the next closest top ten firm.

The surprising winner?

Thomson McKinnon.
America's 8th Largest Brokerage Firm.

Quietly successful for 103 years, Thomson McKinnon has never been in the habit of touting its results. But according to the journal:

"Thomson McKinnon Securities... smartly defeated the competition... during the 12 months and 18 months through Dec. 31."

THE OFFICE CAT

By Gabby Tabby

THE NEW NAME for the Town recycling plan is SORT. It will mean that homeowners all over the Town will have to sort out bottles, newspapers and cans and put them in one of the 67,000 yellow pails being ordered for this purpose by the Town. Homeowners in about 12,000 residences in South Hicksville and Plainview have been notified that by April 20 they will be expected to comply with the regulations. IT LOOKS like the Democratic party on L.I. is going to beat the drum against Shoreham opening against Presidential candidate George Bush who has not come out against the project. However, some think that if it becomes a totally political issue, Shoreham will gain acceptance since the GOP dominates L.I. THERE ARE plenty of three cents stamps at the Hicksville Post Office to add to your old 22 cent stamps. Some smaller post offices may be out but wait a couple of days and they will all have them. TIP P.O. will be open until midnight to postmark your tax return April 1, but the promise is long lines as in previous years. THE CRIME REPORT is published each week as a public service to alert residents of where crime is taking place in the area and as an aid in the Neighborhood Watch program. Anyone seeing suspicious activity should phone 911: SOMEONE broke into the office of Brody and Brody, 998 Old Country Road, Plainview on March 28 and stole \$50 in currency. Editor's Notebook

In the post World War II era most people in this area commuted to work by the LIRR. This is no longer the case--the majority of residents now work on Long Island and get to their jobs by car.

Nevertheless it is nice to have the LIRR around. Many young people who cannot afford cars can use the train (with or without an added bus or two to get to college or a job, and even the most loyal Nassau County resident likes to escape to the city once in a while, to see a play, game, museum exhibit--whatever.

While LIRR ridership has never been cheap (compared with the New York City subway), the cost has been more or less justified for the sake of convenience. It came as something of a shock, therefore, to hear the County Comptroller's office announce last week that the MTA may be padding expenses.

Below are some of the items Comptroller Peter King believes were overbilled. Read them and weep, dear subscribers:

Phantom Employees	\$166,724
Long Beach storage fence	57,552
Insurance and	
Mail-n-Ride Program	32,213
Police Travel Time	
Overcharges	65,551
Miscellaneous	16,378
Total	\$338,418

The Comptroller says the "practice" of padding maintenance bills by the MTA has become "casual and systematic" and he believes the MTA has become "a runaway bureaucracy" that can only be curbed by state legislation.

Plainview Restaurant Gets Town Approval

Oyster Bay Town Councilman Thomas L. Clark announced that the Town Board has granted a special use permit for a drive-through window at a fast food restaurant in Plainview.

Clark said, "A public hearing was held by the Town Board on January 26, on a request by Old Country Road Burgers Co., Inc., Creative Foods Corp. and Fulton Associates for a special use permit to operate a drive-through window at an existing fast food restaurant located at the southeast corner of South Oyster Bay and Old Country Roads, Plainview. The Board granted the permit subject to 25 restrictive covenants imposed to protect the welfare and safety of residents and business owners in the vicinity as well as maintain a safe flow of traffic during peak hours.

"In granting the application," Clark said, "the Town Board is requiring that parking be permitted only in designated parking spaces and that signage and lane designations be properly installed so that traffic flow is readily apparent to motorists and pedestrians. For safety reasons the hours of operation for the 'drive-thru' window will be limited so as not to interfere with peak traffic hours. The drive-thru will be closed from 8 a.m. to 9:30 a.m., from 12 p.m. to 1:30 p.m., and 5 p.m. to 6:30 p.m., weekdays. Hours of operation are to be properly posted and a restaurant employee assigned at all times to direct 'drive-thru' traffic, advise patrons if the window is closed, maintain traffic flow to the window, and prevent cars from stacking up out onto Old Country Road and South Oyster Bay Road."

Curbs are to be installed to create a drive through lane and a "drive-thru" window lane. It was also noted that a pedestrian walkway should be provided for walk-in patrons as well.

Clark noted that no building permits or certificate of occupancy will be issued to the owners until a site plan has been submitted and approved by the Town Board.

Mary McCaffrey read the roll call and Anni Sharma led inductees in the honor society oath: "I pledge myself always to seek the light of truth, to hold scholarly habits, to engage in worthy service, and to lead forward in all things that shall advance the welfare of the school."

On March 4, the New York State Department of Health offered free dental and nutrition screening at OCR to children in the second and fifth grade. Children who returned signed consent forms participated in this program.

Participants received a free dental examination (without x-rays), fluoride oral hygiene instruction, had their height and weight taken, and were asked some questions about their eating habits. They also received appropriate materials on nutrition and oral health practices. Examinations required only 15 minutes of classroom time per child. All equipment and personnel were provided by the State Health Department. The personnel consisted of a dentist, dental assistant, nutritionist and nutrition assistant.

Since the fifth grade is currently studying teeth, the dentist also talked to the children and answered any questions they had about teeth. On March 6, at three in the afternoon, Trinity Lutheran Church, Hicksville, held a special worship service in honor of the Rev. Dr. John H. Krahn. We thanked God and celebrated Pastor Krahn's 20 years of ministry at Trinity.

Dr. Krahn is presently involved with church-related consultation projects and looks forward to serving the Lord with his time and talents in a variety of ways to further God's kingdom.

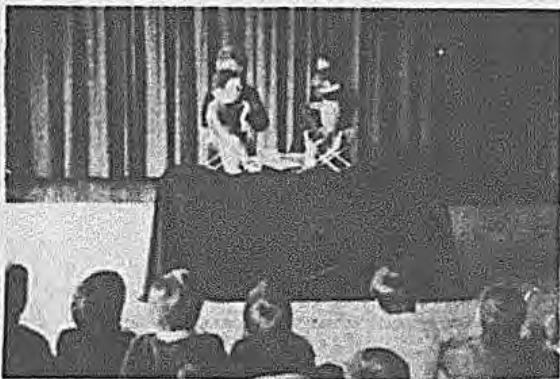

At the dinner/reception following the service to his friends and parishioners shared their love for him and prayers for his future. It was a beautiful celebration and a sad moment as well. Our love and prayers go with him and his future ministry to God's people.

In photo, The Rev. Dr. Krahn is shown, center, along with his wife Doris, the Rev. Frederick Rasp, former Assistant Pastor of Trinity, and Lisa and Andrea Krahn, daughters of Rev. and Mrs. Krahn. Mrs. Krahn is holding Rev. Rasp's new son, Joshua Michael.

Workshop Planned At BOCES

A workshop about the NYS Teacher Summer Business Training and Employment Program will take place at the BOCES Salisbury Center in Westbury on April 19, from 1:30 to 3:30 p.m., according to Frances D. Flood, Director, LI Regional Education Center for Economic Development.

The workshops are part of an ongoing series of activities designed to inform teachers and employers about the program, which encourages private companies and not-for-profit corporations to hire eligible teachers by reimbursing a portion of the salaries and benefits paid. The program applies to teachers in the areas of math, science, computer science, and occupational education who work at least 80 hours between July 1 and August 31, in employment related to their teaching.

The students at Fork Lane School in Hicksville participated in the B.O.C.E.S. presentation "Kids On The Block." The aim of the puppet program is to teach children what it's like to be handicapped. "Kids On The Block" included a question and answer period at which time questions concerning the problems, causes and possibilities of recovery of the particular disabilities of the puppets was discussed.

SkiMaskedBandits RobThreeInHouse

Two ski masked white males robbed a Plainview mother and her two daughters in their Plainview home around 8:30 p.m. March 30.

Mrs. Mona Rosen, 58, and her daughters, Allison, 32 and Amy 30, were in their house at 32 Cedar Drive, East, Plainview, when the mother was suddenly confronted by the two suspects in a hallway outside the den. The suspects then herded the three women together in the den and tied them up with duct tape, announcing they wanted drugs and guns. The house was then ransacked and the suspects fled with a VCR, a TV and a racoon coat. Some assorted jewelry was also taken.

The women managed to free themselves of the tape and police were called. No injuries were reported and entry into the home was made by the suspects walking in through a rear door.
